

# LIFE on a river

*WALT: Make connections between prior knowledge and ideas in the text to help us understand concepts*

*How would your life be different if you lived on a river?*

## LEARN & CREATE:

1. Make a copy of this [Google Drawing Chart](#)
2. Fill in the chart with sentences about things that are different to how you live to how these people live on the river.
  - a. How are the houses different?
  - b. How is the way they travel different?
  - c. How is the way they shop different?
  - d. ....
3. Draw some pictures using Sumo Paint of the differences then copy them around your Google Drawing Chart.

## SHARE:

1. Take a screenshot of your Google Drawing Chart and post it to your blog.
2. Add a comment saying if you would like to live on a river or not and why.
3. Post your Blog URL to the [Learning Log](#).
