Personalities:

Catnip

Purple ball with fluffy cat ears and a tail, also has lavender hair that covers her right eye.

Rather silly, although she thinks that everyone else finds her annoying. #12 Crate's ex-girlfriend.

#2 Crate

Light brown box/crate with a #2 label on the back, orange eyes.

Afraid of most everything, especially rejection, and very shy. #12 Crate's older brother. Often hides behind #12 Crate whenever he feels scared.

#12 Crate

Light brown box/crate with a #12 label on the back. Usually wearing sunglasses.

Rather confident. #2 Crate's younger brother. Very protective of his older brother. Catnip's ex-boyfriend.

Soap

Pink bar of soap. Gets bubbly in water.

Shy but trying her best to make friends while she's here. Tissue's twin sister.

Lego Brick

Red lego 1x2 brick.

Just here to have fun, usually off to the side trying to spark up a conversation with someone they don't know.

Download Button

Gray square box with a white down arrow and a white line underneath said arrow.

Mute by choice. Adores games. Tends to be away from other people, listing off whatever it sees in the environment around itself.

Ducky

Yellow rubber duck.

Can't speak, so squeaks instead. Struggles to express herself, but is very vocal nonetheless.

Baseball Cap

Red baseball cap without a brim.

Loves sports and makes constant references. Somewhat transphobic and sometimes messes up pronouns on purpose. Pretends to be bad at remembering, but conveniently never messes up cis contestant's pronouns.

Tissue

White tissue, usually rather crumpled.

Very disorganized but well-meaning. Secretly has an obsession with dragons. Soap's twin sister.

Chocy

Chocolate bar, vaguely resembles a kit-kat.

It breaks very easily and seems to lose some cognitive ability whenever it does, but is otherwise rather average.

Obsidian Drop

Small shard of obsidian with an unclear shape. Only has 1 eye.

Used to be Koi's best friend before being made half blind. Asocial. They're terrified of losing their vision completely.

Echo Flower

Blue flower with 3 petals.

She's a desperate people pleaser afraid of rejection and will do anything to make himself not stand out and yet wants everyone to see them as kind.

Poker Chip

Black and white poker chip, often wearing a tie.

He's a gambler by heart and can never bring himself to stop, no matter how much he loses.

Conveniently gets lucky, although that's mostly because he's always hanging out with Rabbit's Foot.

Koi

Black and white glowstick, colors faded out years ago.

Used to be friends with Obsidian Drop. Had a falling out when Koi accidentally made Obsidian Drop half blind. Very melancholic.

Cog

Small hollow cog. Wears gray contact lenses.

Nerd who adores steampunk but can't build machines to save his life.

Rabbit's Foot

Small rabbit's foot on a golden chain.

Introverted, but clings to the friends he does have, such as Poker Chip, for dear life. Seems to have a supernatural luck factor that rubs off on his friends. Femboy.

Wick

Blue candle without any fire.

Rather cool person who doesn't usually cause problems. Old friends with Button, although they haven't been able to talk in a while.

Button

Green button from a button-up shirt.

Doesn't try to cause problems, but zey always seem to be involved somehow. Old friends with Wick, and has been hoping to see them again for a while.

Gumdrop

Green gumdrop. Sparkly because of sugar.

Sweet little guy. He really wants to make friends, even if he sucks at it. Clings close to Lego Brick in the desperate hopes to pick up on any kind of interests he might share with people who they talk to.

Iron Ingot

Gray iron ingot.

Antisocial. Pretty strong.

If you're reading this, I'm thinking of making this a sort of camp where it's roleplaying as the character you get. DM me if you're interested. If I don't get like 5 people by the time I start working, then this idea is automatically booted. 👍

If you have ideas for improvements, please DM me on discord, vanillamochalatte !
