1. Premium Services Overview

The Premium Services are optional paid services that enhance your experience with the Sunnify Application ("Application") by providing access to exclusive features and content not available in the free version of the Service. The specific features of the Premium Services may be updated from time to time, and current Premium Services include, but are not limited to:

- Exclusive premium sunglasses templates .
- Advanced AI editing tools .
- Ad-free usage of the Application, ensuring an uninterrupted experience.
- High-resolution image export (up to 4K quality) for crisp, professional-looking results.
- Priority customer support, with faster response times to your inquiries and issues.
- Early access to new features and updates before they are made available to free users.

We reserve the right to add, remove, or modify the features of the Premium Services at any time, with reasonable notice to subscribers via a prominent notice within the Application or email (if you provide an email address).

2. Subscription Plans and Pricing

We offer multiple subscription plans to suit your needs, and the current plans, pricing, and billing cycles are displayed clearly within the Application's Premium Services section before you complete your purchase. The available plans typically include:

- Monthly Subscription: Billed on a monthly basis at the advertised rate.
- Annual Subscription: Billed once per year at a discounted rate compared to the monthly plan.
- One-Time Lifetime Access: A single one-time payment for permanent access to the Premium Services (subject to the continued availability of the Service).

All prices are displayed in your local currency (based on your device's settings or IP address) and include any applicable taxes, fees, or surcharges, unless stated otherwise. We may adjust the pricing of our subscription plans from time to time, but we will provide you

with at least 30 days' prior notice of any price increases. If you do not agree to the new pricing, you may cancel your subscription before the price increase takes effect.

3. Billing and Payment

3.1 Payment Methods

To subscribe to the Premium Services, you must provide a valid payment method accepted by our third-party payment processors. By providing your payment information, you authorize us (and our payment processors) to charge your payment method for the applicable subscription fees.

3.2 Automatic Renewal

All monthly and annual subscription plans are set to automatically renew at the end of each billing cycle, unless you cancel your subscription before the renewal date. We will charge your payment method the applicable renewal fee (at the current rate, which may have changed as per Section 2) on the renewal date. For annual subscriptions, we will send you a reminder notification at least 7 days before the renewal date to inform you of the upcoming charge.

The one-time lifetime access plan does not renew automatically and requires only a single payment at the time of purchase.

3.3 Payment Processing and Failures

If a payment is declined or fails for any reason, we will attempt to process the payment again within a reasonable period (typically 3-5 days). During this time, your Premium Services may remain active, but if the payment is not successfully processed after multiple attempts, we reserve the right to suspend or terminate your access to the Premium Services until payment is received. Please note that if you purchased the subscription through a third-party platform, their cancellation policies may also apply.

4.2 Refund Policy

We offer a 7-day money-back guarantee for new subscribers to the Premium Services. If you are not satisfied with the Premium Services, you may request a full refund within 7 days of your initial purchase, provided that you have not excessively used the Premium Features (as
