NEW YEAR'S RESOLUTIONS: Survey Spotlight, Wicked Witch Wednesdays and DO NOT CLICK!

I will be starting the Survey Spotlights in the weekly eblasts next week to address commonly asked questions from the annual survey.

As a response to the survey and a growing concern over property enforcement issues, I'll be starting what we are playfully calling Wicked Witch Wednesdays where I pick a street to canvas for any and all items against the CCRs and Rules/Regs. Courtesy emails will be sent out to alert homeowners of the noted items with a request to remedy the situation. Please don't be offended, all homes will be addressed in an equal and fair manner.

EMAILS: And as a result of an untimely click of an email this week, I will no longer attempt to open anything within an email. Please do not send ARC applications in a dropbox...individually attach items or bring them by the office. I apologize for any inconvenience I have caused for you and your email system.

HOLIDAY DECORATIONS: As a reminder, our Rules and Regulations require that holiday decorations be removed within 14 days of the holiday. Taking into account that Epiphany was January 6th, Christmas decorations should be removed by the 20th. Thank you for your adherence to these guidelines.

JANUARY NEIGHBORS NEWSLETTER: It's been delivered to your mailbox, but here's the full color version online. Passcode is 8214 (last four digits of the office phone number!)
