Did you know that you can get updates on bus cancellations and delays from our transportation provider STWDSTS? The UGDSB posts online if schools are closed, but they do not post information about bus cancellations.

STWDSTS will post information on bus cancellations on their website by 6:30 a.m. Alternatively, you can sign up for updates directly at <https://stwdsts.ca/parentportal/>

BLACK HERITAGE, BRILLIANCE & FUTURES

This February, Aberfoyle, with all schools in the Upper Grand District, will be honouring Black Heritage, Brilliance & Futures Month - Celebrating Black Joy. This is a month of celebration and important learning, but it is important to note this work must happen throughout the year, not only in February.

The School Council will be hosting an “All things happy” dance on February 13th. Students will get a chance to participate by grade level (Kindergarten, Primary, Junior, Intermediate) starting with the Kindergarten students in the morning. Thank-you School Council for taking the time to host this fun event for students.

SKATING AT THE COMMUNITY CENTRE

We are excited to have yet again the opportunity to bring our classes to the community center for skating opportunities. Look for more information to come home from your child’s classroom teacher about their class time and date. Volunteers are always appreciated for these exciting opportunities for students! **As a reminder, all skaters require a CSA approved hockey helmet.** If your family does not have one, please connect with your classroom teacher to find out if the school has one that will fit your child.
