

Terms of Service

Hi there! I'm Nighterrhandt. If you're here it's most likely because you want a commission. Here are some ground rules for taking a commission from me!

Basics:

- I don't offer refunds for completed commissions.
- I only take payment through Paypal.
- I'm pretty flexible about when I receive payment, but I generally expect it either before I send the initial sketch or during the initial sketch phase.
- I will send a WIP at the beginning of each stage of the commission (i.e. If you're getting something with simple shading I'll send a WIP for the sketch, the lineart, and the flat colors). Changes can be made at any of these stages, though if a large enough change is requested I may say no to it.
- I generally work pretty quickly but sometimes life comes up and I'm unable to work; if this happens I'll be sure to tell you. If something needs to be done by a certain date just tell me and I'll make sure to prioritize it. If a month has passed and I haven't gotten back to you, refunds can be discussed.
- I reserve the right to post the finished product on my social media/art accounts (Twitter, FA, etc).

What I will draw:

- TF
- NSFW
- Anthros
- Machinery (albeit with an extra fee depending on complexity)
- I am down to draw a pretty wide variety of things, if you're concerned about something it's fine to ask first!

What I won't draw:

- TF or anything NSFW involving minors
- Scat
- Extreme gore (if a character's organs are hanging out it's generally a no)
- Race change TF
- Characters described in a way I deem transphobic
- I reserve the right to refuse a request even if it's something not listed here.
