

Rubric - App Design Project

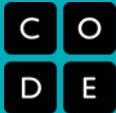

Project-Specific Rubric

Criteria	Yes/No	Comments
The problem is well-defined, including a target audience, details of the problem, and how to tell it has been solved		
The app is clearly described including what it does and why someone would use it		
The outputs of the app are clearly described and could be used to address the problem		
The inputs of the app could be used to produce the outputs		
The way that the information is processed and stored is clearly described and appropriate for the functionality of the app		
The peer review provides useful and constructive feedback		
Peer review feedback has clearly been incorporated into the final version of the project.		
The poster includes all information required by the project guide		

Common Rubric

Practice	Things to Celebrate	Things to Work On
Problem Solving		
Persistence		
Creativity		
Collaboration		
Communication
