Report on One-Day Free Dental Medical Camp, Guest Lecture, Workshop,
and Hands-on Training Session

- **Date:** 13th February 2025
- **Time:** 9:00 AM to 1:00 PM
- **Venue:** Shalakya OT
- **Total number of participants:** 31

A one-day free dental medical camp, guest lecture, workshop, and hands-on training session was successfully conducted at Shalakya OT on 13th February 2025. The event aimed to enhance awareness about oral hygiene, provide practical knowledge on tooth cleaning techniques, and offer hands-on experience in temporary tooth filling. The program was led by esteemed dental professionals, Dr. Ambika Krishna and Dr. Shravani Giri.

Event Highlights:

1. Free Dental Medical Camp:

The camp provided free dental check-ups and consultations to attendees. Dr. Ambika Krishna, BDS, Chief Consultant at Sri Vari Dental Clinic and Visiting Professor at GAMC, Bengaluru, spearheaded the initiative. Patients received personalized advice on maintaining good oral health and were educated on preventive dental care.

2. Guest Lecture:

Dr. Shravani Giri, BDS, a General Dentist, delivered an insightful guest lecture from 2:00 PM to 2:30 PM. The session covered essential topics such as proper tooth cleaning techniques, importance of maintaining oral hygiene. The lecture was highly informative and well-received by the students.

3. Workshop and Hands-on Training:

The workshop provided an opportunity for participants to engage in practical learning. Under the guidance of Dr. Ambika Krishna, participants and students learned about:

- Proper tooth cleaning techniques
- The process of temporary tooth filling
- Best practices for maintaining oral hygiene

Participants actively engaged in the hands-on training session, which enhanced their understanding and practical skills in dental care.

Conclusion:

The event was a great success, benefiting both the participants and the community by raising awareness about oral health. The interactive sessions helped bridge the gap between theoretical knowledge and practical application. Special thanks to Dr. Ambika Krishna and Dr. Shravani Giri for their valuable contributions in making the event impactful.
