*****NEW ADDITION*****

Tenth Library

Help needed on a Sunday each month during the coffee hour time between the morning services. The work would involve checking out and returning books and helping patrons looking for books. Occurs once a month on Sunday from 10:30 to 10:55, it might even be less frequent depending on how many volunteers I can get. Requirements some attention to detail/matching/reading skills, being comfortable with people.

Systematizing the library with some barcoding and cataloging software for checking and cataloging systems.

Time Commitment: Minimum to Moderate
