# Art & Design Homework

## Information for Students, Parents/Carers at Bexleyheath Academy

### Year 10 Art & Design | Term 6 Homework Overview

How do you communicate ideas in 2D within Art and Design?

Week	Exploration Question(s)	Activities
1	Why is it important to research and interpret a theme?	Students will research the theme of Event by exploring different images of different Events and how the term can be explored.
2	What are promotional materials and why are they important in relation to the design proposal?	Students will research different promotion materials and put these into a table analysing the different materials.
3	Why is it important to research the style and design of existing artists?	Students will research a range of artists that link to the theme of Events, analysing how they work and what they do within their work.
4	How can you develop an idea using digital techniques?	Students will create a minimum of 4 digital experiments related to their idea.
