

ProtoReality Game Mandatory Campaign Task Details

All the participants joining this bounty campaign will have

Hold Some prgc tokens

Play the game

Tasks

- Play the game
- Hold \$PRGC tokens until bounty ends. [You will get 100% bonus USDC if you buy the tokens - USDC will be transferred in 24-72 Hours.]
- Upload the scrn shot of you playing the game to your social media with hashtags

Rewards

- 10% from this campaign budget

Plus

- If you hold the prgc token you will **USDC bonus up to 100% of \$PRGC holding**
- If you play the game and provide screen shot, 100 random participants will get 10\$ worth of prgc tokens.

How to buy PRGC Tokens:

- go to raydium.io/swap
- connect Solana based wallet (recommend phantom wallet)
- swap USDC for PRGC [Or buy from admins from here: <https://t.me/bptrades>]

How to play the Game

- go to Apple App Store
- search DO119, LICX or LightCode - all the same for the game “DO119 LICX: LightCode”
- Play the game to select all the green squares, jumping squares, flashing squares, numbers and symbols. Solve the codes and guess the code words
- the code words are your seed phrase for your wallet
- winners are allocated share of prize fund each 2 week period according to both performance in the game and also random winners

- special prizes for winners who unlock “Easter Eggs” - special random images that also appear randomly
- more play = more chance to win!
- each 2 week period the prize fund increases by USD 10,000 - up to USD 1,000,000 prize fund available from LICX!!!
