Information on How to Book for the 63rd BSA International Rally

To begin the booking process go to:

https://www.trybooking.com/nz/events/landing/15793

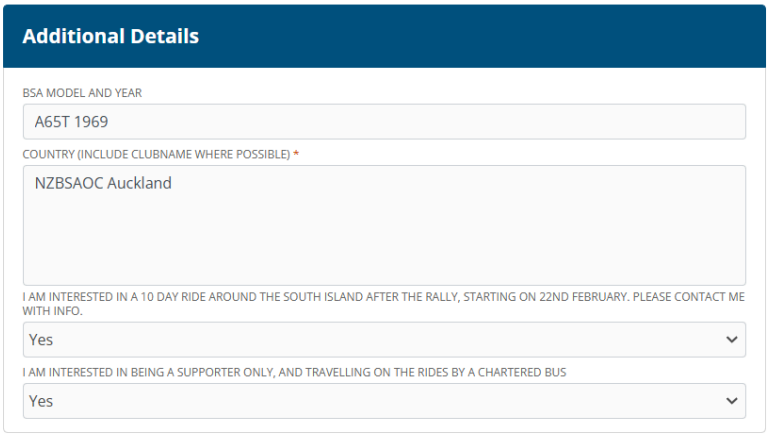

Click on the yellow Book Now button towards the top right of the screen

On the tickets screen select the tickets you want to purchase. Note: If booking for self and partner you need 2 registrations, 2 Accommodation, etc

The same for meals eg 14 for 2 people for the week. You can select less if you are planning to eat elsewhere on some days, but note a day includes both breakfast and dinner. If selecting less, please try and specify the days you want the meals for in the field provided. **Those people who have select less than 7 meal days per person will all be contacted by the NZBSAMOC just before the 30th Jan 2026 to confirm on which rally days the meals booked are required. Extra meals can be booked right up to 30th Jan 2026.*

When selection is complete Click Next to continue to the next screen

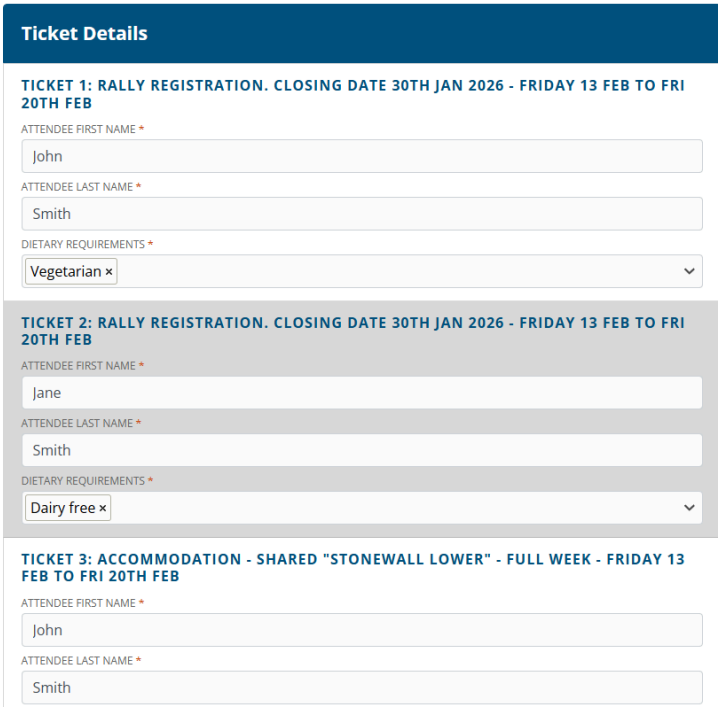

Additional Details

Enter BSA Model and Year if known

Enter Country and Club

Enter Yes if you want information on the post rally tour of the South Island

Enter Yes if anyone in your booking is likely to use bus/van to follow the rally

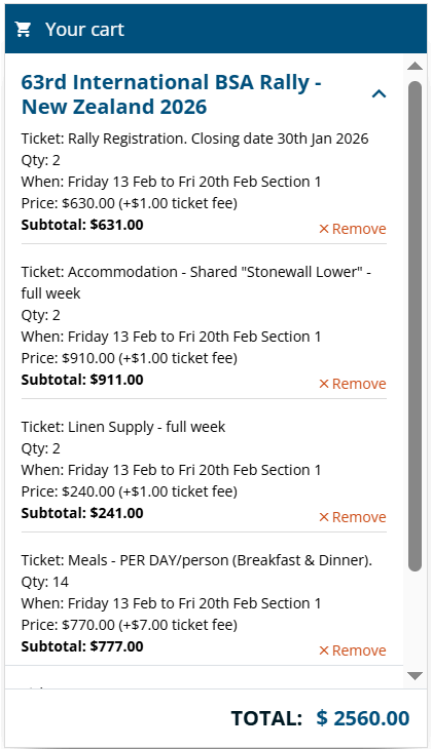

Then you will get to the Ticket Details.

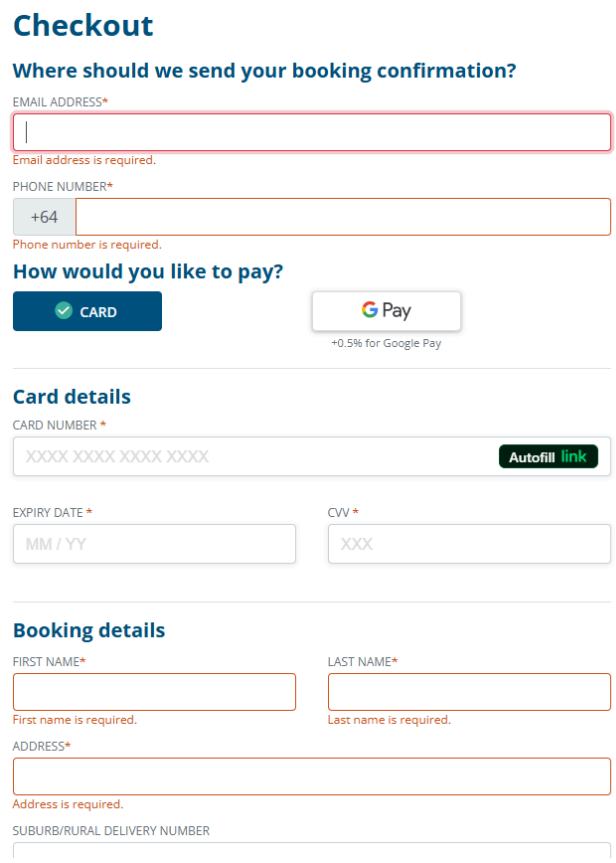

Under Ticket Details you will need to fill in name, any dietary requirements, etc for each ticket. This can take some time but unfortunately is a limitation of the system we are using. If using a Microsoft computer, you should be able to use “autofill” for each repeated entry to speed up the process. You can also use Cut and Paste.

Click Next to proceed to Checkout

The final Checkout screen will show Your Cart.

Please review the contents of this before proceeding to payment.

To Complete the Checkout process you will need to provide your email address (confirmation and tickets are sent to this address), your phone number, and payment details (you can use Credit Card or Google Pay). Booking details should match the address for your Credit card.

Once this is completed ticketing is done and you should receive a confirmation email.
