

Birds Don't Fly Rules and Blacklist

- Two codewords are hidden within the rules, make sure to read through and provide the codewords in your comment
- Absolutely no tracing whatsoever
- Discord is required so I can easily keep track of the parts
- Please have your part in a 16 x 9 aspect ratio!
Eg: 1920 x 1080 or 1280 x 720
- Not really beginner friendly, I will need to see examples on your channel
- Due to the length of the parts, you can do either pmv or amv, though some movement is required!
- Absolutely no nsfw or sexual content allowed
- You may use whatever you want for this map, whether it be fandom or oc related
- The first codeword is your favorite bird/bird species
- Lyrics are required
- Please be mindful of the blacklist
- Make sure to follow the color palette! If not, I will ask you to redo your part
- Do not harass or push me into giving you a part
- No watermarks, whether it be personal or application!
- 3 parts is allowed per person, and for a better chance of getting a part I'd recommend

commenting multiple parts you'd like in case a part you want is already taken

- The due date is one month after you receive a part, though this will not go into effect until the map fills and I will be very lenient with extensions and such
- The second codeword is what you'll be using for your part (fandom, ocs, ect)
- If you ever need an extension or to drop, don't be afraid to let me know! I understand if you're no longer able to work on the part

- Anything over the top gorey or inappropriate/nsfw
- South Park
- Dsmp
- Any problematic media/containing real people
- My Pride
- Hazbin Hotel/Helluva Boss

- Will be added onto if I feel the need to
