Baylor

Stanford Grad Working there: [Apurva Yeluru](#)

Job Description: There's a few different sites.

Application Contact: hospitalists@bcm.edu

Cedars-Sinai General Internal Medicine

Stanford Grad: Kathryn Cardoza (formerly worked there; can provide insight).

Application Contact:

Anish Desai (Associate Director, General Internal Medicine) anish.desai@cshs.org

Robert Goodman (Associate Director, General Internal Medicine) robert.goodman2@cshs.org

Teryl Nuckols (Director, General Internal Medicine) teryl.nuckols@cshs.org

Job Description: 100% teaching service. Cedars-Sinai has an Internal Medicine residency program and UCLA medical students rotate at Cedars.

Cedars-Sinai ISP

Application Contact:

Afshin Afrashteh (Assistant Medical Director) afshin.afrashteh@cshs.org

Bradley Rosen (Director) rosenb@cshs.org

Job Description: Direct care. Two main hospital sites: Cedars-Sinai and Marina del Rey. Care for both medicine and surgery patients. Can work on specialty services: ISP-L (liver; peri and post-liver transplant patients) and ISP-C (LVAD, heart transplant patients).

CPMC

Pacific Inpatient Medical Group (PIMG) is a physician owned hospitalist group operating in Northern California, with hospital sites in San Francisco, Marin County, and Santa Rosa. We see a wide range of patients and have opportunities for specialty care in Stroke/ICU Co-Management, consults for surgical services, and many other unique services depending on interest. We anticipate available day-time hospitalist and nocturnist roles starting July 2023. We are currently accepting resumes through the fall, with anticipated interview dates in November/December. If you would like to further discuss, please reach out to Ashwin Peres-da-Silva at ashwinp@pacificmedicalgroup.org. Please also visit our website at www.pacificmedicalgroup.org, or follow us on Instagram @weareping for more information.

Duke
