

Data Collection Consent

To provide our services, we need to collect and process your cryptocurrency wallet address. By submitting your wallet address, you confirm that:

Purpose:

Your wallet address will be used solely for:

- Delivering the services described in our Terms of Use.
- Compliance with legal/KYC obligations (if applicable).

Data Storage:

Your wallet address will be stored securely on servers in the Netherlands for up to 3 years (as required by law).

Your Rights:

You may request deletion of your data by contacting Partners@refee.bot.

You can withdraw consent at any time (withdrawal does not affect prior processing).

Third Parties:

Your data may be shared only with:

- Hosting providers (necessary for service operation).
- Regulatory authorities (if legally required).

About us:
