

Privacy Policy

Last updated: September 21, 2024

Insect ID ("the App") is a mobile application available on the App Store. This privacy policy outlines how the App operates in regards to your personal information.

Data Collection

Insect ID does not collect, store, or share any personal data from its users. We are committed to ensuring your privacy and have designed the App in a way that your personal information remains entirely private.

- **Personal Information:** The App does not collect or request any personal information, such as name, email address, or location, from users.
- **Usage Data:** We do not collect any usage data from your interactions with the App.
- **Third-Party Services:** No third-party services are integrated into the App that would have access to your data.

Data Sharing

Since no data is collected, there is no data to share. Insect ID does not sell, trade, or otherwise transfer to outside parties any information about its users.

Children's Privacy

Since Insect ID does not collect any data, it is safe for all ages. However, we recommend that children under the age of 13 use the App under supervision.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Any changes will be posted on this page with the updated date at the top of the policy. You are advised to review this Privacy Policy periodically for any changes.
