

Zach Foreman Memorial Fund For Flames Football and Cheer

**ZACH
FOREMAN**

The Lake Zurich Flames Youth Football program presents this award in memory and honor of Zach Foreman who died in a tragic accident on June 12th, 2007. Zach played for the Lake Zurich Flames from 2003-2006 where he displayed an amazing passion for the game of football. Zach was also an honor student and a respected young man in our community.

Respect, Spirit and Leadership were three of many great characteristics Zach exhibited on and off the field. This award is given to one 8th grade Flames Player who also embodies these traits.

Zach's legacy continues to remain strong within the Flames program. All donations in his honor will go towards providing financial assistance to families so that their child can participate in football or cheer. Scan the QR Code to donate to this fund!
