

- I recommend practicing with a translation patch at first.
- Pressing X accesses the Status Screen. Pressing anything except B softlocks the game (Not present in Japanese version).
- Generally heal on Joseph's turns if needed (Iggy's too if needed).
- Below is the template used to breakdown fights:

NAME (Round#)		[In-Game Sprite]
Win Strategy	xxxHP	
<ul style="list-style-type: none">• Turn-by-turn breakdown		

- KEY
 - A-ATTACK
 - H-HEALING ITEM
 - C-CHECK
 - I-IDEA
 - G-GUTS
 - R-RUN
- Don't always follow the turn-by-turn breakdown to the letter. It is to give a general idea of what to do. You should adapt to the situation. But sometimes you should follow it to the letter. ;)
