

Story 87: Glitched

Chapter 1 Encountering A Glitch

It's snowing!

It's snowing? But, but, we never get snow in this part of Skylands!

This doesn't seem right at all...

I know, I can't flip this table because the ice has stuck it to the ground

No, no, not that... It shouldn't be snowing here, my scanners indicate that snow wasn't meant to be present this year at all

Oh well, at least we get to play in the snow Spee Reese!

Promise me now that you will never call me Spee Reese again

I promise Spee Reese

Wow, anyways this snow should not be here which means the disc has glitched

What disc?

The disc that runs Skylands!

We are run by a disc?

Yes, it is run by the Portal Master

Neato, but how is it glitched

I'm unsure as he normally keeps his disc very safe

It must be his fat sister and ginger brother

Let's just hope that no more glitches occur as snow isn't too bad

LAVA!

(Slam Bam runs to the HQ as lava falls from the sky)

Quick, run!

(Wrecking Ball and Spy Rise both run back to the HQ)

The glitches are getting worse, aren't they?

It appears so...

But, he always watches over us so he will know that something is wrong

Unless, he's at school

We're all gonna die!

(Slam Bam then stands still with his arms to his sides)

Oh no! It looks like it is affecting us now!

Why is he in that pose?

 When he was programmed he started out like that before he had animations

 I don't wanna end up like that Spy Rise

 He cannot move, think or do anything

 What can we do?

 We must find a computer!

 Why?

 So we can report the glitch

Chapter 2 Reporting A Glitch

 Oh yeah, this is so awesome

 Move Head Rush we need to use the computer

 NOOO!

(Spy Rise pushes Head Rush away and searches "reporting a glitch")

 All right, here we go!

 That's for Hearthstone...

(Spy Rise clicks the second result)

 That's for League of Legends

(Spy Rise keeps looking)

 That's for Skyrim

 That's it!

(Spy Rise searches "reporting a glitch in skylands")

 Here we are! Okay, what do you suppose we write?

 Dear, Portal Master of amazingness, Skylands is glitching at and Slam Bam is vegetable so please help us. Love from Wrecking Ball and Spy Rise

(Spy Rise types that in)

 Okay, now we enter this and...

(The computer then gets a blue screen and glitches out)

 No, we were so close! What do we do now?

 Looks like we need another computer!

 But that's our only one...

 Looks like we need to go to the city then

 It's weird we only have one, huh Spree Reese?

 It sure is Wrecking Ball, it sure is...

Chapter 3 Glitchy Skylands

(Wrecking Ball and Spy Rise leave the HQ)

It would be best that we hurry before more glitches occur...

Whoa, the floor is disappearing

Let's hope the city doesn't disappear or this will be bad

Oh no! Those Mabu are going crazy!

(Wrecking Ball and Spy Rise look as Mabu are flying about everywhere with their arms stretching and heads flopping)

That's scary! I don't wanna be like that Spy Rise

We won't be, as long as we get to a computer in time

We better hurry then

Look, there's Flynn's ship!

We can take it and get it to be city quicker

(The both board Flynn's empty ship and Spy Rise begins using it)

Wow, you are better than this than Flynn is!

Maybe I should do it more often

(The boat then jumps back to the island)

What the? We've gone backwards

The boat is glitchy too

Looks like this'll take too long... I've got an idea but it's risky

What is it?

I was thinking we could jump off the boat and hopefully glitch to the city

No, we could die!

We'll die here so it's worth at shot

Okay, we can try

Okay, 3...

(Wrecking Ball jumps and glitches to the city)

NOT YET!

(Spy Rise jumps after hit and misses the city and falls)

No, Spy Rise... He didn't die in vain... It looks like it's up to me to save everyone

Come quick! The city has gone crazy Skylander!

Chapter 4 Fixing A Glitch

I have no idea who you are though...

But, I need you to help me...

No, I'll do things myself without being next to strangers like you
(Wrecking Ball walks past him to the city)

What a bully

The city is melting! That means the computers will to so I must be quick!
(Wrecking Ball runs to library)

Does this library have a PC?

Librarian: No, but I have a few

No, I mean a computer...

Librarian: Oh, yes it does but it's in the back back bac ab ckak back bak kcab

No, she's glitching out!
(Wrecking runs to the room in the back of the library)

Wow, it's from 1999! How can I use this thing?
(Wrecking ball starts it up to find it being very slow and the library begins melting down)

Uh, come on, come on!
(It finally loads up)

Ew, Internet Explorer...
(Wrecking ball clicks on it and it loads the internet)

Okay!
(Wrecking Ball searches "reporting a glitch in skylands")

Here it is! What did I type in last time?
(Wrecking Ball types in "Dear, Portal Master of amazingness, Skylands is glitching at and Slam Bam is vegetable so please help us. Love from Wrecking Ball and Spy Rise." and then he sends the message)

Yay, I did it!
(Wrecking Ball turns around to see the library gone and the floor around him melting)

Oh no! Portal Master!
(Meanwhile)

BT: What's happening with my phone?

PM: That's the app I put on so I could stay on contact with the Skylanders

BT: But, they're toys

PM: No no, they have their own lives in Skylands... Just let me see the app
(BT gives PM the phone)

PM: Oh no, Skylands is glitching! I must get home quick

BT: What? You're in school and they're just toys

PM: Screw school, this is more important

(PM breaks out of school and runs home to find his ginger brother messing around with Skylands disc)

PM: YOU BUTTHOLE!

(PM launches at the ginger and quickly defeats him)

PM: They should be save now

(Back in Skylands:

 AAAHAHHA... Huh?

(Wrecking Ball looks around to see the floor and library back to normal)

 All right, he fixed it!

(Wrecking Ball goes out of the library to find Spy Rise on the floor)

 Come on Spy Rise, let's go home... How are you here any ways?

 I actually landed on the city but I glitched to die

 Nice

Story 88: Makeup Sucks

Chapter 1 Mags Is A Derp

 Oh, this makeup is so good

(Mags puts a bunch of crap all over her face)

 Oh my god, I look amazing!

 You totally do girl!

 Yeah, you rocking it!

 Thanks girls

(Gusto begins walking near Mags, Flashwing and Roller Brawl)

 Ugh, he's so fat and ugly

 I 100% agree Flashwing

 Hey, what did you just say?

 We said that you're fat and ugly

 Why would you do that? I don't talk about your awful makeup!

 How dare you call our makeup awful

 But you all look like clowns

 Oh hell nah, you men just like to put us women down don't you?

 You bullied me first

 Men are just jealous of our beauty

 I don't wanna be a clown though

 Just get lost fatso!

 I'm gonna tell Snap Shot on you!

(Gusto runs away crying)

 We sure showed him

 Don't you think that was a little mean

 He called us clowns

 You two kinda do look like clowns

 What about your make up Roller Brawl? It's like, awful

 I don't want to over do it, I only put a little on

 No, until you can look amazing like us you may as well be alone loser

 Yeah, get lost!

(Roller Brawl leaves)

Chapter 2 Hating Men

 Men are just so stupid! They don't think with their brains

 Totally, they're like, all stupid

 What's this talk about you being mean to Gusto?

 Get lost Snap Shot!

 Why?

 We don't need to listen to men any more

 If they're your leader you should

 We ain't having you or Spyro as a leader

 You kinda look like clowns

 I see the jealous look in your eye

 I don't want to be a clown...

 We're not clowns! We are beautiful, sexy and amazing women

 How could you get a three wrong?

 Flashwing, show him who's boss

(Flashwing and Snap Shot engage in battle with Flashwing shooting a shard at Snap Shot)

 AHHHG

(Snap Shot gets ready to fire at Flashwing)

You can't hit a girl!

What, why?

Because they're not as strong as men

So? she engaged in battle with me

That's it! We are taking with to the Skylanders HQ dinner room!

Chapter 3 Lesson Learned?

I have called everyone here today to discuss an awful matter

I don't care about the awful matter, I was eating my cheese sandwich and all of a sudden I have to go here and I'm thinking what the hell?

Be Quiet, I'm here discuss the problem of men thinking they're better than us, men thinking they can hurt us and men judging us by how we look!

Save it Mags, you cause most of the problems yourself

I can't help the way I look!

Yes you can, just don't wear so much makeup so you look like a clown

I don't look like a clown

(Mags pulls out a flame thrower)

Prepare to die, men!

(Stealth Elf jumps up to face her)

Since you're too scared to fight males face to face, fight me

Go Flashwing!

(Flashwing and Stealth Elf engage into battle with Stealth Elf cutting her face instantly and making her run away crying)

Come on Mags, unless you are afraid

Uh...

(Mags runs away as Stealth Elf chases after her)

Stay away from me!

You know you're wrong!

(Stealth Elf catches up to Mags and grabs her)

Now, will you change your ways?

Never...

(Mags then spits in Stealth Elf's face and then Stealth Elf cuts her face repeatedly and then Stealth Elf returns to the dinner room)

 I have an announcement to make, you see the majority of women seem to be too focused on their looks rather than their talents so I what like to request that we ban make up in Skylands to prevent women from being total buttholes

 Done job, Stealth Elf... All the make up stores will be replaced with stores that help people find their inner talents
(All Skylanders cheer)

Story 89: Examples Of Love Chapter 1 Love?

(In the Skylanders dinner hall)

 I just can't with being without her...
(Flameslinger stares at Smolderdash)

 Are you serious? That was in June 2014! In fact this is your first appearance since then

 But I love her

 I thought you loved Stealth Elf

 No, I'm over her... I just want Smolderdash

 Look, Flameslinger if she doesn't love you back it's not true love and you should move on

 No, Smolderdash is my only love and if not her, no one else

 That's pretty sad

 Be quiet, Shroomboom...

 Let's go Shroomboom

 For me, I hate Flashwing after what she did... She broke my heart and went for Dino-Rang, but instead of crying about it, I had fun with it and tried annoying them and stuff

 Remember when you began to kiss and stuff with Flashwing last month?

 Hey, that's because the fizzy pop you had was evil

 I guess we have learnt that all fizzy pop is evil

 I think I'll get back at her again

 Hi Bash, I think you should leave Flashwing

 Back off pig!

 I'm not here to fight, I broke up with her a while ago

 You did?

 Yes, I saw a personality change in myself and I knew she wasn't right for me

 All right, I just gotta go...
(Bash runs away)

 You okay Spyro?

 Spyro, are you gonna answer us?

 I think something is wrong with him

 Yeah, he's grown a beard

 And he was a beard because?

 He hasn't he shaved?

 Yes, and why hasn't he shaved?

 Because he wants an awesome beard!

 No, because Cynder is in a coma

 All right, let's go save her!

(Trigger Happy runs away)

 No, you can't just do that

(Gill Grunt chases after him)

Chapter 2 Final Decisions

 Flameslinger, you must go tell Smolderdash how you feel

 But, what if she says no?

 That's her decision

 I need to think, I'll decide later...

(Meanwhile)

 Hey, Flashwing

 What the hell do you want Bash?

 I was just wondering about you and Dino-Rang, how are you two doing?

 I broke up with him...

 Oh no, really? Aw... All I have to say is if you need anyone I'm here for you

 Bash, I know what you are trying to do and it's too late

 Huh, what are you talking about?

 What's going on here Flashwing?

(Bash runs out screaming)

 That'll teach him

Thanks for the 3.50

(Meanwhile)

Wake up Cynder, wake up Cynder, wake up Cynder,

That won't work, she's in a coma Trigger Happy

Leave her alone!

What if true love's kiss will wake her up?

What, that's crazy

No Spyro, Trigger Happy may be onto something here!

But, who says I'm her true love? And even if I was it wouldn't work

No harm in trying, right?

(Spyro then kisses Cynder for the first time)

See, nothing... She'll never wake up

(Spyro then walks away)

Oh no...

At least we tried Triggs

(Meanwhile)

Smolderdash, I need to tell you something...

What is it Flameslinger?

I... I... Lo...

Just stop right there, I'm sorry to tell you but I don't love you

Wha...

I don't love any one, I want to be alone

(Flameslinger falls to his knees)

I'm sorry

(Smolderdash walks away)

Come on Flameslinger, life isn't all about love... It's about you and your friends, love isn't for everyone and you shouldn't let it control your life

(Stealth Elf offers his hand out to Flameslinger which he grabs)

Come on, we'll go see the others

Story 90: Malefor's Wrath

Chapter 1 The Search For Kaos

(In the Skylanders HQ Attic)

 I think it's about time we look for Kaos

 Spyro, you shaved your beard!

 I've left this far too long and we must find Kaos before Malefor does

 What will Malefor do to him?

 He'll kill Kaos and everyone else

 Maybe Malefor's not such a bad guy, I mean he had his bro murdered and murder is bad

 Wrecking Ball, Vathek was evil, Malefor is evil and as far as we know Kaos isn't as evil any more, which means that they deserve to die

 No one deserves to die, we all deserve second chances, like Kaos...

 You're too young to understand so I suggest you leave
(Wrecking Ball walks downstairs)

 Wrecking Ball does has a point about the second chances...

 The point is that Malefor is currently evil and doesn't deserve a second chance even if he were to change... Anyways, I'm sending you two as well as some back up to look for Kaos and bring him here, you understand?

 Yes, Spyro...

 Yeah...

 Okay good, I'll be sending Tree Rex with you
(Later)

 So where does Kaos normally stay?

 He normally stays in the Outlands

 I hope Malefor doesn't kill us all

 We always manage to survive but... At some point we may not be so lucky

 Yeah but, even if we do die we normally return later

 Not every death has a solution

 But can't Ninjini wish anything?

 Not everything, only things that aren't to do with life

 Hasn't she done stuff like that before though?

 Yes but times have changed and so have rules

 What does that even mean?
(Tree Rex doesn't answer as they make it to the Outlands)

 There's Kaos' Kastle?

 He must have built it recently

(The knock on the door)

 Are we seriously knocking on the door of Kaos?

 For now Kaos is an ally, bursting in would be no good

 Come in...

(They walk in)

 Kaos, we need you to come with us

 And why's that?

 Spyro needs you to sort out the whole Malefor, Vathek situation...

 I'm not leaving...

 Kaos we're not asking you, we are telling you to come with us now!

(A giant black hole appears on the ground and begins pulling the Skylanders in)

 He's a traitor!

 Looks like Wrecking Ball may have been wrong about second chances

(Trigger Happy and Gill Grunt fall in while Tree Rex manages to walk on until the intensity is too much and he also falls)

 Sorry this had to happen but, it's my duty

Chapter 2 Kaos Fury

(At the Skylanders HQ)

 Where could they be? They've been gone for two hours now...

 Something may have gone wrong

 Maybe, you're right... I'll need send another group of Skylanders out there to find Kaos

 And what if we end up like the first, huh Spyro?

 You won't because I'm giving you a communicator to keep in touch with me

 Yay, give give!

 No, not you Eye-Small, I'm giving this to Kinght Light

 Okay, come along Cobra Cadabra and Eye-Small!

 I should be leader

 I'll be on alert for danger

(The Skylanders set off on their journey)

(Meanwhile)

 Where are we?

 I think we're under his room...

 It seems this vortex sent us below his room instead of the usual another dimension

Where's Kaos though?

I think he's talking but I can't hear him

So, what do we do? How do we escape?

I guess we wait for help to arrive

(The second group of Skylanders burst through the door and they see Kaos on the ground coughing)

Kaos, what happened?

The... The... Skylanders attacked me and they are on their way to help Malefor

What do you mean? They'd never do that!

They must be under Malefor's control

What a flipping liar!

Looks like Kaos has a plan

We'll help you fight Malefor but we need you to come to the Skylanders HQ

Okay Skylanders, I shall...

(The four walk off as the others are still trapped below Kaos' Kastle)

Well, that's just fantastic

No it isn't Gill Grunt!

I was being sarcastic you moron

You two calm down! Now, there has to be a way out of this!

I've been here for a while, there's no way out

Chapter 3 Malefor Begins The Hunt

Glumshanks, I thought you were dead!

I was...

And how are you alive now?

I'm not sure... I died in January 2014 and ended up here some how

That doesn't make any sense...

(Meanwhile)

Kaos, Malefor is coming for you and we need to lure him here and then we'll ambush and defeat him

Yes, Spyro

Why'd you have to kill Vathek

He had to pay for his crimes and what better way than to rid him off of Skylands?

 Understandable, but I'm sure there could have been a different way of doing so

 I suppose you are right Spyro... Although, you could have stopped me instead of letting me leave

 Back then I didn't care and I didn't know that Malefor would return and now Cynder is gone

 I'm so sorry, it must be my fault that Cynder is dead

 Cynder isn't dead! She's just in a coma...

 Oh, I'm sorry for my mistake... When will she recover?

 We don't know, it might be never

 We'll make Malefor pay, I swear it!

(In The Underworld)

Malefor: It's time...

(At the Skylanders HQ)

 MALEFOR'S COMING! Quick, Knight Light get everyone ready for attack!

 Will do!

 Okay, I'm ready!

 No Kaos, you go downstairs to the basement while we fight

 As you wish

Chapter 4 Plans

 How the heck do we get out of here? We need to stop Kaos!

 Maybe if we climb high enough we can escape! There's never been four people here before

 That could work, someone get on my back

 Okay

(Gill Grunt climbs on Gill Grunt's back)

 I should go on last as I know where to go around this place

 Okay now get on Trigger Happy and then Glumshanks

 I won't be able to hear you down here though and there's no visible hole up there

 You need to find out how Kaos made the black hole appear up there and then you must pass down a ladder so we can climb out

 Kaos has lots of ladders we can use!

 Yeah, because he's so short

(Trigger Happy climbs up and then Glumshanks escapes)

Okay, I've found a trigger and I'm gonna try it!
 (Glumshanks tries the trigger and it moves a picture frame around to reveal Kaos' plans)

Oh my lord, they have to see this!
 (Open searching Glumshanks manages to open the black hole and retrieve a ladder to save the Skylanders)

Now that that's done with, let's go beat the crap out of Kaos!

He's at the Skylanders HQ and maybe Malefor might be there too

We must get there before Kaos tries anything

Skylanders, I found his plans...

(At the Skylanders HQ)

Malefor: Come out KAOS!

Kaos you stay here while we get ready to ambush him!

(Malefor rips open the Skylanders HQ roof)

Skylanders go!

(Every Skylander there but Wrecking Ball attacks Malefor and then he screams in pain)

It's working! Kaos, where are you?

(Spyro looks around for Kaos)

KAOS!

(Wrecking Ball walks outside near Vathek)

Wrecking Ball, what the hell are you doing? Get back before he kills you!

Malefor, this isn't right and you know it!

Malefor: Tell them to stop!

EVERYONE STOP!

No, everyone get firing until he's down!

NO STOP!

(The Skylanders begin to stop)

Malefor: Please, no more

(Malefor then hit Wrecking Ball and he flies in the air until landing face first unconscious)

Wrecking Ball?

(Spyro runs to him as Malefor destroys the HQ)

Chapter 5 The End Of Chaos?

Malefor: Now I put an end to the Skylander once and for all

As do I

KAOS YOU TRAITOR!

Boo hoo, go cry about it in death

 What do you want from us?

Malefor: I haven't forgot what happened to me all those years ago, my life has been a misery and now I must destroy all of yours

 But Kaos killed Vathek

Malefor: Vathek meant nothing to me!

 I neither do you...

(Kaos busts Malefor's knee cap on one of his back legs as he falls to the ground and lets out a scream of pain)

Malefor: WHAT IS THIS KAOS?

 You can never trust me!

(Kaos sends out giant Doom Sharks that can rip the body to shreds and they do just that)

 You, you murdering monster!

 And now Spyro, it's about time I finally killed you, I've waited a long time for this!

 Kaos, stop!

 How did you escape?

 Gill Grunt, Tree Rex, Trigger Happy what the hell is going on?

 It's a set up, Kaos locked us up in a black hole and he came to betray you

 We found his plans and he knew all this would happen ever since pretending to be good!

 And now you see why I'm the true villain of Skylands!

 Not if I have anything to...

(Kaos uses an Undead element to defeat Trigger Happy quickly)

 Stop this Kaos!

(Kaos then defeats Glumshanks, Tree Rex and Gill Grunt with ease)

 Only two left standing, DOOM SHARKS!

(Spyro jumps in front of Wrecking Ball before they hit but is left undamaged)

 What the?

(Spyro sees Kaos on the ground with Cynder standing over him)

 Cynder!

 Spyro, just get over here!

(Spyro and Cynder then begin to kiss as they assume Kaos is defeated)

 This is not how it ends!

(Kaos pulls out a dagger and stabs Spyro)

 NO!

(Cynder claws Kaos' face as he bleeds all over)

 AAHAHA

 No... Second... Chances!
(Wrecking Ball sticks his tongue out and swallows Kaos as he burns inside his stomach)

 Spyro? Are you okay?

 He's... He's....

 Spyro, NO!
(The next day)

 Today we are here to show respect towards our fearless leader Spyro who didn't deserve to go so soon
(Spyro is cremated as the Skylanders watch over)

 What happens now?

 We carry on with our lives and... Make Skylands a better place

 And what happen's to me?

 You shall stay

 Spyro may be gone but he will forever live on in SKYLANDS!

 Spyro, I don't know if you can hear this but I love you...

Story 91: Skylands Without a Leader

Chapter 1 Moving On

(In the Skylanders HQ Meal Room)

 Cynder, are you okay?
(There is no answer)

 Look, I know life can be very hard sometimes but you have to keep moving forward
Cynder

 No point moving forward to death

 Cynder, let's be honest here okay? You wasted your chances to be with Spyro a long time ago! It was obvious he loved you and you did not give him love back and now he's dead!

(Cynder gets up as if she's ready to attack Hex)

 Calm down Cynder!

 Hex, you should really watch how you say things

 What? He's dead, dead, dead, dead!

(Cynder then pounces at Hex as she is pulled off by the other Skylanders and walks away)

 Ow, what a...

 Hex are you really that stupid?

 No?

 It seems you are...

(The other walk away)

 At least I'm not ugly!

(Meanwhile Spry is crying)

 Come on Spry, it'll be okay!

 I would wish him back but It'll probably kill me because derp

 I know guys, we can have a funeral for him and...

 We did have a funeral for him

 In that case we can bring him back to life!

 How are we meant to do that?

 Um... Find a magician!

 No, Bop must magicians are frauds

 Magic exists though!

 Yes but magic can't bring back life unless it's a wish but a wish isn't always aloud to do such things

 But why?

 I'm not sure, let's ask Ninjini

Chapter 2 Going Back To Normal

 Ninjini?

 What Drobit?

 Why can't you use your wishes to save Spyro?

 I can no longer wish with anything to do with life without risking myself

 So you could before?

 Yes I could do so before and you cannot do it either since you're a smaller version of me

 Problem solved, let's go play ourselves!

(They all run away)

 Why do I do this... No, I'm not going to bring him back... Am I?

(Meanwhile)

 Cynder, you cannot keep running away from your problems, you need to talk with me

 Like you would know anything about love

 I don't love anyone I know but that doesn't mean I don't anything about life and moving on

 Tell that to Spyro

 Look Cynder, instead of crying about it you should be thankful for his sacrifice and use the life he's giving you instead of being a selfish idiot
(Stealth Elf walks away)

 Stealth Elf what did you say to her?

 I told her to sue her life instead of thinking about herself

 Spyro is the greatest dragon I ever knew, the greatest leader and the greatest Skylander... But, we all need to accept that no one will last forever and this will happen to us all in some way or form
(Cynder is listening in)

 It just so happens Cynder was effected first but then again so were all of us and I'm sure Spyro is proud of us and want us to move on
(Cynder walks out)

 You guys are right, I'm selfish to think I'm the one most hurt that Spyro's gone but he wouldn't want this, he'd want us to live on and do good for everyone

 Wherever Spyro is right now, I bet he's watching over us...

Story 92: Anything You Want

Chapter 1 The Report

 Any missions yet Trigger Happy?

 Nope, there's not really any evil any more...

 Well, are there any missions on other things?

 There's been a recent report about a magic energy source that has been said to bring anything to the founder

 What do you mean?

 I'm going by the report and that's what it says

 Wait, we have a possible chance to get Spyro back?

 I suppose so yes

 Where is it?

 Inside the City Island

 Okay, I'll need a crew to come with me and we'll set off to dig

They might not let you

I'm a Skylander, they can't stop me
(Wrecking Ball runs to find people to help)

Rocky Roll?

Yes Wrecking Ball?

I need you to come on a mission with me to dig a hole under the city

Okay, roll with it!

(Wrecking Ball and Rocky Roll then recruit Echo, Spotlight and Blackout)

Okay, I have taken you new guys to get you more mission time and experience, okay?

Yes

So let's get going!

Why?

What?

Why should I have to go somewhere to dig?

I just need a little extra help to...

I don't care about saving Spyro

Hey, you watch what you're saying Blackout!

I'm not giving in to the illusion that Spyro was a hero of any sorts

He was a hero and a damn good one at that, so you sit down and shut up... On second though stay here while we go... Come on guys
(The Skylanders leave without Blackout)

Anything You Want

Chapter 2 Area

Okay guys, here we are... I negotiate with the city people while you guys get digging

I'm not too good at digging though

Make good music for Rocky Roll and Spotlight to listen to then

Don't play anything awful

I never ever do Spotlight!

Where's the gold?

Rocky Roll, we aren't looking for gold we're looking for a magic source

Oh, that makes sense

(Meanwhile)

 Hello there... I'm here to discuss my group of Skylanders digging in your fine city to find a...

 King: Enough talking, I don't need to listen to you Skylanders... I can make my own decisions and in fact you are under arrest from breaking into my city

 What? But there's no law about that

 King: Well, there is now
(He writes down the new law)

 King: You gonna cry kid?

 You'll pay for this
(His guards take Wrecking Ball away)

 Wrecking Ball has been gone for a while, maybe we should look for him?

 You can but Rocky Roll needs to keep digging

 This is my life, this is my dream!

 Police: Down on your hands and knees Skylanders!

 But my partner here doesn't have any hands and knees

 What's going on here?

 Police: By new law you have all broken the law by entering the city illegally

 What? You can't do this, we're are Skylanders!

 King: And there's nothing Skylanders can do about it

 We can fight!
(Echo uses her Siren Scream and begins defeating the Mabu Police)

 King: Stop them!
(A battle begins between the Skylanders and the Mabu Police)

Chapter 3 Corrupt World

 You guys finish them off while I find Wrecking Ball!

 Okay!
(Spotlight enters the City Hall)

 Wrecking Ball?

 King: He's in jail just like the rest of you filthy Skylanders should be

 What is wrong with you?

 King: I'm the smart one here, I know that the Skylanders are corrupt and will fall because of it

 You're wrong, the Skylanders will never fall

 King: We'll see...

(The Mabu King pulls out a knife)

 King: I will put an end to you and your friends!

 We'll see about that

(Meanwhile)

 All the Mabu are defeated!

 Yay, let's get the magic energy source... Where is it?

 That's as far as the ground is

 So, it's not here?

 I thought I saw it

 I did too...

 Sometimes in life you have to think about the bigger picture

 Blackout, what're you doing?

 I'm taking this away from you

 Why are you doing this?

 Because I can

(Blackout flies away)

 Time to finish you!

 King: No, please have mercy I... I'm too weak please don't hurt me any more

 I'm so...

(The Mabu King lunges at her with the knife but she dodges and defeats the Mabu King)

 Wrecking Ball!

(She lets Wrecking Ball out)

 They're messed up people

 I totally agree

(They go back to the digging spot)

 Where's the magic source?

 Blackout stole it...

 BLACKOUT STOLE IT?

 He took when we were fighting the Mabu Police

 Well, where is he? We can take it back!

 I don't know where we went!

(Blackout appears on the roof of a building)

So this can grant me anything huh? Too bad I don't need anything...

(He throws the source off the island and into the air)

WHAT THE? BLACKOUT YOU'LL PAY FOR THAT!

Like I ever will

(Blackout flies away)

Spyro's still gone because of him...

Why would he do that?

I don't know but it looks like he has fallen

Story 93: Super Mini Mission

Chapter 1 Preparation

It's 6 A.M. time to wake up!

(All the Minis wake up and wonder around the Skylanders HQ in groups, the Air, Fire, Life and Undead Minis go downstairs to the Dining Hall)

You're awake, Wrecking Ball?

I'm always awake at 6 A.M.

But I never have seen you awake now before

I'm normally just playing video games in the attic

So who else is awake now?

Normally just me, you minis and sometimes Hot Dog, Shroomboom and Pop Thorn...

Everyone else just stays asleep until later

Why doesn't Whirlwind wake up at 6 A.M.?

She wakes up at 8 A.M. normally

Why do you know when she wakes up?

There are security cameras set up all around the HQ you know

Right...

I think we deserve a mission Wrecking Ball!

Hmm... A mission... I think you deserve one too but I'm not sure what there is right now

Who makes the missions?

It used to be Spyro but I think Trigger Happy is the mission maker now but he's asleep

 What if there was an urgent mission right now and it would be too late in an hour?
Someone could be beaten up without helps!

 That makes total sense Eye-Small... I guess I'll check the news
(Wrecking Ball puts on the TV and there's a report on)

 Reporter: Here in the city there have been muggings recently with the resigning of the king, now there's chaos and crimes all over...
(Wrecking Ball mutes the TV)

 That was probably out fault so I'm sending all the Minis on a secret mission to save the city from evil!

 YAAAAAAAAAAAAAY!

 Okay, you gather up the other Minis and you must all go and stop any crimes you see, okay?

 Yes sir!

Chapter 2 Mini Separation

 So this is the big city?

 It's amazing! I'm glad Wrecking Ball let us come here

 But guys we are all alone without our masters!

 Doesn't matter, walked in the city

 What if we are beaten up and no one can help us!

 Wrecking Ball clear trusts us as he knows we can beat these criminals

 I don't know...

 Lighten up, we got this!

(The Undead, Fire, Life and Air Minis go around a corner while the others go to a nearby ice cream van)

 I'd like a strawberry ice cream please!

 Guys, we shouldn't be doing this

 It's okay, we're Skylanders!

 Ice Cream Van Owner: Skylanders eh?

(He whispers to the criminals in the back as they jump out, grab all the Skylanders and place them inside the van)

 I knew this was a bad idea!

 You don't even have ice cream...

(Meanwhile)

 Where's the others?

 Oh no they're back round the corner
(The Minis go back to see the ice cream van drive away)

 I bet they went for ice cream and were taken by criminals

 We better go rescue them!

 Maybe they were taken for a look inside
(The van drives away)

 I guess not then...

Chapter 3 Mini Win

(The Magic, Tech, Earth and Water Minis awaken to see Mabu Criminals looking at them with themselves chained to a wall)

 Let us go!

 Criminal Leader: You ain't escaping any time soon Midgets

 We're Minis not Midgets!

 Criminal #1: Midgets, Minis same thing

 We may be small but we are powerful

 Criminal Leader: Powerful, powerful enough to escape those chains?

 Maybe not in strength but in powers

 Criminal #2: Whatever you say kid...

 Where's my bottle and swords?

 Criminal Leader: I run tell my gang to use them but it looks like they're worthless
(He snaps one of the swords)

 WHAAAA!

(Meanwhile)

 This looks like the place

 How do you guys suppose we get in?

 I'll fly up to the ceiling and shoot air at their fat faces while you guys break through the wall and save the others

 What if they are dead?

 What kind of question is that?

 Never mind...

(Pet-Vac flies on top the abandoned warehouse where he shoots air at the criminals while they go outside to climb up)

 I'll burn the wall!

(Weeruptor throws a flaming blob at the wall to make a hole which they get in)

Yay, you guys found us!

Excellent!

Well, I have 100% right wasn't I everyone? Random ice cream vans aren't safe

Whatever Bop...

Everyone back out of the hole!

I just need to do something first...

(Drobit does to a corner, does something and then leaves)

We need them to go back in there for a surprise

They'll pay for breaking my sword

Where's Pet-Vac?

You want some? Come get some!

(The criminals run towards Pet-Vac as they fall throw glass into the warehouse as it explodes and Pet-Vac jumps off safely)

What the heck did you do Drobit?

I planted explosives and now they are no more!

Well then...

(Later at the Skylanders HQ)

We're back!

So, you exploded a warehouse that was next to a school?

It was Drobit, tell him

MISSION SUCCESS!

Story 94: Lost Wrecking Ball

Chapter 1 Promotion

(In the Magic Bedroom)

Wrecking Ball wake up!

What time is it?

5 A.M.

I wake up at 5 A.M. sometimes but not today, you're not normally up now, why do you need me?

We are giving you a promotion of sorts

 A promotion, for what?

 There's a spot now open on on the Skylanders Elite Council

 I've never heard of this before, is it new or...

 No, it has been a secret and there are only eight members which are me, Gill Grunt, Eruptor, Chop Chop, Terrafin, Stealth Elf and Whirlwind.

 And there's a spot open for magic because of Spyro...

 He was our grand master and maybe you'll be able to take that role

 Why me and not Voodoo or Double Trouble

 You have done more for Skylanders than anyone alive so it had to be you over them

 Okay, where is the council?

 In a secret underground tunnel underneath the basement

 Wait, don't the Giants have there own council thing?

 Yes, but there's is publicly known as a Giants council while ours is only for Elite Core Skylanders and remains a secret to the public

 I'm ready to go now

 Let's go!

(The two travel downstairs into the basement where they go through a secret tunnel leading underground)

Chapter 2 Inward Journey

 Welcome Wrecking Ball

 You guys think I'm worthy of being elite?

 After everything you've shown since joining the Skylanders we've seen that you are indeed worthy of the being an elite Skylander

 You're not like every other Skylander, there's something special about you

 With that being said, why wasn't I here before?

 What do you mean?

 If I am indeed special and worthy why am I only joining the elite group now?

 Because before there wasn't space available...

 I see what this is, just because Spyro died to want something to fill in gap and not because you think I am worthy

 It's not like that Wrecking Ball

 No Terrafin, it is. I'm not taking this position. I'm leaving.

 But you know of the elite group

 Let Wrecking Ball go, we aren't forcing him to do anything
(Wrecking Ball leaves the tunnel and goes upstairs)

 Wrecking Ball what where you doing in the basement

 It doesn't matter, what are you doing awake?

 I just woke up early I guess, I felt like getting up and getting yoghurt

 I feel like ever since Spyro died everything is messed up...

 What do you mean?

 I don't know but without Spyro the Skylanders seem...

 Seem what?

 I just need to search for a little while

 Search, for what?

 Myself
(Wrecking Ball goes outside)

Chapter 3 False Worlds

(Wrecking Ball sits down on grass and begins to think about himself and the world)

 I wonder what it would be like if things were different, if Spyro didn't have to die

 Wrecking Ball, what are you talking about?

 SPYRO!

(Wrecking Ball hugs Spyro)

 How are you alive?

 What do you mean? I was born and then I lived

 But Malefor, he killed you

 Malefor? Nah, he's still in the Underworld

 But he escaped and wreaked havoc

 I don't know here you are getting these ideas from but you should start eating

 Wait, this is the Dining Hall
(Wrecking Ball begins to eat)

 No, this isn't what happened, this isn't what the world was meant to be!
(Wrecking Ball's vision switches to a different world)

 Help, help...

 What Spyro?

I'm dying...

What do you mean? You all ready died, I don't understand this

Would you rather have me back just to see me die again?

But it wasn't your time...

And you are the one to decide that?

No... It's not my choice...

Chapter 4 Blackout

I don't decide anyone's fate

???: But I'll decide yours

(Blackout pounces out from nowhere to try and attack Wrecking Ball but he dodges)

Blackout, what the heck are you doing?

I'm putting an end to you and your little game

You'll pay for taking the magic source!

I will decide you fate as Spyro's was decided

My fate will not be decided today

(Wrecking Ball swings his tongue at Blackout as Blackout dodges)

You cannot beat me, you are weak

I don't know why you'd betray the Skylanders but I'm not letting you get away with it

(Wrecking Ball forms his Forcefield Ball and charges towards Blackout)

Foolish

(Blackout throws his Shadow Orb and stops Wrecking Ball it mid roll)

That won't stop me Blackout, I don't give up easy

We'll see...

(Blackout plants a Black Hole which Wrecking Ball falls into)

Fell the power of Blackout!

(Wrecking Ball swings his tongue out to grab a nearby tree)

Your Black Holes won't hold me

If they can't to the job, my wings will

(Blackout starts slashing his wings near Wrecking Ball as he dodges them)

You will not escape me

(Wrecking Ball hits Blackout with his Forcefield Ball and then Tongue Whaps him)

Give up Blackout, traitors never win

So you think

(Blackout launches a Shadow Ball which Wrecking Ball eats and spits out at Blackout to defeat him)

Wrecking Ball what happened?

Blackout tried to sabotage me, we'll take him to the HQ and question him

Story 95: Battle Lines

Chapter 1 Battle Of The Cloudbreak Islands

Get down!

(The Skylanders duck behind a barrier)

What's happening?

The Greeble army is coming

Greebles? They're easy to take down

Not quite, they have giant Greebles and there's hundreds of them

So the Greebles have a king and an army? That's just great

We need to alert the others Skylanders as fast as we can... We'll need a group of us to defeat the Greebles

(Doom Stone and Punk Shock get up to with until they see Greebles coming from behind them)

They've cornered us

Greeble: Lay down your weapons!

Do as he says

(Doom Stone and Punk Shock put down their weapons, then the Greeble King confronts them)

Greeble King: So, this is all they send to fight the mighty Greeble kingdom? HAHAHA!

No, there...

(Doom Stone taps Punk Shock and makes her stop speaking)

Yes, we should have brought more Skylanders with us, we underestimated your army...

Greeble King: Hah, fools! Greebles, take them to their prison cells

(Doom Stone are taken away in chains by Greebles)

(She whispers) Good plan, lying to them about how many Skylanders there were

Now all we need to do is wait for the others to find out what has happened here

Chapter 2 Rescue Mission

(At the Skylanders HQ)

 Trigger Happy, I have received word from Flip Wreck and Fling Kong that Punk Shock and Doom Stone have been captured by the Greebles and the Greebles took our base

 Where are Flip Wreck and Fling Kong?

 They left the base as they saw the Greebles entering

 We must send some Skylanders to aid them

 Not gonna happen, there are hundreds of Greebles surrounding the Cloudbreak Islands

 We should have sent more Skylanders on the mission

 There's not much we can do to help, let's hope they have a plan
(Back at the Cloudbreak Islands)

 Fling Kong, what did Wrecking Ball say?

 He said there's nothing they can do as the Island is surrounded by hundreds of them?

 Why don't they take a ship and shoot them all?

 There's far too much civilians on the island and they'll be put at risk

 We can't beat them by ourselves

 We won't, we'll save Doom Stone and Punk Shock

 That won't enable victory for us

 I have a plan that I will explain as soon as we rescue them

 We could fail and be captured ourselves

 We can only hope that won't happen, can't we?

Chapter 3 Prison Break In

(In the Greeble's base)

Greeble: Get in your cell Skylanders!

(The Greebles push them in the cell)

 Can I have some water?

Greeble: No, be quiet prisoner

 (He whispers) Water, Punk Shock?

 (She whispers) So I could electrocute them, I'd spill the water outside and then I'd send an electric current through with my tail

 (He whispers) Looks like we have to just wait here for help, look for a vent

 (She whispers) A vent?

 (He whispers) Yes, there's normally vents in prison cells

(They both look around)

 (He whispers) Looks like they have finally learnt from their mistakes

(Outside on the battlefield)

 Chances are they'll have someone on lookout so we'll need to sneak through here fast

 We can climb these walls

(Flip Wreck points to walls on the side of the battlefield)

 You can climb but I am going to fly in style

(Fling Kong flies while Flip Wreck climbs the walls towards their base)

 Where do we enter?

 It's a pretty large base, I suggest we make a hole on the roof and hope no one is below that hole to find us

 It will take a while to find the prison area

 Right you are, but it's our duty

(They make in to the enemy base without being spotted by jumping on the roof)

 Stand back, I'm going to throw my disc at it to break a hole though...

(Flip Wreck hits the roof and a hole is made which Fling Kong falls through but lands safely)

 Flip Wreck! I was going to make the hole

(Flip Wreck jumps down the hole)

 You were way too slow at doing it so I thought I'd do it

 No one's here, great!

 Looks like we're in the medical bay

(Fling Kong points to a door)

 And that door says prison on it so lets go

Chapter 4 Ending The Battle

(Fling Kong and Flip Wreck burst through the door)

Greeble: Hey, more Skylanders!

(Fling Kong and Flip Wreck then quickly defeat all viewable Greeble with their weapons)

 That was just too easy

(They open the prison cell door for Doom Stone and Punk Shock)

 Okay, we couldn't get any help but I have a plan to defeat the Greebles

 And what is the plan Fling Kong?

 Capture their king

 And that's your plan?

 Chances are they'll do as he says, if we can capture him and make him stand down his forces we'll win

 And if he doesn't tell them to stand down?

 We punish him

(In The Greeble King's Throne Room)

Greeble: Sir, the Skylanders have broken out of their cells but we are unsure how

Greeble King: Send some Greebles to recapture them then, you idiot!

Greeble: Yes sir... Aaaaha!

(The Skylanders burst through into The Greeble King's Throne Room as the Greeble runs away)

Greeble King: Go big Greebles!

(To large Greebles then head towards the Skylanders)

Me and Fling Kong will take care of one while you guys take care of the other

(Both teams split up and attack as the Greeble King picks up a communicator)

Greeble King: Quick my minions, the Skylanders are here and you need defeat them!

Not happening!

(Doom Stone gets to the Greeble King and takes back his and Punk Shock's weapons as the other Greebles burst into the room)

Greeble King: Quick, kill them!

I wouldn't tell them to do that if you want to live

Greeble King: Stand down, stand down Greebles!

Tell the Greebles to leave this island and maybe we won't put you in jail

Greeble King: Um... Uh...

(The Greeble King makes a run as Fling Kong flies into him and knocks him to the ground)

Greeble: What are our orders?

The Greeble King wanted me to tell you that he hates you all and his last command if for you to beat the hell out of him

Greeble: Really?

I heard that too

Greeble: Greebles, charge!

Stupid, Greebles...

(The Skylanders leave)

Fling Kong, report to the HQ to send Skylanders to capture the Greebles and pick us up

Will do!

Looks like we owned this mission

And we finally can go home

Story 96: The Magic Source

Chapter 1 Questioning

Blackout, what did you do with the Magic Source?

I will never tell the Skylanders what I have done

Why?

I have not done the world evil, I'm saving it from the corrupt Skylanders

I don't know where you heard that crap from but the Skylanders are in no way corrupt, we want to bring justice and peace

What you say is a lie...

And who made you think that Blackout?

My master, he has shown me the truth of Skylands and what will happen to the Skylanders

Tell us

My master forbids me to...

TELL US NOW!

The magic source was given to my master to enable his ability to see the future and future made me realise that the Skylanders are too dangerous to be kept here in Skylands!

Blackout, tell me the future

The Skylanders will...

(Blackout then begins choking before he can say what will happen)

What's going on?

It appears he is choking

From what?

It is not from anything inside this room, this room is isolated

Maybe, it's his master stopping him

(Wrecking Ball runs outside)

Come out, coward!

(Silence rears in)

Looks like he has escaped

What do I do with Blackout?

Take him to have a rest, I need a team

Chapter 2 Tracking The Master

Okay, I need a team to help me find Blackout's master

Of course I am right for this job

No questions are needed I just need Skylanders

 It's my time time shine!

 Okay, no need for introductions

 Bat Spin makes her way in!

 Okay, hi Bat Spin now let's go!

 What're we looking for?

 I just said, Blackout's master

 He has a master?

 There's little time to explain, we just need to find him and take the Magic Source back

 Then do we cut the magic source?

 No, we use it to bring Spyro back to life

 Cheating death is cheating life

 I don't care Bat Spin, let's just go
(They leave the HQ)

 How do we find this master?

 I am very uncertain but I'm sure he has been around here recently

 I can track him with my mad skills

 Go ahead then
(Funny Bone sniffs around for a scent then immediately runs off)

 Funny Bone, wait!

 Looks like he has found something

 Let's cut it!
(The Skylanders chase after Funny Bone)

Chapter 3 Deeper Secrets

 Funny Bone, wait up!

 I smell a scent that smells familiar

 What's a smell like?

 Strangely enough it smells like Spyro!

 But how?

 Maybe he is alive...

 That's not possible, Kaos killed him and I made that monster pay...

 I know that but stranger things have happened around here

 I am very doubtful upon this

 So, where is this master?

 Also, Spyro would never turn on the Skylanders, ever!

 I'm only making theories here

 I smell the scent on this paper
(Wrecking Ball picks up the paper as Short Cut tries to cut it)

 Dammit Short Cut, go away

 I love cutting!

 Cut yourself!

 Only on Thursdays...

 It says: I am the one who showed Blackout the absolute truth about the Skylanders, they are the scum of the universe and deserve to be put down and punished! Once I obtained the magic source I saw what you will do and become and I wish to stop this for the good of mankind... 2.3.1.0.9.8

 What do those numbers mean and why does the paper smell like Spyro?

 I have no idea...

Story 97: Undercover Mission

Chapter 1 Faking Death?

(In the City)

 Trigger Happy I don't see any assassin any where...

 You guys just have to keep looking before she makes her strike!

 Assassin's are scum

 I agree 100% with you there Wrecking Ball

 How about we go to the diner and get some food?

 I'm gonna get a hot dog!

 NO WRECKING BALL!

(Wrecking Ball and Hot Dog run to the diner)

 This better go to plan...

(Stealth Elf walks towards the diner as she is shot by the assassin, Wrecking Ball and Hot Dog burst out of the diner as Hot Dog attends to Stealth elf and Wrecking Ball runs after the assassin)

 Stealth Elf? NO!

(The assassin jumps on her ship as Wrecking Ball looks on, after this Wrecking Ball returns to Stealth Elf)

 How is she?

 She's...

 Stealth Elf? Stealth Elf? STEALTH ELF!

(Later at her funeral)

 I'm worried about Wrecking Ball

 I know what you mean, he has lost Spyro and now Stealth Elf...

(Wrecking Ball looks up as if he is seeking vengeance)

(After the funeral)

 So, how was my death?

 You did a very good job Stealth Elf but we must foil this plot quickly as Wrecking Ball might get to the assassin first

 Right, I knew he wouldn't approve of this so we must be quick

Chapter 2 Disguised

(In the City)

 We need to find the assassin quickly before Wrecking Ball tries anything

 Stealth Elf you need to stay low as someone could see through your disguise

 Right...

(The Skylanders enter a bar and hear about the assassin bragging about killing a Skylander)

 Stealth Elf talk to her as she'll know we are Skylanders

 How about we have a little talk in another room about another bounty?

Assassin: Interesting, I shall listen to your offer

(The two walk into the other room as Gill Grunt follows)

Assassin: What's the bounty you want me to get?

 There's no bounty...

(Stealth Elf takes off her disguise and reveals who she is)

Assassin: What the? I thought I killed you

 Show does everyone else... Mostly everyone else

 Hello there assassin

Assassin: What is this about, huh?

 Oh, we just faked my death in order to assure we save a precious being

Assassin: What do you want from me?

 Your clothes?

Assassin: What the?

Speak into this

(Gill Grunt holds a ball near the assassin's face)

Assassin: Did you hire me to do this?

Sure...

(Stealth Elf punches the assassin and takes her clothes)

You are gonna have to swallow this?

It's a spider voice bot isn't it?

Yep

(Stealth Elf swallows the ball which spreads its legs to crawl down her throat)

Great, I sound awful but I'm ready

Chapter 3 On The Case

(At the Skylands HQ)

I don't believe Stealth Elf is gone, there's no way I have lost her too

You must accept that this happens like you did with Spyro

I'll make her pay...

That's no the way to get Stealth Elf back

Then at least I can enjoy making her pay

(Wrecking Ball runs off)

Wrecking Ball wait, we'll both make her pay

(Both of them then take Flynn's ship to head off to the city)

(At Seadogs Island)

Stealth Elf, these pirates are mercilessness... They'll even kill each other to get what they want

Right but that's not a problem for me

Since they have hired you for this job you can sabotage them and stop the assassination

Okay so when they raid the city they want me to shot the mayor but I won't and I'll instead help him?

Basically, yes

I'm ready for this

(Meanwhile back at the City)

Do you know what you have DONE?

Assassin: I don't wanna wake up

 You're drunk aren't you?
(Wrecking Ball Tongue Whaps her across the face which smashes her towards a wall)

 Answer me!

 Just arrest her and then we can go...

 She deserves much more than that

Assassin: Stealth Elf is alive, she is dressed as me and sounds like me

 What are you doing about?

Assassin: She faked her death for a mission

 Where?

Assassin: Seadog Island, please leave me alone

 Take her to jail Hot Dog, I'll find Stealth Elf

Chapter 4 Plot Foiled

(At Seadog island)

Seadog Pirate: Get ready assassin, for the kill

 Yes... Captain

Seadog Mayor: It is with great pride that I announce to you all...

(The Seadog pirates then begin to attack people around the mayor)

Seadog Mayor: Shoot!

(Stealth Elf turns around and takes down the pirate)

 Stealth Elf what's going on?

 Wrecking Ball, how did you know?

 Why would you do this to me after everything that has happened?

 We couldn't tell you about this plan, it wouldn't be believable and you wouldn't approve of it

 You don't know that, you could have told me and then I wouldn't have to be here right now

 Stealth Elf, the mayor has been killed

 What?

 The pirates have killed him, what happened?

 NO!

 Oh no, this is my fault...

 We have failed this mission, retreat back to the the ship

 No... No... No...

(Stealth Elf and Wrecking Ball go with Gill Grunt to the ship)

(Later a the Skylanders HQ Hall)

 I fear that dark times are upon us, crime is at an all time high and we have failed a mission to save the mayor of Seadog Island

 But that doesn't mean we can't save others from death and terror

 This is all my fault

 Technically it's their fault but...

 Save it, Hot Dog

 I can't believe this backfired, we should have just trusted him

Story 98: Noobs?

Chapter 1 MLG No Scoper

 Why is this so hard to play?

 Probably because you are in that vehicle all of the time

 That's why I can't MLG Pro these noobs

 MLG Pro?

 You may not get it but it's basically eating doritos, drinking mountain dew and no scoping

 Yeah I don't get it, what are you playing?

 The best FPS ever: LEFT 4 DEAD 2!

 Okay then

 It may be seen as not MLG because you it isn't COD fish but I can pro against the enemy team in versus

 Okay, I should really go

 What do you need to go for?

 To be completely honest I don't really care

 Just because you aren't pro and you'd suck at it

 Probably, I always suck... At games of course

Chapter 2 Kicked?

 There's no way in heck this Hunter will get me, OH CRAP HELPS!
(A vote pops up saying kick player: ThreadHeadIsAmazing69)

 What the hell no! I just got caught that's all!
(Tread Head watches as he is kicked from the server)

 This game is meant to be about teamwork, I just got kicked because a Hunter got me in which someone should rescue me?

 Yeah, the versus community sucks on that game, try playing some other mods or playing realism versus as they are much better and your risk of being kicked for stupid reasons lowers

 Not a bad idea Gearshift, after all I am an Expert pro!

 On your stats it says things about Easy and winning 2 versus games and losing 69

 Those stats are broken, okay Gearshift?

 Then go ahead and try Expert

 I will!

(Tread Head joins on Expert game on Swamp Fever)

 The heck is this map?

 Are you a noob? This is Swamp Fever which is probably the least played on the game

 A Hunter, NOOO!

(A few seconds later Tread Head's character is dead)

 What the?

 I think you should play Easy some more

Story 99: Despair in Skylands

Chapter 1 Strange Passings

(Outside of the Skylanders HQ)

 Are you okay Wrecking Ball?

 I suppose but times are hard right now, I wish things could back to what they were like before all of this

 I do too but changes happen and we cannot all ways stop these changes whether we like it or not

 But sometimes we can stop changes and that's what I plan to do
(Wrecking Ball leaves Stealth Elf)

 Come for more questions I see

 Just tell me your master Blackout, remember they did try to kill you before

 I will not tell you anything of my master or the future of the Skylanders

 Blackout, I'm sure you joined the Skylanders because you wished to help people

 And that is exactly what I'm doing now, the Skylanders are corrupt from inside but you just don't see it

 Blackout you can tell me

 I know that you are not the cause but I will not tell you

 What does 2.3.1.0.9.8 mean?

 I will not tell you what it is but it is possible to decode

 I just don't know what these number mean, they seem to be random numbers

 They're not, maybe you'll figure it out and save Skylands from the Skylanders

 I assure you, I will figure it out and I will defeat your master

Chapter 2 The Ascension Of Truth

 Hello Scratch is there anything I can do for you?

 I need some equipment to make my dragon sculpture

 Your dragon sculpture? What kind of dragon?

(Wrecking Ball walks in)

 Sorry to interrupt but I need help to solve a code

 Maybe you could ask someone else

 But I am already here

 I was going to build a sculpture but I think that can wait

 I guess we can help then

 Okay, I am trying to find out who Blackout's master is but he refuses to tell and all I have is this a code which is 2.3.1.0.9.8

 I'm not sure what that code could be

 Maybe you should ask a technical person like Spy Rise, he'll be able to figure it out!

 Okay, thanks

(Wrecking Ball leaves)

 I could buy my stuff, bye Sunburn!

 Bye... Scratch

(Scratch leaves)

 Spy Rise do you understand the code 2.3.1.0.9.8

 I could be able to figure it out but what's the subject matter?

 Well, it's Blackout's master who stopped me from bringing Spyro back to life using a magic course

Hmm, Spyro... SPYRO?

Story 100: Skylands' Future

Chapter 1 Master Revealed

What, Spyro's his master?

Not our Spyro, the original Spyro

How do these numbers tell you that?

Those numbers are the date Spyro The Dragon was released for PlayStation!

Maybe it's something else, why would Spyro do such a thing? He's a hero not evil!

You're asking me like I know about all of this but I don't, it's up to us to figure this out

I'll go to Blackout and tell him it's Spyro

(Wrecking Ball runs out of the room to go to Blackout to find he is no longer captive)

Blackout, where'd he go?

He escaped from the prison cell!

Boomer, since you here you need to come with me and find him

Okay...

We will need to be quick if we can find him

We can take our ship

(Wrecking Ball and Boomer run to the Skylanders' ship)

You fly Boomer in case I need to get off quick

Yes, Wrecking Ball

(Boomer begins flying the ship and speeds up)

Slow down Boomer!

For my master...

Boomer?

(Boomer aims the ship to crash into the city)

BOOMER STOP!

(Boomer crashes the ship into the city as Wrecking Ball jumps off onto the city ground)

Chapter 2 Greater Plot

(Wrecking Ball gets up from the wreckage almost unharmed)

Spyro has corrupted Boomer as well? There's no way Boomer would join him so he must be under some influence... BOOMER!

(Wrecking Ball runs to Boomer is lying on the floor bleeding)

 Boomer, I will help you okay? Just stay calm

 It's too late for me, stop Spyro!

 I am not leaving you, now come on!

(Wrecking Ball puts Boomer on his back)

 I just need to take him to the hospital and fast

 Hey look, the Skylanders are the ones that crashed their ship into our city!

 No, listen we didn't mean to do this!

 Several people reported seeing your green friend stirring the ship towards our city, what have you got to say about that?

 He was under an influence from...

 So, he was on drugs?

 No, let me finish the senten....

 So, the Skylanders take drugs and destroy cities? I say we kill them both now!

 KILL?

 People could have been killed by this and we must take action on you Skylanders!

 Look, I just need to take my friend to the hospital okay?

 The hospital won't be able to save you after what we do

(Wrecking Ball puts Boomer down and the Mabu charge at him)

(At the Skylanders HQ)

 I need some back up here!

 I'm right here!

(Stealth Elf and Flameslinger begin shooting several Skylanders)

 It seems something is definitely wrong with all of these guys

 Yep, appears so...

(Stealth Elf receives a message from Trigger Happy on her communicator)

 Yes, Trigger Happy?

 You need to stop fighting here and go to the city to save Wrecking Ball and Boomer from the Mabu

 Why are some of the other Skylanders attacking us?

 They are under Spyro's influence

 SPYRO?

 And by that I mean the original Spyro

 I would ask more questions but that's for later
(She puts the communicator away)

 Flameslinger, this way!
(The both run towards the docking bay)

 So, we need to get to the city and save Wrecking Ball but then what?

 I am not sure but I think it will involve stopping this creep

Chapter 3 HQ Overrun

 You cannot defeat us all

 Maybe so but I am not going to be defeated without a fight!
(All the Mabu look upwards as Stealth Elf and Flameslinger arrive in a ship)

 I'll jump down and help them!
(Stealth Elf jumps off the ship to fight the Mabu)

 Thanks for helping me fight but there's too many

 Then we should escape, Flameslinger bring the ship down so we can get on

 Okay!
(Flameslinger lowers the ship and the Skylanders jump on)

 Looks like Mabu have lost faith in the Skylanders... This could be what Blackout was talking about, we are still good but the people have been corrupted into thinking differently

 Whatever the cause may be we need to get back to HQ before more Skylanders end up under Spyro's control

 We need medical supplies for Boomer

 I'll see if there's any on the ship
(Stealth Elf starts looking)

 What happened?

 Boomer crashed Flynn's ship as he was under Spyro's control and he is bleeding out

 He'll be lucky if he survives this

 He's that badly hurt?

 Yeah, if we don't find anything to help he could die

 I'm back and I have the stuff

 Okay, we'll get this stuff done
(The Skylanders help Boomer and make it back to HQ which is being destroyed)

 Looks like Spyro has made his mark
(Stealth Elf gets a message from Gill Grunt)

 I can't say things are looking to good, I think just about every Skylander but me and Trigger Happy are under Spyro's control... You need to get in here and break us out

 How are they put under his control?

 There must be some way it spreads but I don't know yet so come quick

 What about Boomer? He was under Spyro's control but I think he snapped out of it

 How did he snap out of it?

 I guess he got hurt but would that snap him out of it?

 There's only one way to find out

Chapter 4 HQ Underground

 I'll go first

(Wrecking Ball opens the main door to find no one in the hallway)

 Did Gill Grunt say where he was?

 Dammit...

 Oh yeah, Flameslinger it looks like you need to know

 Know about what?

 The Skylanders Elite Council

 I've never heard of this

 Only eight, well nine Skylanders know of this

 And I guess that's ten now, we need to go in basement and go through a secret hole

 I'm guessing they're down there

(The Skylanders go through the basement door and there's lots of Skylanders down there who are under Spyro's control)

 Look how much there are!

 Boomer? You okay?

 I am now, I'll help you guys

 Just watch yourself, you are injured remember

 Will do Wrecking Ball

(They walk down the stairs as they are attacked)

 Wrecking Ball you run and we'll fend them off

(Wrecking Ball runs to the hole and goes through)

 Gill Grunt? Trigger Happy?

 You fool!

 Oh no...

 Looks like your end is coming

 I'll take you both and snap you out of this!

???: You can try...

 SPYRO!

 Look what we have here, Wrecking Ball

 I'll kill you, if it weren't for you Spyro would be alive right now!

 Wrecking Ball!

 You two, get them!

(The other Skylanders begin fighting)

 Why do you hate us and want to stop us?

 My name was ruined because of the Skylanders... I AM DEAD... And all the Skylanders will be also

 People still love you for who you are!

 LIES! I AM DEAD AND I'M RIDDING EVERYONE OF THE SKYLANDERS FILTH!

(Stealth Elf superkicks Spyro in the face as he stumbles back and sends more Skylanders down the hole)

 We gotta get out of here, there's too many!

Chapter 5 HQ Escape

 We don't have a lot of options right now

 We won't be able to fend them all off, we need to get out of here

 I'll use my bombs to destroy this place

 Uh, Boomer we're still here...

 You bombs aren't powerful enough Boomer

 Yeah, but there's explosives down here

 I never even saw those before

 Must be Spyro's explosives, do it Boomer!

 What about us?

 Stealth Elf dig sideways

 Right!

(Stealth Elf starts digging)

 They are all going for Boomer!

 I've planted them but I can't get back to you guys

 We are gonna help you...

 No, you guys get out of here and I'll destroy this place

 Come on guys!

(Flameslinger and Wrecking Ball start crawling through the hole and a explosion occurs)

 Will Boomer be okay? What about everyone else?

 I don't know, Boomer's bombs aren't that powerful and there wasn't much explosives

 Where are we heading after this?

 We'll get head back up to land and head to the ruins for Eon's guidance

Chapter 6 Ruins In Ruins

(Stealth Elf, Wrecking Ball and Flameslinger get out from underground as they re-emerge outside of the HQ)

 What about hot Dog? I didn't see him down there...

 Me neither, maybe he's okay?

 No point going back now, it's not like he will die if he is under Spyro's control

 Right Stealth Elf but he could be some use for us

 We... We don't have time to go back, we need to get to the Ruins and fast

 And we don't have a ship to do that

 We'll go to the Mabu Homes and steal a ship

 I guess stealing is the only option right now

(The Skylanders reach the Mabu homes where they begin to steal a ship)

 WHAT THE HELL ARE YOU DOIN'? THAT COST ME LOADS OF MONEY!

 We need this to save Skylands

 I don't care, buy your own!

 Stop!

(Wrecking Ball Tongue Whaps him and he falls over)

 Ah, crap I didn't mean...

 No time, now get on!

(The Skylanders jump on and leave)

 2: Are you okay dad?

 No, those rotten Skylanders stole our ship... Call the Mabu Police Force...
(Meanwhile)

I feel bad about what I did to that guy

Well, it'll all unfold for the better in time

I guess...

The Ruins!

(The Skylanders look at the Ruins as the Core Of Light is destroyed and The Darkness begins to emerge)

We were too late...

(The Mabu Police Force surround the Skylanders)

Police: Put your hands up and drop your weapons!

What do we do?

We do as he says...

Chapter 7 Skylands In Terror

Great idea with the decoy explosives master!

Those puny bombs left us unharmed!

What do we do now master?

This plan cannot move forward until Wrecking Ball is dead and then I fulfil the rest of my plan

Sir, the Skylanders are now hated by all of Skylands on the news and such

That's just how we want it, the Skylanders are proven to be corrupt and evil

So we should go to the prison and kill Wrecking Ball?

No, first you will all build my castle where the Skylanders HQ's ruins are

Yes sir!

(In the city)

Mayor: The Skylanders have gone too far, I'm sure we've all seen the news that they have stolen someone's vehicle and assaulted them... But now we fight back against the Skylanders!

(The crowd cheers)

Every Mabu who wants to rid Skylands of the Skylanders shall join me on doing so as we march to their HQ!

(The crowd cheers and travels towards the destroyed Skylanders HQ)

Master we have a problem!

What is it?

The Mabu are coming towards us and ready to attack!

Good, tell everyone to leave the castle and murder all of the Mabu...

Yes sir

(All the Skylanders stop constructing the castle and go into battle against the Mabu)

They are corrupt just as I said they were...

Chapter 8 Prison Escape

Police Officer: We all Police to leave this prison right now! There's a full scale war between the Skylanders and the Mabu happening!

(All of the Mabu Police except the sheriff)

You have to let us go, only we can stop all of this!

Sheriff: You Skylanders are the cause of all of this and will only make things worse, in fact you just started a war

That's not our doing! They are under Spyro's control!

Sheriff: Spyro is a Skylander so they are under a Skylanders control?

No, they are under the original Spyro's control, he's not a Skylander and he wants to take control of Skylands!

Sheriff: Enough of these lies... I won't let you help your Skylanders friends... I'll put an end to you three right now

(The Sheriff pulls out a gun and points at Stealth Elf)

NO! (Flameslinger jumps in front of the bullet which impales him in the stomach)

FLAMESLINGER!

(Wrecking Ball Tongue Whaps the Sheriff which knocks him down, Wrecking Ball then takes the gun)

You will regret that!

Sheriff: I'm doing a deed to my people

(Wrecking Ball eats the gun)

Sheriff: What are you gonna do now Skylander?

I know what I want to do but that's not what I should do

(Wrecking Ball then attacks the Sheriff and quickly defeats him)

I'm sorry it had to be this way...

Hang on Flameslinger!

Stealth Elf... I've always loved you...

(Flameslinger dies in Stealth Elf's arms)

I've always loved you too...

Chapter 9 Skyland Showdown

 Stealth Elf we need to be quick if we are going to make Spyro pay for this...

 Right, we'll make him pay!

(The two bury Flameslinger and pay their respects as they rush to find Spyro)

(On top of Spyro's Castle)

 Spyro, we've wiped out most of the Mabu without any casualties

 Good, keep on with the assault

(Hot Dog approaches Trigger Happy from behind and bites him)

 So, someone hasn't joined me?

 I'll stop your reign of terror Spyro!

 You can only try my little friend...

(The two of them quickly engage in battle)

 I will defeat you!

(Blackout then attacks Hot Dog from behind)

 You're clearly mistaken

 Two? I can take you both!

 Once again you can only try

(Meanwhile)

 Look, Hot Dog is fighting Blackout and Spyro! We need to help him!

 We can't just rush in there we need to use the explosives

 I guess we did steal them for a reason, where do we plant them?

 I think we should plant them next to the front castle wall, that'll lead to the wall falling and landing on the Skylands to break Spyro's control over them!

 What about Hot Dog he's up on top of the castle

 I'll plant the bombs and you get Hot Dog off of there

 Okay!

(The two split up)

Chapter 10 Back In Light?

 Are you ready to meet your demise?

 I will never give up!

 Fool, your end is now!

(Spyro gets ready to ram Hot Dog but Wrecking Ball knocks Spyro out of the way)

 How about we make this an even fight?

 I guess I can get rid of you both now

 (Whispers) Quick, we have to get off the castle before it explodes
(Wrecking Ball and Hot Dog begin running and Blackout chases them)

 Bombs?

(Spyro the charges of the castle as the front wall explodes and crumbles on top of the Skylanders)

 That should fix them!

(The Mabu cheer and attempt to kill the Skylanders but Stealth Elf stops them)

 Mabu, I suggest you stop right now!

 We are gonna end you as well!

 Please, this is all a great misunderstanding! These Skylanders were under evil's control

 You're lying!

 Just look into the sky, you see The Darkness? That was caused by the destruction of the Core Of Light which the Skylanders are sworn to protect

 And you guys destroyed it!

 We would never destroy the Core Of Light under our own control, you have to believe me!

 Enough of this!

(Spyro rams Hot Dog and Wrecking Ball next to Stealth Elf)

 You three have caused far to much problems around here, I will finally murder you and all the Skylanders!

 See, that's the legend Spyro and he knows you guys are evil!

 He's been working with his corrupted Skylanders and he's the one who started this war with the Mabu

 What this Skylanders says is the truth but I do not care about that or anything in Skylands

 Kill him!

(Blackout then starts attacking Mabu)

 Let's finish this!

(Spyro pulls out the Magic Source)

 So, this can save Spyro?

 The Magic Source!

(Wrecking Ball Forcefield Balls towards Spyro but he is rammed back by Spyro's horns)

 With this I can wish for anything I want, instead of using this to rid the universe of the Skylands I'd rather do it the fun way

(Spyro then destroys the Magic Source)

 NOOOOO!

(Wrecking Ball jumps forward and Tongue Whaps Spyro and his teeth evolve to tusks, he then uses his Disco Ball to hit Spyro which causes him to fall flying back)

Master!

(Stealth Elf jumps up and kicks Blackout)

I never knew you had such a power...

(Wrecking Ball then stabs one of his tusks through one of Spyro wings and breaks his tooth of to pin Spyro the ground)

Argh!

(Wrecking Ball stabs his other tooth into Spyro's wing and does the same process as before)

Please, let me live... I'm sorry...

I would let you live a few years ago but now I'm different and know that you don't deserve to live

(Wrecking Ball spits out the gun he ate earlier)

Stealth Elf, you do the honours!

(Stealth Elf walks over to Wrecking Ball and takes the gun)

Gladly

(Stealth Elf shoots Spyro in the head, killing him)

Story 101: What Happens Now?

Chapter 1 Fixing Skylands

It's over... Again...

Argh what happened?

You killed Spyro?

He's done

What the heck happened to the HQ?

Just rebuild it?

I'll sort them out Wrecking Ball

(Hot Dog runs over to the Skylanders to explain everything)

King: I guess we will return to the city and rebound from all of this... Come on Mabu, bring the injured and deceased

It's over now Wrecking Ball

I know, but what's topping this all from happening again? First Spyro and then Flameslinger, how do we know that we won't all end up like them?

 We don't... There will always be Villains I'm sure but let's hope the next Villain to come along isn't a murderer

 Like the good old days...

 I guess I'll dispose of the body

 Yep

(Later at 9 P.M.)

 Looks like the HQ is done and we can finally go to bed

 You gonna eat that doughnut?

 I guess you can have it

 Yum!

(Sprocket grabs the doughnut and eats it)

 Okay then...

(Meanwhile)

 I guess I can finally sleep...

(Wrecking Ball falls asleep but is woken up by Hot Dog)

 I saw Stealth Elf outside digging up dirt for some reason... You know why?

 Flameslinger!

 We better be quick!

(The two run outside to find Stealth Elf)

Chapter 2 The Passing

 Stealth Elf?

 Look Wrecking Ball, the grave is empty...

 What has she done?

 We need more people, let's go back to the HQ!

(At the Skylanders HQ)

 Good job on rebuilding the Core of Light in the Skylanders Academy!

 I can't believe we let the Darkness stay that long

 Guys, Stealth Elf dug up Flameslinger's body and we don't know where she went

 We'll send some Skylanders to help you two find her!

 Let's send some who have not been on here in a while

 We'll send Fist Bump, Zap and...

 But Zap sounds so annoying!

 And Short Cut

 Are you drunk?

 Stop complaining Hot Dog and let's go!
(The Skylanders set off to find Stealth Elf)

 Where are we looking?

 It's so hard to see

 And you are so hard to understand

 Leave Zap alone Hot Dog or I'll cut you!

 And I will eat your shoes!

 What's your problem with Zap?

 He is annoying and a Water Element

 I can't help my voice and Element

 Sure...

Chapter 3 New Adventures

 Please work!

 STEALTH ELF!
(Wrecking Ball and the others find Stealth Elf with Flameslinger and the Magic Source)

 Wait, the Magic Source wasn't destroyed?

 I found it after we killed Spyro and I was going to bring Flameslinger back without telling you about it

 Can we not save Spyro as well?

 I tried that and it doesn't seem to allow it

 How about we bring back everyone who has died in the past year?

 Why would we want people like Kaos, Malefor and Vathek back?

 Why are we here?

 Quiet Zap!

 Maybe we can't bring Spyro and Flameslinger back without evil to balance it out

 Where are you even pulling this idea from?

 Zap, I'll punch you if you don't shut up

 That could be the case... But they would try to kill us again

 We'll make Spyro return back to his own universe without knowing the existence of Skylanders, Malefor return to his lair, Kaos to return here and Vathek to be frozen in stone again at Dragon's Peak

Okay we'll see if this works

(Stealth Elf makes the wish to the Magic Source and everything happens correctly)

What the?

KAOS TRAP!

(Kaos is trapped and turned good)

Nailed it!

What? What's going on?

(Stealth Elf pulls her mask down and kisses Flameslinger)

SPYRO!

(Wrecking Ball runs over to Spyro and hugs him)

Um, Wrecking Ball are you okay?

I'm more than okay, you're back!

I remember fighting Kaos and...

It doesn't matter let's just get back to the HQ

Story 102: SuperCharged

Chapter 1 Skylands Academy

(In the Skylands HQ Meeting Room)

Hello everyone it is great to be back here in front of all of you!

(The Skylanders cheer)

The Skylanders Academy has recently been redesigned and the Core of Light was rebuilt there, feel free to check it out and enjoy your day!

(As Spyro is leaving, Cynder walks up to him and kisses him)

I can't believe you are back

Well, I hope you can believe it

I can now, you want to go out and get some dinner?

Of course I would

(The two then walk off together)

It's awesome that everything is back to normal and better

Yeah, it's great, how about we go to the Skylanders Academy and see what's new?

Don't forget me guys!

And me!

Okay team let's go!

(At the Skylanders Academy)

 Wow, this place looks so dope

 How can you think this is stupid? It's great

 I mean dope as in good

 That's hella derp.

 OH MY EON!

 IT'S HUGO!

Hugo: Yes, I am back in action and I am ready for the next adventure!

 What's the next adventure?

Hugo: Well, since there's new Skylanders it would seem a new adventure is coming!

 New Skylanders?

Chapter 2 The New Skylands

That was an amazing adventure to stop the Darkness and Kaos!

You got that right Wrecking Ball. We aced it.

The modifications to the HQ are now done so all you SuperChargers have room each.

Nice, I'll go and fix up my room to my liking.

Cool...

(Spitfire leaves Wrecking Ball)

Wrecking Ball, I was thinking that the next time we go an adventure it can be just me, you, Shroomboom and Pop Thorn that go just like old times!

That would be awesome so I'd love to do this.

Sweet.

We could get a SuperCharger to join our crew.

Nah...

Why not?

None of them really fit our group... They are cool and all but nah...

I suppose we'll see.

Story 103: The Crew

Part 1

I haven't been as active on darkSpyro, but this isn't dead. WRECKING BALL'S SEXY ADVENTURES CONTINUE!

Cool, I'll go ask Spyro if we can go on a mission.

Do it!

(Wrecking Ball begins to walk towards Spyro until he is interrupted by Shroomboom, Pop Thorn and a new SuperCharger.)

Wrecking Ball, I've found a new friend for us! SMASH HIT!

Uh... Hi?

Hi there, it's nice to meet you. My name is Smash Hit and I -

Hey, can you talk a little slower?

What? He's talking fine.

I'm sorry, but I can't understand him too well.

 I'll translate for you then. He said that it's nice to meet you, and his name is Smash Hit.

 Okay, cool.

 You got anything more to say?

 Only to Spyro.

 What are you asking him?

 I'll tell you once I've done it, okay?

 Sure...

(Wrecking Ball finally walks over to Spyro.)

 Hey, Spyro, can me, Shroomboom, Pop Thorn and Hot Dog go on a mission?

 Eh... I suppose there will be something. I'll tell you when there's a mission available.

 Okay, bye Spyro.

(Wrecking Ball goes back to the others.)

 What did you ask?

 I asked if we could go a mission.

 A mission? Yay!

 I'm sorry, Smash Hit, but he said only me, Shroomboom, Hot Dog and Pop Thorn can go.

 Aw...

 Why's that?

 I don't know but orders are orders.

(While Wrecking Ball speaks to Hot Dog, Shroomboom, Pop Thorn and Smash Hit walk away.)

 Good job getting out of that.

 It's going to be fun.

Part 2

 Wrecking Ball, it looks like there is a mission available!

 Yay!

(Wrecking Ball runs to Spyro.)

 Looks like there's a group of pirates causing trouble in town.

 Great, can we go?

 Sure.

 Nice!

(Wrecking Ball runs over to Hot Dog, Shroomboom and Pop Thorn.)

Guys, we have a mission to go on.

I don't really feel like going.

Me neither.

But, why not?

I feel like staying around and talking to Smash it.

Fine, Hot Dog, do you still wanna go?

Of course, buddy.

(Wrecking Ball and Hot Dog take a vehicle and head off to town.)

I can't believe we didn't get to have the mission as buddies.

Maybe we should have just taken Smash Hit.

I have nothing against Smash Hit, but I wanted this mission to just be the four of us.

I know, I know... We'll just do this together, buddy.

(They make it to Town and get off the ship.)

Pirate: It's the Skylanders!

Pirate: There's only two, we can take them.

(Many Pirates surround Wrecking Ball and Hot Dog.)

Like old times?

Hell yeah!

(Wrecking Ball and Hot Dog begin defeating Pirates until the leader emerges.)

Oh...

(Wrecking Ball and Hot Dog are stunned as they see a Pirate as tall as the Giants.)

???: Mine name is Captain Raven, are you ready to die?

This guy is not messing around.

(Raven pulls out a large sword and is ready to fight Wrecking Ball and Hot Dog.)

I go behind him!

(Wrecking Ball fails to get behind Raven and instead he gets punched and knocked out.)

Wrecking Ball!

(Hot Dog pounces at Raven before he suffers the same fate.)

Part 3

SHROOMBOOM, POP THORN, SMASH HIT, GET IN HERE!

What's up?

I've lost all communication with Wrecking Ball and Hot Dog, and it looks like you guys need to find them.

Sure, I'll help my beautiful, old pals!

Okay, where are they?

 They're in town, and they were stopping Pirates from destroying the place.
(Shroomboom, Pop Thorn and Smash Hit head off to town.)

 Wrecking Ball?

 Hot Dog?

 Guys, guys, guys you might wanna see this.

Raven: More Skylanders? How foolish can you be?

 Who the heck are you?

Raven: I'm Raven, are you ready to die?

(Pop Thorn deflates and begins shooting gusts of wind at Raven with little effect.)

Raven: Hahah, you cannot beat me!

(Raven punches Pop Thorn and knocks hit out.)

 Take this!

(Shroomboom sets up his Self-Slingshot and heads directly into Raven's fist.)

 Guys!

Raven: So, you can now fight, or you can run. Make your decision.

 I, I, I...

(Smash Hit runs from Raven and leaves Shroomboom and Hot Dog.)

Part 4

 Ow, my head hurts.

 Pop Thorn?

 Wrecking Ball! We found you!

 No, we were knocked out and put here.

 Oh...

 Now, our legs are tied to the ceiling while we cry.

 Where even are we?

 I kinda saw that it was a prison cell underground as he was carrying me down.

 What the heck do we do now?

 There's nothing we can do, Wrecks.

On the surface.

 I need to get more help!

(Smash Hit runs through the town while looking for help.)

 Smash Hit, Smash Hit?

(Smash Hit lifts up his communicator.)

 Yes, Spyro?

 I can't get a response from Pop Thorn and Shroomboom, where are they?

They were taken.

By who?

A new villain called Raven.

He must be powerful then.

He took them both out with one hit, and I think he's coming for me.

I'll send a squad of Skylanders to come out a rescue you guys.

Thank you, Spyro. There's just one problem...

What?

I think that Raven might kill them.

What? Why would you think that?

He asked us if we were ready to die.

You must go find them before it's too late. Can I count on you?

...

Can I?

Yes, Spyro.

Part 5

Underground

Wrecking Ball? Hot Dog? Anyone?

???: I am anyone.

Who, who, who said that?

???: Me, Davey.

Who is Davey meant to be?

Davey: I am a Mabu who went missing twelve years ago. Have you not seen the missing posters?

I haven't seen any missing posters, man.

Davey: How could they forgot about Davey?

You did say you have been missing for twelve years...

Davey: No one can forget Davey!

Davey jumps up and bites Smash Hit's leg.

Davey, what are you doing?

Raven: Very good, Davey.

You're with Raven?

Raven: He has done a great job at distracting you from finding your friends before I arrived.

Darn you, Davey!

Davey: Hahah!

Raven picks up Davey.

Davey: We did good, master? Wait, what are you?

Raven snaps Davey's neck.

Raven: I don't have time for friends or you.

I'm not afraid!

Raven: Then you will die braver than most.

Smash Hit swings his Boulder at Raven, but he catches it and throws it.

Smash Hit: Ahh!

Smash Hit flies back with his Boulder.

Smash Hit!

Wrecking Ball?

We're in this cell behind you!

Raven: Perhaps I was wrong.

It wouldn't be the first time.

Uh?

It's Donkey Kong!

Donkey Kong?

Raven: I don't know who you are, but I'll kill you like the rest.

We'll see!

Donkey Kong transforms into Super Donkey Kong.

Raven: Yah!

Raven goes to punch Donkey Kong, but he misses which allows Donkey Kong to hit him in the face and push him back.

Go, Skylanders!

Fiesta, Stormblade and Dive-Clops run it and save Wrecking Ball, Hot Dog, Pop Thorn and Shoomboom.

Come on, Smash Hit. Donkey Kong has it covered.

Go, Splat!

Splat goes above ground with the others.

Raven: You cannot defeat me!

Raven punches Donkey Kong and knocks him to the ground.

Donkey Kong: I won't give up.

Raven: Then you will die!

Smash Hit swings his Boulder into the back of Raven's head which knocks him down.

Quickly, we have get above ground and bury him!

Donkey Kong and Smash Hit run above ground.

Is Raven defeated?

We need to bury him down there!

Skylanders, all work together to destroy this passage.

All of the Skylanders work together to block the passage and crush Raven underground.

We got him.

Well done, Smash Hit. I am proud of you.

Thanks, Spyro.

I'm sorry, Smash Hit. I only asked Spyro if me, Hot Dog, Shroomboom and Pop Thorn could go on a mission, I never asked for you. I just wanted an adventure like the old times. It just turned out that, we needed you.

That's okay, Wrecking Ball.

So Donkey Kong, what are you doing here?

I have joined you.

Joined me?

No, I have joined you and all the Skylanders.

Oh my gosh!

Let's all go get garlic bread!

All: YEAH!

Story 104: Skylanders School

Part 1

Becky... I need to...

WRECKING BALL, WAKE UP!

Wrecking Ball wakes up and screams.

What, what?

You need to get up for school?

Uh, school?

Yes, school.

Since when do we do school?

Spyro decided that a lot of us Skylanders need an education because a lot of us are dumb.

We're not stupid.

I know, but Spyro says we all have to go so no one is unhappy.

Lame.

Let's get ready!

 It's 4A.M.

 And?

 I normally wake up at 5A.M.

 And?

 What time does school start?

 9A.M.

 Is this so we can play games?

 Heck yeah!

 Okay, let's get breakfast.

The two walk to the meal room.

 Say, what were you dreaming about, anyway?

 Uh, nothing totes.

 You said Becky.

 Shhh.

 What?

 I had a dream about Becky Lynch.

 Uh, cool?

 She lived with me for some reason and was leaving. I found it hard to tell her to stay.

Creator: That was my dream.

 Then, why did I dream it?

Creator: I made you dream it.

 'Kay.

 He does like Becky Lynch.

 She is pretty cool.

 True that.

 Hey, Hot Dog.

 Yeah?

 Why is Ghost Roaster awake?

 I don't sleep.

 Why not?

 I'm edgy.

 Uh, cool.

 Wrecking Ball, we have garlic bread!

 HECK YEAH!

Wrecking Ball and Hot Dog run to the food table.

 Gimmie some!

 Remember to share, Wrecking Ball.

 I always do.

 You guys wanna play Left 4 Dead 2 after this?

 Of course we do!

 Can we play with Tread Head after school?

 If he wants to, sure.

 I want Stealth Elf to play.

 She never plays anymore.

 She plays a bit, leaves, plays a bit, leaves. It sucks.

 Isn't she with Flameslinger?

 Well, yeah.

 Then she has someone bugging her so she can't play.

 Still sucks.

 We've eaten it all, let's go play L4D2!

All four: YEAH!

 Let me play.

 We wanna play Expert Campaign, though.

 Go on a custom server.

 That ain't legit.

 I'll kill you.

 Liar!

 I'm not lying.

 LIAR!

The four walk off to their rooms.

 Yeah! I've launched L4D2, guys.

 What campaign are we doing?

 Swamp Fever!

 Nice joke.

 I am not joking.

 Hahahaha.

 Crash Course.

 Great idea.

 I can hear myself echoing.

 It's Wrecking Ball's speakers.

 My headset broke.

 They always break, don't they?

 It's a conspiracy.

 We should all click random.

Part 3

 Okay.

 NOOOOOOOOOO.

 Why not?

 I wanna play Zoey.

 Fine, no random.

 Aw, fine

Hot Dog picks Bill, Shroomboom picks Francis, Pop Thorn picks Zoey and Wrecking Ball clicks Louis.

 Let's beat Expert!

The game loads.

 We're gonna hella win!

 Watch us fail this.

 Chapter 1 is okay, it's chapter 2 that gets kinda annoying.

 What are you doing awake, Wrecking Ball?

 What are you doing awake, Stealth Elf? Hmm?

 Me and Flameslinger are doing stuff.

 Stuff?

 Stuff that you don't need to know about.

 Wrecking Ball, they're doing that kinda stuff. Wink, wink.

 What did he say?
 Pop Thorn, the speakers, dude.
 Oh snap. Hi, Stealth Elf.
 Watch what you guys are saying.
 When are you gonna play again, Stealth Elf.
 I'm busy.
 Always?
 Flameslinger is my bae.
 I understand that, but you could play with us and tell him to play.
 I'll buy him a PC, then. Maybe he'll play.
 YAY! COOL!
 See ya, Wrecking Ball.
 Sweet.
 Now, let's get back to business.

Part 4

 Get down, WreckingBallForever.
 I am sniping these nobodies, HotDogForever.
 The Smoker has me, PopThornForever!
 I am coming, ShroomboomForever!
Pop Thorn kills the Smoker.
 Yay, thanks!
 The final Tank is coming!
 Get ready, everyone.
 Let's...
Wrecking Ball in interrupted by Tree Rex.
 WRECKING BALL, WHY ARE YOU NOT AT SCHOOL?
 School hasn't started yet.
 It's 10A.M.
 Wow, we've had that much restarts?
 Who are you talking to?
 Tree Rex said we should be school.

 Why? It's only... Oh... Right.

 Tell him to let us beat Expert first.

 Tree Rex, we need to beat Expert... Hey!

Tree Rex grabs Wrecking Ball and takes him out of his room.

 Wrecking Ball?

 The Tank has got him down!

 I'll get him... SNAP! The Tank ninja'd me!

 What do we do? Ahhhh! Random rock!

 This is too scary, guys! AH OH... The Tank got me.

 NOOOOOO! We had it this time.

 Let's go find Wrecking Ball!

Story 104: Skylanders School Part 5

In the Skylanders School.

 Wrecking Ball, get the heck out of here.

 I'm in school.

 We lost Expert.

 That's because Tree Rex took me to school, and now I am in isolation.

 That is super dumb.

 Why aren't we in school?

 You guys start tomorrow.

 Why's that?

 I am the headteacher, and I said so.

 LAME!

 Bouncer is for Technology, Crusher is for Maths, Swarm is for Art, Hot Head is for ICT, Thumpback is for Music, Eye-Brawl is for Religion and Ninjini is for English.

 Why do dumb Skylanders have to hold us down?

 It's not any individual Skylanders, it's all Skylanders as a whole!

 That's really dumb.

 You're all dumb!

 We're not really.

 Fine, who did 9/11?

 Bush!

 My point is proven.

 How?

 Bush did not do 9/11.

 He did, maybe you should do your own research.

 Don't listen to the lying media.

 They corrupt your brain with lies.

 I'm going to look this up.

Tree Rex goes to his computer.

 [Whispers] Let's go, Wrecking Ball.

 [Whispers] Sweet.

Several hours later.

 YEAH! WE BEAT EXPERT!

 Zero deaths or restarts!

 We are the best!

 School would be over now.

 [Sighs] School's gonna suck.

 That's a problem for another time.

All: WE BEAT EXPERT!

 Bush done it.

Story 105: English Teacher

Part 1

Wrecking Ball's alarm clock goes off.

 LAAAAAAAAAAAAAMMMMMMMMMMMME.

Hot Dog runs into Wrecking Ball's room.

 Wrecking Ball!

 What's down, Hot Dog?

 We have to that presentation in English.

 Aw, I hate presentations.

 Yeah, me too. Why do they make us do this?

 Because they are dweeby nerds.

 True that.

Wrecking Ball and Hot Dog go to the meal room.

 Why the heck does Ghost Roaster have to be here?

 I'll kill your family.

 No you.

 Eh, what?

 Be quiet, nerd.

 Let's just eat some garlic bread for three hours.

 We could play games.

 Shroomboom and Pop Thorn are sleeping.

 Lame. Why are they sleeping?

 They watched The Force Awakens and found it hard to get to sleep.

 Makes sense, A New Hope 2.0 is dweeby.

 Morning, guys.

 Woah, it's Scratch.

 What are you doing up?

 I have school soon, so I decided to get up earlier to be able to do fun stuff and play games.

 That's pretty neat.

 Wanna play a game with us?

 Sure thing.

 Do you have Left 4 Dead 2?

 Duh, of course I have Left 4 Dead 2.

 Awesome! Come on Hot Dog, let's get to our PCs!

 What about the garlic bread?

 Take it with you.

 Okay, bro.

Part 2

On the way to their rooms.

 Make sure you arrive to school at our new starting time.

 Golden Queen, what the heck are you doing here?

 Many villains have reformed themselves into heroic Skylanders!

 No way.

 It doesn't work like that.

 Yes it does my friends. I have become the English teacher's assistant.

 Great, you're gonna be watching us botch a presentation too?

 I'm sure you will do just marvelous!

 What's that about the new start time?

 School now starts at 8A.M!

 Hella lame!

 Now run along and get ready.

The three all go to their rooms and launch Left 4 Dead 2.

 Okay, we have less time to play games so let's get to it.

 Hot Dog, you didn't have anything to say about the Golden Queen stuff?

 Oh Golden Queen... I mean, nope.

 Why'd you say her name like that?

 Say her name like what? I was just repeating the subject, you goon.

 Okay, okay, it's cool.

 What campaign?

 Let's do Dark Carnival.

 Hey Scratch, how are things with Sunburn?

 What do you mean?

 Weren't you two bros?

 We are friends.

 Friendzoned!

 What do you mean?

 You're still just friends after all this time?

 Why wouldn't we be friends?

 Because he wants to ban...

 Woah Hot Dog, don't say that!

 Oh, sorry.

 I don't know what is going on here, but I want to play Left 4 Dead 2 right now.

Part 3

After an intense game of Expert.

Yay, we nailed it!

We managed to beat Expert Dark Carnival with three people.

Aw, it's 7A.M. already.

There's only one hour left.

Let's just take off our headsets and each some more garlic bread.

Hooray!

The three walk out of their rooms and meet in the meal room.

Shroomboom, Pop Thorn, you're awake!

I'm never watching The Force Awakens again.

That's a wise choice.

We gonna play L4D2 before school?

We only have less than an hour left.

What do you mean? We start at 8A.M.

Golden Queen told us we start at 7A.M.

What? Nooooooooooooooooooooo!

We need to set off soon, get ready.

Did you play Left 4 Dead 2?

Yeah, Scratch joined in with us.

Scratch sucks at Left 4 Dead 2.

Be quiet, Pop Thorn.

Can you not handle the truth?

She's better than you, Pop Thorn.

Pfffft, never!

Grab your garlic bread for lunch, we're going now.

Fine.

Pop Thorn, Shroomboom, Wrecking Ball, Hot Dog and Scratch grab their bags and leave.

Why is Scratch hanging with us?

She was around and played Left 4 Dead 2.

Which means?

She can come with us.

 That's super dumb and lame.

 How come Smash Hit couldn't hang but Scratch can?

 Anyone can hang whenever, I was wrong about Smash Hit.

 Why are you being a nerd, Pop Thorn?

 That's what The Force Awakens does to ya.

Part 4

In the English classroom.

 Is everyone ready for English?

???: Of course we are.

Crash Bandicoot comes cruising in the classroom.

 Is that Crash Bandicoot?

 Yep, Crash Bandicoot's the name.

 Welcome to my class, Crash Bandicoot.

 Now, who wants to give their presentation first?

Ninjini looks around but no one puts their hand up.

 If no wants wants to volunteer, I'll choose. No one? Fine, Wrecking Ball?

 What?

 Your group is up.

 Nooo!

 I'm sure you will have a golden time!

 Wow.

Wrecking Ball, Shroomboom and Pop Thorn get up.

 Hot Dog? Yo, Hawt Dawg?

 Come on Hot Dog, why are you looking over there?

Hot Dog appears to be staring at Golden Queen.

 Come on now, Hot Dog.

 Oh, uh...

Hot Dog gets up.

 Today, me and my friends are bringing you a presentation about the great oreo race.

 Yes, the oreo race was a fantastic event that saw oreos roll and die on a hill.

 It was a very fun and cool race.

It's' Hot Dog's turn and he doesn't say anything.

 Haaaawwwt Daaawwwwg?

 Are you okay, Hot Dog?

Wrecking Ball grabs Hot Dog.

 What's down, Hot Dog?

 This presentation sucks!

 We are fixing it, Crash.

 Don't call me Crash, nerd. Call me Crash Bandicoot.

 Uh, sorry, Crash Bandicoot.

 When can I do my presentation?

 Why didn't you put your hand up?

 For what?

 Never mind, Boomer's group up!

 We got this, Sprocket, Wind-Up and Stink Bomb.

 Best group ever!

Boomer's group goes up, and Wrecking Ball's group goes back to their table.

Part 5

 We might have won the game with that, what happened Hot Dog?

Golden Queen walks out the room for some reason.

 Huh, what?

 What's going off, Hot Dog?

 I don't know what you mean.

 We botched our presentation because you were looking in the corner that Golden Queen was in.

 Wait, Hot Dog gets happy over Golden Queen?

 What? No, pfft.

 You do, don't know? I can see where you are coming from, but you cost us the presentation.

 I DO NOT GET HAPPY OVER GOLDEN QUEEN!

 And that is where babies come from.

 Hot Dog, speak to me outside after this lesson.

 You done goofed.

 Me and Astroblast are gonna two man rock this classroom!

 You got that right, Crash Bandicoot.
Crash Bandicoot go up and nail their presentation.

 Excellent job, Crash Bandicoot and Astroblast! Class, I will see you all next week.
All the Skylanders leave school except Hot Dog.

 I'm sorry, Nin...

 I know what you are doing, Hot Dog.

 Huh, what am I doing?

 You were looking at Golden Queen to destroy my reputation as the sexiest Skylander.

 I wasn't looking at Golden Queen, I...

 Don't you lie to me, Hot Dog! Everyone knows I am way hotter than Golden Queen, you got that?

 Yes, Ninjini!

 Next week, you better make sure you are looking at me.

 I will do!

Hot Dog runs out of school.

 What happened in there? Did you get in big trouble?

 She got really mad at me.

 About what?

 I was looking at Golden Queen instead of her.

 So you admit you get happy over Golden Queen?

 Yes, I admit Golden Queen is bae and sexy, okay?

 Never thought I would hear something like that from you.

 Not everyone is asexual, Wrecking Ball.

 What's asexual?

 Yeah, what is it?

 I used to be innocent like you guys until I educated myself with the internet.

 You're the reason I'm not innocent, Pop Thorn.

 True, I showed you the way.

 Uh, whatever it is you guys are talking about, I didn't get to do my presentation with Sunburn, Bash and Flashwing.

 Why not?

 Stupid Crash Bandicoot took twenty whole minutes.

 Thankfully, it got me out of doing anything with stupid Flashwing.

 Whatever, Bash.

 Maybe we'll get to do it next week, Scratch.

 Yeah, maybe you're right.

 Presentations are lame, though.

 I guess we better go.

Hot Dog runs back to the Skylanders HQ.

 Does Hot Dog need help?

 It looks like he has put himself in a bad situation.

 It's not his fault, is it?

 He should have kept his attractions on the low, so no one would he was attracted to Golden Queen.

 Maybe it was very difficult for him to do it.

 How was it? I do it every day.

 You like someone, Pop Thorn?

 I don't have a crush or anything lame like that.

 What is it, then?

 I find some people attractive, but I wish to not be in a relationship.

 Sounds pretty legit.

Later at the Skylanders HQ.

 I guess it's time for bed.

Hot Dog gets into his fireproof bed.

 You better watch yourself.

 AH uh, what are you doing in my room?

 I'm making you aware of the consequences.

 I told you I wouldn't look at her.

 I don't even want you to think about her.

 Why are you being such a towel?

 Because I am the sexiest Skylander!

 That's pretty subjective, Ninjini. I thought you were a really cool person until now.

 I'll make sure you know cool.

Ninjini locks the door.

 Ninjini? Ninjini, what are you doing? Ninjini? NINJINI!
Whatever happens, Hot Dog manages to survive that night.

Story 106: Sensei Kaos

Part 1

In the Skylanders Meal Room.

 WRECKING BALL! WRECKING BALL!

 Yes, Hot Dog?

 I had a real bad time with Ninjini

 What did you do with Ninjini?

 She went into my room and made me listen to "Wrecking Ball".

 Noooooooooooooooooo! How could she do that?

 I'm hurt real bad.

 Wow, what a baby.

 Be quiet, dweeb.

 How am I a dweeb?

 Stop talking, nerd.

???: Yo, let's make some noise up in here!

 That sounds like...

 It's me, Kaos!

 What the heck is Kaos doing here?

 I have made a new life, and now I am a Sensei.

 A sensei?

 Some of us "Villains" have reformed after all of these rehabilitation sessions with Gusto.

 So you're telling me that, you're Skylanders now?

 No, we're Sensei Skylanders!

On the academy speakers:  Skylanders, we need you all in the assembly room immediately.

 What am I gonna do about Ninjini, Wrecking Ball.

 I'm not sure right now, but I will make sure that I help you along the way.

 Thanks, bro.

 That's cool, my brother.

Part 2

In the Assembly Room.

 I've got some announcements to make to you all.

 Announce your lies already, Spyro.

 Blackout, nothing I say will be a lie of any sort.

 You all fail to see the bigger picture!

Blackout leaves the Assembly Room.

 Anyways, I have to announce the addition of the Sensei Skylanders!

 Explain them, idiot.

 First off, we have the reformed Villains!

All of former Villain Sensei Skylanders come on stage.

 Oh no, Golden Queen!

Hot Dog turns around to see Ninjini staring at him.

 This is not all I have to announce, however, as I also have to announce our new group of recruits!

All the new Sensei Skylanders walk onto stage.

 It's Crash Bandicoot, woo!

 Yes, even my good friend, Crash Bandicoot.

 Me and Spyro go waaaaaaaaaaaaaaaaaaaaaay back, everyone. Want to hear our story?

 No.

 As much as we'd all love to hear your story, we have to get on with the assembly.

 Of course, Spyro. Of course.

 Spy Rise, would you like to come up on the stage?

 Of course not, Spyro.

Spy Rise gets onto stage.

 I have been engineering a new virtual reality system.

 What can you do in there?

 It's not finished yet, but I'm sure it will not take too long to be finished.

 I'm sure we will all get to use it soon.

 Can we actually get good lives?

 All right, no more discussion here. We will have the second half of this assembly another morning.

Part 3

Not sure if super lame or super cool.

Super cool.

I'm not really too convinced y'all are really reformed.

Oh Wrecking Ball, I've always loved you, you know?

What kind of love?

He means the kinky kind.

No, friend. You have misunderstood me.

I will be jamming me friend in the name of the Skylanders.

Sounds terrible.

Chompy party!

NO! We're not doing any of this! Keep clear from the real Skylanders or KYS.

Sorry to be a bother, Wrecking Ball.

Party at my club!

Woo! I'm make sure I'm there, Golden Queen.

I need to be there.

Please don't go, Hot Dog.

It's Golden bae!

No, please don't be like that Hot Dog.

'Member, we can't blame him.

What's so neato about Golden Queen?

She looks real good.

Real good? HELLA GOOD.

Hot Dog, you can't handle the wrath of Ninjini.

I'll kill that spaz.

Is he allowed to say that?

I don't think so.

Now, please let me get ready for the nice night.

I guess we'll sort this out next time.

Story 107: Hot Dog Gets Laid?

Part 1

-  What can we possibly do, guys?
-  Hot Dog is man enough to figure something out.
-  He's doing a derp!
-  We can't help him, can we?
-  I'm not sure what we can do to save him from Ninjini.
-  How about we get into that party ourselves?
-  Shroomboom, what are you thinking?
-  If we can manage to get into that party ourselves, we can stop Ninjini or Hot Dog from messing up the place.
-  That's a great idea, but how can we even possibly get into that party?
-  If Hot Dog can find his way into that party, we can get into the party as well.
-  Okay, you're probably right.

Meanwhile.

-  It appears I'm out of options. I guess I need to destroy Ninjini myself.
- Hot Dog gets a knock on his door.
-  Uh, please come in.
-  Hello there, Hot Dog.
-  G... G... Golden Queen? What are you doing here?
-  Just giving you a little heads up about my party tonight.
-  I'll... I'll make sure I am there!
-  That would be marvelous, Hot Dog. See you there. 😊
-  Holy snap.

Later Meanwhile.

Ninjini pulls out a USB drive.

-  This will make sure the party will be trash.
- Ninjini gets a knock on her door.
-  Hey, Ninjini? Do you have any plans tonight.

 Nope. I'll make sure I arrive to your party right on time.

 That's wonderful.

Golden Queen begins to leave.

 Very wonderful, bi...

 Are you saying something to me?

 Oh, sorry. I was just talking to myself.

 Okay, bye, Ninjini.

Just before the party begins.

 Hot Dog, this party will be 100% lame.

 You can't talk me out of this.

 If you go to this party, Ninjini will do something horrible to you.

 I'm ready for anything.

 No, please reconsider.

 Hot Dog, you gotta watch yourself, buddy.

 Please, just let me go to the darn party.

 Fine, it doesn't look like we can stop you anyways.

Wrecking Ball, Pop Thorn and Shroomboom leave.

 Looks like we're going to a party, y'all!

 I guess we'll just walk in, right?

 I guess so.

Part 2

The party at The Outlands

 Yes, I finally made it here!

 Make sure to behave well for us, will ya?

 I'll behave well for Golden Queen, thanks.

 Watch yourself with me, Dog.

 I'll bite your flipping nose off, nerd!

 Woah, woah. Boys, stop with this pointless fighting.

 You're right, Golden Queen. How about me and you go to the back?

 Sounds wonderful, Wolfgang.

 Oh, hell nah!

Hot Dog jumps on Wolfgang.

 Please stop!

 Are you all ready? I've got some great music for everyone to hear!

Ninjini puts on "Wrecking Ball" by Miley Cyrus.

 Woo!

Wrecking Ball, Pop Thorn and Shroomboom fall the ceiling and begins attacking Ninjini.

 I hate this faeces!

Wrecking Ball eats the whole computer that plays music.

 Thanks, Wrecking Ball!

 You're welcome, Hot Dog. Wanna come home now?

 Nah, I've got some business to attend to.

Hot Dog starts biting Wolfgang's nose.

 WOAHH. Hot Dog stop!

 Hot Dog is doing so well.

 Get offa me!

 Hot Dog, how about you come to the back with me?

 Score!

Hot Dog runs behind Golden Queen.

 Oh snap!

 What are they going to do?

 If we don't hurry up, Hot Dog is not going to our old pal anymore.

The three begin running to the room in the back.

 So, what are we doing here?

 Why don't you lay down and find out?

 Um, what exactly do you mean?

 We're going to have some fun.

 Is that bed fireproof?

 I hope not. 😊

Hot Dog gets into the bed.

 Oh no! The door is locked, guys!

 HEEEEELP!

 What's up, buddy?

 You just gots to break this door down!

 I can't just barge in on people's privacy.

 DEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEW IIIIIIIIIIIIT!

Tree Rex manages to break the door down.

 I... I...

 What happened?

 I BECAME A MAN!

Story 108: Wrecking Ball's Discovery

Part 1

Almost a month later.

 Come out of your room, Hot Dog.

 No! I'm very busy.

 What is he even doing in there?

 He has discovered the wonders of the internet.

 Club Penguin and Happy Wheels?

 No, the blocked websites.

 Why would he want to go on those?

 For pleasure and excitement.

 I don't understand.

 You will have had to have seen some mad faeces to understand.

 Let's go confront Golden Queen.

 That is Hot Dog's woman now.

 So? We need to free him.

Hot Dog comes out of his room with paper towels in his paw.

 Um hi, guys.

 You should have waited until we were gone.

 Hot Dog, you haven't been cool with us since that night at the party.

 I'm just really busy. I'm going out with bae later.

 Me?

 My other bae.

 You can't leave us like this!

 You're still my best friends.

 BROS BEFORE H...

 PALS BEFORE GALS!

 Yeah! That...

 Wrecking Ball, you not a dumb kid anymore, so I thought you would understand me by now.

 I do understand. Look, I know I'm just asexual, but I understand your needs for Golden Queen. I just don't want to lose my friend.

 What did you do with Golden Queen?

 Shroomboom, be glad you still have your innocence.
Hot Dog walks to the bathroom.

 I need to talk with Hot Dog.
Pop Thorn goes to Hot Dog.

 Wrecking Ball, do you know what they did?

 I wish I could pretend I didn't.

Part 2

 Hot Dog, I know what's happening around here.

 I'm glad you understand me.

 I hope you don't get yourself into a big mess.

 What would you know? You haven't been in a relationship.

 You're together?

 All right, yeah, me and Golden Queen are together.

 What do you like best about her?

 Everything.

 What did you like before you knew her personality?

 The nice facial structure.

 And?

 That was it.

 I know that's not true.

Her thighs are hella thick.

That's what I like to hear.

Okay, I need to get ready for later.

Just make sure to watch out for Ninjini and anyone who wants to steal your bae.

I'll make sure I do.

Pop Thorn returns to Wrecking Ball and Shroomboom.

Let's go play Left 4 Dead.

Without Hot Dog?

We can't play without him!

Am I welcome to join?

Sure thing, Scratch!

Great, that sounds awesome.

Hey, Scratch.

Oh hi, Sunburn.

Wanna watch Rogue One together?

I watch it a few weeks ago.

Ouch, that was with us.

Oh, sorry. I guess I'll see you around.

Sunburn walks back to his room.

Just tell him you don't want to be his girlfriend.

He doesn't want that, does he?

Duh, of course he does!

Does he, Wrecking Ball?

Looks pretty obvious to me.

I need to go to him.

Scratch runs to Sunburn's room.

What about Left 4 Dead?

Darn it.

I guess we'll do it with three of us.

I'mma call Stealth Elf on Discord.

Part 3

Wrecking Ball is on his PC.

 Stealth Elf, wanna play Left 4 Dead?

 I'm busy right now.

 What with?

 Flameslinger.

 What's up, homie?

 Okay, I understand. Just make sure to play with me before I die.
Wrecking Ball ends the call.

 She's never even going to play Left 4 Dead again. I'll see if I got a bot on Skype.
Wrecking Ball gets a friend request on Skype.

 Cool! Wait, that's not a bot, is it?
Wrecking Ball looks at the person's name.

 Plo Koon? Woah, Plo Koon is an awesome Jedi. I gotta add Plo Koon as a friend.
Plo Koon: Text: Wrecking Ball, come outside.

 Text: Outside? What do you mean? You don't know where I live.
Plo Koon: Skylanders HQ.

 Okay, I'm gonna look outside.
Wrecking Ball puts his headset down and runs outside.

 Is this Plo Koon just a troll?
Plo Koon: No, I'm not.

 Plo Koon?
Plo Koon: Listen, I'm not really Plo Koon. I'm just here to help you on your journey.

 Journey to what? You could be attempting to kidnap me right now.
Plo Koon: I'm going to help you find your Kyber Crystal.

 My Kyber Crystal? What do you mean? Lightsabers aren't a real thing.
Plo Koon: They are. I'll help you find your Kyber Crystal.

 It's not possible because I'm not force sensitive.
Plo Koon: Wrecking Ball, you will see.

Part 4

Meanwhile on a Discord server.

 Wrecking Ball has bailed on us?

 Looks like it.

 I guess we'll play together.

 Isn't there anyone on our Steam friends list that can play?

 Chopper?

 No, he's trash at Left 4 Dead.

 Spy Rise?

 He plays other games too much to be good.

 Hex?

 She's not on our friends list.

 She's on mine.

 Why the heck would you have Hex as a friend?

 She didn't have any friends on her friends list.

 That's because no one likes her.

 Fright Rider does.

 Wow, her only other friend on Steam.

 Let's okay with them!

 Sure, why not?

 Message: Play with us, Hex.

 Message: Who are you?

 Message: I'm Shroomboom!

 Message: That thing. Okay.

 I'll add her to our Discord server.

 Hello, nerds.

 Are you good at Left 4 Dead or not?

 I beat Expert once.

 So?

 With bots.

 We need you!

 My boyfriend is going to play too.

 Fight Rider is your boyfriend?

 Yeah, we learned that he needed me again.

 Is he good at Left 4 Dead?

 No.

 Great.

 Yo!

 Let's play, babe.

 We're totes gonna love this.

 I bet we are!

Part 5

 Sunburn, may I come in?

 Of course, Scratch.

Scratch goes into Sunburn's room.

 Do you truly have feelings for me?

 I... Yes, I do, Scratch. I just haven't had the guts to tell you.

 Come here.

Sunburn goes in for the kiss, but Scratch hugs him instead of kissing him.

 You will always be my best friend.

 What?

 I'm not really into you that way.

 Oh.

 It's because I'm...

Scratch whispers into Scratch's ear.

 Aw, DAMMIT.

 Is that not okay, Sunburn.

 I'm sorry, it's okay.

 Good, I'll see you around later, okay?

 Okay, Scratch.

Scratch leaves.

 Looks like there isn't really anyone for me.

Meanwhile, in The Outlands.

 How much further is it, Plo Koon?

Plo Koon: We are almost there, Wrecking Ball.

 How am I going to find it?

Plo Koon: The Kyber Crystal which call to who is chooses.

 How do you know it will choose me?

Plo Koon: I have foreseen it. That's why I added you on Skype.

 I suppose that makes sense.

Plo Koon: We shouldn't be too far off its location.

 I see it!

Wrecking Ball runs into a cave.

Plo Koon: Wait, Wrecking Ball!

Plo Koon runs into the cave after Wrecking Ball.

My Kyber Crystal!

Plo Koon: Looks very beautiful.

Plo Koon pulls out a gun.

Plo Koon: Hand it over.

Huh?

Plo Koon: You lead me right to a Kyber Crystal, and now I will be taking MY Kyber Crystal.

What? You can't! It calls to me!

Plo Koon: Plans have changed. Hand it over.

Here... NOPE!

Wrecking Ball Tongue Whaps will gun out of his hand.

I'mma take you down, right now!

Plo Koon: I'll murder you, Wrecking Ball.

No way!

Wrecking Ball Forcefield Balls Plo Koon into the ground.

I have to run!

Wrecking Ball begins to run off.

Plo Koon: You will regret that! I know where you live, Wrecking Ball!

Part 6

At Golden Queen's room.

???: Come in.

Uh, Golden Queen?

Hot Dog opens the door.

Oh no! Wolfgang and Ninjini!

We're here to put you down, dog.

What do you want from me? Wolfgang, Golden Queen doesn't like you, and Ninjini, you're obviously not the sexiness because no one wants you.

How dare you!

Can't take the truth?

Looks like you can't.

Huh?

Golden Queen comes from outside of the room and knocks out Hot dog.

It has been a pleasure working with you two.

Agreed, Golden Queen.

Later on in an unknown location.

 Ow, my head. Hey, why am I in a cage?

 You're going to be our sacrifice.

 Golden bae, why?

 Like someone as sexy as me would want a dog like you.

 But you even showed me your thighs!

 If I really wanted you, I would have done a lot more.

 Are you ready to die, Hot Dog?

 I thought you were good people!

 We are. We are saving all of Skylands to sacrifice you.

 That doesn't make any sense.

 It has been my orders.

 KAOS!

 Look, I didn't necessary want it to be this way.

 You just want to kill me because you're a stupid idiot.

 I actually have a raging beast who will only eat living creatures.

 Why does it have to be me?

 Your attraction to Golden Queen was the perfect way to draw you in.

 Look, just let me go, and I won't tell on you guys.

 You won't be able to tell anyone when you're no longer living.

Hot Dog is placed into an arena with the giant monster.

 My communications device! Clicks button. Wrecking Ball, I need your help right now!

 Where are you at?

 Locked in a cage in some arena.

 Okay.

 Okay? I need help now! Wrecking Ball? Dammit!

 My beast cannot be killed.

 What even is that?

 Sly Snootles.

 It's so hideous.

Part 7

Wrecking Ball breaks in the arena.

 Wrecking Ball! How did you know where to find me?

 I fought John Cena here once.

 Ninjini, Golden Queen, Wolfgang, run!
Those four leave.

 How can you save me?

 With this.

Wrecking Ball pulls out his yellow Lightsaber and destroys the cage.

 Where did you get that?

 I'll explain it later. RUN!

Hot Dog and Wrecking Ball leave the arena.

 What about the beast?

 Um... We leave it here?

 That doesn't sound very safe.

 We are at The Outlands, so it should be okay to stay here.

Plo Koon: You think I wouldn't catch up to you?

Wrecking Ball ignites his Lightsaber.

Plo Koon: You hold it with your tongue?

 Where else is he going to hold it?

Wrecking Ball cuts Plo Koon's gun in half.

 I suggest you leave while you can.

Plo Koon: You will regret this!

Fake Plo Koon runs into the arena.

 What an idiot.

 Let's go home.

Wrecking Ball and Hot Dog get back to the Skylanders HQ.

 So, they were gonna feed you to that monster that probably ate Plo Koon?

 Yep, Golden Queen used me.

 Just remember to stay with your pals.

 Can't we get them in trouble?

 I have an idea on how you can get your justice.

 How?

 We'll do it on Monday at school.

Meanwhile.

 We won!

 You guys left me for dead.

 That's because you suck at the game.

 You're right, Hex.

 It has gotten real late. I am going to sleep.

 Me too. Bye, guys.

 Bye, special boy.

 Now what?

 Get to my room.

Story 109: Massacre of School

Part 1

In Maths.

 Al Iright guys, we're going to find out what X is.

 X, sir?

 X, Stink Bomb.

 Isn't this Maths?

 Yeah, we're finding out what X is.

 Look everyone, this is completely derptastic, and we shouldn't learn this junk!

 Wrecking Ball is right!

 I say we blow up the school!

 Woah, Wrecking Ball.

 Do you guys need convincing more?

 Yes.

 Golden Queen and Ninjini are total trash piles!

 I thought they were pretty hot.

 Shut up, Boomer. I'm the one chance you have got!

 They almost got me killed!

Ninjini and Golden Queen walk in.

 Is that so, Hot Dog?

 I'mma bite your nose off!

Hot Dog, do you want detention?

There won't be detentions when I'm done with this!

Get to isolation!

I'll take him there.

Sir, I must object to the isolation!

He's threatening the school.

Golden Queen is going to do something bad to him!

That's nonsense. Every teacher here is very trustworthy.

It's fine, Wrecking Ball. I know what to do.

Golden Queen and Ninjini walk out with Hot Dog.

I trust that you know what to do.

Yes, Ninjini.

Ninjini goes back to the English classroom.

I hate you.

I never wanted this to happen.

Oh, really? Like I can believe that!

I would have saved you if Wrecking Ball didn't do it first.

LIAR! You're with them! You brought me there to kill me!

Please, listen to me, Hot Dog.

No!

I need you to kill Ninjini.

Golden Queen gives Hot Dog a knife.

I know where she will be after school.

I'm not a murderer!

Ninjini is actually incredibly evil. Kaos and Wolfgang are just spazzes.

I'm not doing it.

Part 2

Not even if I?

Golden Queen whispers into Hot Dog's ear.

I'll do it.

Now, get to isolation!

Yes, Golden Queen.

Meanwhile.

What's X?

It's a letter.

No, he's asking what X is equal to.

It won't matter soon.

Why's that?

I'mma blow up the school.

You what?

I need you two to help me.

Okay!

No, we are not doing that.

What bad can happen?

People will die!

That's why you guys need to start the fire alarm.

Think of all the money Spyro put into this school.

I don't care about that. Spyro is hella loaded.

Fine, I hate this crap.

Start fake fighting Pop Thorn, Shroomboom.

Okay!

Shroomboom punches Pop Thorn and then end up fighting into the fire alarm.

There is totes a fire! RUN, Y'ALL!

Everyone starts leaving school.

Stop! There's not really a fire! These derps did it! Aw, forget it.

Crusher runs outside as well.

Now what?

you two get Hot Dog and leave.

Okay!

Pop Thorn and Shroomboom run to the isolation room.

Sweet, I get use my Lightsaber.

At the isolation room.

Come on out!

The door is locked!

OH NO!

 We need to leave before Wrecking Ball blows this place up!

 I guess I'll burn it.

Hot Dog burns the door down.

 We need to remember to use our powers more.

The three run outside.

Part 3

In the school basement.

 It's pretty cold down here.

Wrecking Ball pulls out and ignites his Lightsaber.

 My info was correct. There's a power generator here!

Wrecking Ball sticks his Lightsaber into it.

 Looks like I gotta run!

Wrecking Ball puts his Lightsaber in his back and runs out of school.

 Looks like it's safe to go back in.

 I doubt that.

 RUN!

 Run from what?

The whole school explodes.

 OH MY!

 Sweet.

Meanwhile

 What the heck was that?

 The Skylanders School has exploded, Spyro.

 The heck? DAMMIT!

Spyro makes it to the school site with a bunch of water Skylanders.

 What happened here?

 It looks like the school has exploded.

 How can that be?

 *Cough* Faulty generator *Cough*.

 Wrecking Ball, do you know something?

 I just saying the basement generator might be trash.

 Everyone, get back to the HQ.

 Home time!

 Wrecking Ball, meet me in my office.

 Crap.

At the Skylanders HQ in Hot Dog's room.

 Hot Dog, let me in.

 Okay.

 Ninjini is in the City at a bar.

 You better be telling the truth.

 You know what you will get if I am.

 YEAH BOI!

Hot Dog and Golden Queen leave the room.

 Let me lock this.

 Can I not stay in your room?

 No, you can't stay in my room.

 I just want to be ready for later.

 Fine.

Golden Queen goes into Hot Dog's room.

 Let's just get this over with.

Part 4

 How did you know about the generator?

 I went to the basement before.

 That's not possible as security usually guards it.

 Okay, I got told by someone about the generator.

 Who?

 I'm not saying anything.

 Tell me or I'll take your things.

 My bag? No, you wouldn't dare do that to me.

 Just tell me.

 Dr. Neo Cortex told me.

 He's the one who made the generator for us.

 Why did you even need a generator at school?

 Doesn't matter. I just need to know why it was faulty.

 Uh, you go ask him that.
Wrecking Ball begins to leave.

 What's in your bag?

 My crayons.

 I know you use felt tips.

 I upgraded.

 That's a downgrade.

 Just let me sleep.
Wrecking Ball leaves the room.

 Troubling.

Meanwhile in the City.

 I know Ninjini is a meanie, but should I really kill her because Golden Queen said so?
Maybe I should just teach Ninjini a lesson!
Hot Dogs walks into the bar.

 Ninjini, why you such a pleb?

 How did you know I was here?

 Because I'm real smart.

 When will you finally get out of my business?

 When you apologise.

 Apologise for tricking you and almost getting you eaten?

 Pretty much.

 Okay, I apologise for my actions. I just did it for the money.

 Who is playing you?

 It was Kaos who wanted his beast fed.

 Then I'll have a little talk with him. Thanks for not really being a meanie.

 Sure thing.

Part 5

In Dr. Neo Cortex's room.

 Dr. Neo Cortex, why did the generator malfunction?

 Look, Spyro, it's clearly not my fault that the generator malfunctioned. Who do you think I am?

 How could the generator explode like that?

 It must have been destroyed.

Destroyed?

I'd say that someone destroyed it.

Who would be able to get into the school and destroy it?

That's for you to find out.

Heh, thanks, Cortex.

In Hot Dog's room.

Hi, I'm back.

Is she dead?

No.

Yeah, I guess I didn't really expect you to do it.

You can't expect to kill her. Besides, she said she was sorry about what she did.

How can you believe her?

How can I believe you? Look, I'll sort this out on my own.

I guess you don't want me anymore.

Not right now.

Fine.

Golden Queen leaves the room.

Pals before gals.

In Wrecking Ball's room.

I wonder what made my Kyber Crystal yellow. Only the Temple Guards and Asajj Ventress had them in canon.

Wrecking Ball opens his bag.

I made this pretty fast.

Spyro walks in his room.

I need to ask you some questions.

Wrecking Ball puts the Lightsaber in his bag.

Spyro?

Should I have knock first?

Preferably.

Oh, I apologise then.

Look, I'll answer you questions tomorrow.

Why not now?

I'm really sleepy.

Okay, I understand. I'll ask you tomorrow morning.

Okay, great night.

Good night.

Story 110: Bombed

Part 1

It's been tough without a job for the past few days.

I'm not so sure if the school was really helping the Skylanders too much.

What do you mean?

I'm sure they are truly educated enough. Anyways, wouldn't you prefer to be at home?

No, I kinda need something to occupy me.

I'll see if there are any missions I can send you on.

An explosion occurs in the Skylanders HQ Meal Room.

Quickly.

Spyro and Tree Rex run to the Meal Room.

What's going on here?

Spyro, there's been an explosion.

I can see that.

It appears that someone must have planted a bomb in here.

Who could even do that? No one even gets in here except Skylanders.

Want us to find out?

Hmm, I think we'll need someone else for that job.

Not me?

No, I'll request who I wish to have do this mission.

But, we're always great at missions.

Yes, but you're not the only Skylanders, are you?

N... No.

Exactly. Tree Rex?

Yes?

Go get some other Skylanders and go investigate this mystery.

Yes, Spyro.

I guess I'll see you around.

What about those questions I was going to ask you?

Oh, I guess I could answer them.

A grenade is dropped in the room.

Everyone, move back!

All of the Skylanders get out of the way, and the grenade explodes with purple gas.

Everyone, get out of the room, and you need to lock these doors!

The Skylanders all run, and they lock all of the doors.

All right, Wrecking Ball, you need to get your friends, and you need to find out who is out there.

Okay, I'll go get them, Spyro.

Part 2

Come on, guys!

What's up?

We need to look outside for the nerd that it attacking our HQ.

We'll make them pay.

The four head back to Spyro.

No, no, get back upstairs.

You told me to get friends and...

No, Tree Rex is doing the ground search.

Right, we'll look out of the top floor windows.

Yeah, go.

The four run back upstairs.

I don't see anyone outside here.

Looks like they have already made their way out of here.

Meanwhile.

I can't see anyone out here.

This is incredibly lame. Let's get going!

Wrecking Ball opens the windows and jumps out.

 I guess we'll follow.
The other three Skylanders jump out.

 Wrecking Ball!

 We got this!
The four continue running.

 Sorry, Tree Rex.

 It's fine. I'll just go rest.

Meanwhile.

 He's probably long gone by now.

 Perhaps.

Someone jumps on top of Hot Dog.

 Get it off!

They all attack the person.

 Blackout?

 The Skylanders shall pay for their deception!

 What the heck are you doing?

 We are in need of new leadership, Wrecking Ball.

 Of course we are.

Hot Dog bites Blackout while the others pin him down.

 Let's take him back to Spyro.

Part 3

At the Skylanders HQ.

 Blackout? Why would you do this, Blackout?

 I'm sick of your corrupt leadership, Spyro. You will be taken down soon!

 I have no idea what you are talking about.

 You think you can do shady business and get away with it? You're putting our lives at risk, Spyro!

 Skylanders, put him in his room and lock the door.
Some Skylanders take him away.

 Okay, looks like that mess is over.

 Spyro, what was Blackout talking about?

 Seems like he was rambling on about nonsense.

 What's the shady business?

 There was no shady business.

 Spyro, I think we should go to my room and resume our discussion.

 All right, Wrecking Ball.

In Wrecking Ball's Room.

 What do you think happened to the school?

 It exploded.

 Yes, but how?

 Maybe Blackout planted a bomb.

 Doubt it.

 Why's that?

 It seems like it was a problem with the generator.

 You had a generator inside the school? What did it do?

 It doesn't matter what it did. I want to know what you're not telling me.

 Look, I was not involved with this.

 I never claimed you were.

 Uh... Well, that's what it seems you're making out!

 Tell me the truth.

 I destroyed it.

 Why? Why would you do that to me, Wrecking Ball?

 I wanted to end school.

 And you would destroy something expensive like that?

 You're loaded with dollar!

 It gave the school electricity and easy water supplies at a cost of dangerous purple gas. It was cheapest way to operate a school.

 And you just had to get the one that puts us all at risk?

 I did it for all of your education.

 Which we didn't even need!

 And I realised that.

 Why do I get the feeling there is more to this?

 You don't trust me?

 You should have got a normal generator.

 Look, I owe a lot of money, okay? I can't get an expensive normal generator.

 Then you shouldn't have decided to make a school for us.

Part 4

 It seems Blackout has been captured by the Skylanders.

 I don't think we should attack the Skylanders.

 We need to get me in control over Spyro.

 Yes, but we can't do that at the cost of lives, can we?

 Not anymore. Look, we have not killed anyone. The gas that we got from Spyro's generator won't kill anyone.

 What does it do?

 Weakens the victim for a short amount of time.

 And you first attempted this with that beast of yours?

 That would have only killed Hot Dog.

 Which is not what I really wanted.

 You actually like that dog?

 He's more charming than you think.

 And that's why you couldn't get him to take care of Ninjini? She knows our plot, and she is still around.

 I think I am done with this plot as well.

 I can't let you leave.

 We are meant to reformed villains now, Kaos. We don't do things like this anymore.

 Spyro is a menace! It's for the greater good of all of us!

 I'm not going to tell anyone.

 I'm out as well.

 I cannot let you two leave!

 Kaos, stop this plan now, and we won't tell a soul.

 Ah, fine!

All three of them the cave in the Outlands.

At Hot Dog's room.

 Looks like it is finally time for some rest.

There is a knock on the door.

 Um, come in.

Hi, Hot Dog.

Oh, hello, Golden Queen.

I need to tell you some things.

Go on.

Originally, I just wanted to feed you to Kaos' beast, but I have come to realise that I cannot do such horrible things anymore. And, to be honest, I believe that you helped me along that path.

That's cool.

And me wanting Ninjini killed wasn't really my wishes.

Yeah.

And I think we are going to have some fun.

Yeah?

Golden Queen locks the door and turns the light off.

Part 5

In Spyro's room.

I might as well confess myself to the Skylanders.

Later at the Skylanders' meeting room.

Everyone, I must confess something. While making the school for your education, I took a cheap shortcut in the making of the basement generator. I have to come to realise doing that was a bad idea, and making the school in the first place was also a bad idea. So, I feel like I should no longer be in any control over the Skylanders.

No, wait, you just made a mistake. You don't need to resign from leading us.

I no longer feel I should be in control.

Who will lead us now?

There will be a voting system in place. The Skylander that gets the most votes, will be the leader of us all.

Whispers: This is brilliant. Spyro has given me my rise to power himself.

The polling system will be placed within the meal room. Until a new leader is elected, I will take over the minor control. Everyone is dismissed.

Later on Discord.

I found out that he did all of this stuff, but I didn't want him to resign like this.

He did put us at risk.

 One of his final orders was to border the school site. Blackout can't get anymore of that gas.

 Makes you wonder if anyone else did.

 So, are we playing Left 4 Dead 2 now?

 Hot Dog isn't online yet.

 Was he even at the assembly?

 Hmm, actually, I don't think he was even there.

 Why don't we go to his room?

At Hot Dog's Room.

 Hot Dog?

 You could learn to knock first, Wrecking Ball.

 Oh well.

 Me and Golden Queen as just looking at memes.

 You're back with her again?

 Looks like you couldn't resist her. I understand that.

 We're playing Left 4 Dead 2 now. Tell your girl to leave.

 Just let me look at a few more memes.

 Fine, let's go play, guys.

Several hours later.

 Haha, these women can't even park their cars.

 They are women though, right?

 Haha, that is so true.

On Discord.

 This just isn't as fun without Hot Dog.

 I like how he said "A few more memes".

 I'm gonna go to bed, y'all.

 Night.

 Goodnight, Shroomboom.

Shroomboom disconnects.

 I guess we vote for a new leader soon.

Story 111: The New Leader of the Skylanders

Part 1

Time to come out now.

You have finally seen the truth?

Yep.

How have you all finally understood?

Spyro confessed all of his shady business himself.

What about Kaos?

What about him?

Has he done anything?

Not that we know of.

Interesting...

Meanwhile.

Please Hot Dog, stop hanging with Golden Queen and play with us.

I can't just stop hanging around with Golden Bae.

I thought you weren't going to let this happen.

But, Golden Queen saw the error of her ways and is truly a great person.

I'd hope so... For you sake.

Wrecking Ball, Shroomboom and Pop Thorn walk along to the meal room.

Who do you guys think will be voted the new leader?

Hopefully it's not some spacker.

Not Hex then?

Exactly.

I wonder if I will become the leader.

Doubt it.

Why?

It'll probably be some who has shown true leadership skills in the past. In fact, it could even be Wrecking Ball.

What?

 Have you never thought that it could be you? You have done so much for the Skylanders. To be honest, I think you have done more for us than anyone else.

 I wouldn't go that far.

 Honestly, Wrecking Ball.

 Pop Thorn's right. I think you have you have a great chance at becoming leader.

 I don't think I would lead very well. Besides, they probably won't even vote me anyways.

 Well, I believe there's a great chance they will.

In Kaos' room.

 I need to start my campaign to ensure they will vote me!

Glumshanks: I can't believe I am working with you again.

 Why wouldn't you be?

Glumshanks: Remember what happened before you died?

Well, I've been a good guy twice since then.

Glumshanks: I guess I'm here to help you become leader then.

 Precisely.

Glumshanks: I'd suggest promising things that seem really good to the Skylanders and...

 Not deliver on all of my promises when I become leader!

Glumshanks: I wasn't going to suggest that...

 Great plan, Glumshanks! It's now time to start my campaign!

Part 2

In the Meal Room.

 I assure all of you that I will deliver on all of these promises! Vote me for leader!

 Kaos, do you really think any of us are actually going to vote for you?

 Why wouldn't they? I am a good guy now.

 Hey, you pulled some crap on us a few times!

 What? What are you even talking about, Wrecking Ball? Are you just blaming me for random things, so they won't vote me for leader?

 Yes, but I'm not making anything of these things up!

 Why don't you just back away, Wrecking Ball?

 Kaos does not deserve to be our leader! Skylanders, vote for anyone but him!

 Wrecking Ball is right.

 I haven't seen Kaos do that much wrong.

 Do you not recall what he did to us when he was with the darkness?

 He's a changed... Midget now.

 I don't believe that someone like him can change that much.

 We should all vote Wrecking Ball.

 I'm out of this joint. Come on, Donkey Kong.

Bowser and Donkey Kong leave.

 Wrecking Ball would be a great leader, guys. Vote him!

 Isn't he about five years old?

 Hey, we all age differently.

 Wrecking Ball has done great things for all of us, but I don't believe Wrecking Ball is fit for leadership.

 I agree with Gill Grunt. He might end up destroying us with his wacky actions.

 Who else can lead?

 ME!

 Apart from Kaos and Wrecking Ball.

 Stealth Elf?

 I don't have the the drive for leadership.

 Yeah, me neither.

 Then I see no other choice.

 I guess we'll see what happens.

After the voting has finished.

 By an overwhelming number of votes, the new leader of the Skylanders is...

 My time has come!

 Kaos!

 Yes!

 No way.

 It is an absolute honour to be leader of you all!

 Who even voted for you?

 You all did.

 I didn't.

 Do all of you guys believe you voted Kaos?

All of the Skylanders say no except Blackout.

You're all a bunch of liars!

We're all re-voting tomorrow.

Part 3

In Kaos' room.

Blackout, you said that would work.

I'm sorry, Lord Kaos.

Glumshanks: How did you manage to recruit Blackout?

He's always been loyal to my cause.

Glumshanks: Don't Skylanders have to be really good people?

They only have to act like they are.

Glumshanks: Is Blackout under your control?

What could you possibly mean?

Glumshanks: All of the other dark Skylanders are at least good.

Please stop talking about this nonsense.

You must help Kaos become leader.

Glumshanks: I am doing the best I can.

In Wrecking Ball's room.

We need to stop Kaos from screwing about with the votes.

You're right.

How can we do that?

Can't we get them to remove Kaos from the votes.

All Skylanders are meant to be involved.

It doesn't matter if Kaos is a Skylander or not. He fooled around with the votes, and he needs to be punished.

No, we will leave him in the voting system. We'll just make sure he won't mess around with the votes.

it will be good to knock Kaos down!

In the Skylanders Meal Room.

Keep yourselves on the lookout for Kaos.

Is that Glumshanks over there?

He's still around?

And still working for Kaos?

I'll get 'im!

Shroomboom runs over to Glumshanks and tackles him.

Good job, Shroomboom.

Glumshanks: What did I do wrong?

Kaos' servant needs to go back to Kaos' room.

Glumshanks: But...

Go or we'll make you.

Glumshanks: Okay.

Glumshanks leaves the room.

Looks like nothing has ruined the votes yet.

Pop Thorn rolls into Blackout.

How did you notice him so quick?

I'm just on edge.

I was just placing my vote.

No one is voting for Kaos anyway.

Shroomboom and Pop Thorn take him away.

I'm here to place my vote.

You can't vote for yourself.

Why do you think I am going to vote for myself?

You don't want anyone else to win.

And they won't.

Wrecking Ball Tongue Whaps Kaos.

I haven't done anything wrong.

I don't trust you!

Voting ends in five minutes!

Get out of my way!

No!

Wrecking Ball pulls his Lightsaber out of somewhere and cuts Kaos' leg off.

Ahahahusbshaj. HELP ME!

Oh snap.

Part 4

What the heck happened?

He cut off my leg.

 Uh, Thumpback, take Kaos to his room and reattach his leg.

 All right, Gill Grunt.

Thumpback takes Kaos to his room.

 I was kinda just sick of his faeces.

 That's all right.

 It is?

 He can't mess with the voting now.

 But, I cut off his leg.

 Nothing we can't repair.

 You can't reattach his leg.

 Why not? A cut leg should be able to be reattached.

 Not from a lightsaber wound.

 Lightsaber? What are you talking about?

 That's what I cut his leg off with.

 A lightsaber? They're not even real, Wrecking Ball.

 If you say so.

 Voting has now finished!

 Looks like we are about to find out who our new leader is.

All of the Skylanders gather in the Meal Room.

 Hi, Hot Dog.

 Hi, Shroomy Boomy. Did you like that, Golden Queen?

 Of course I did, Hot Dog.

 The results are finally in!

 It's time to reveal our new leader!

 The person with the most votes is...

 WRECKING BALL!

 Hell yeah fam!

 You did it, Wrecking Ball!

 That's my best friend!

 Oh, wow.

Wrecking Ball climbs onto the main stage.

 I really thought that it should be someone else. I thought that I wouldn't be best suited for a leader, but you all seem to think I would be a great leader. I guess it's about time that I begin believing that as well.

 I didn't think you would work too well as a leader, but I do believe you're the best choice we have. Well done, Wrecking Ball.

 Thanks, everyone.

Kaos returns to the room with a cybernetic leg.

 You'll pay, Wrecking Ball.

Story 112: April Fools Is Lame

Part 1

 Well, I guess this is goodbye.

 I didn't think this would happen so soon.

 Bye bye, friend.

 Wrecking Ball, you can't leave us!

 It would be nice if you weren't with Golden Queen for the past few weeks.

 You're right. I need to remember that it's pals before gals.

 Sorry, it's too late now, Hot Dog.

 I'm sorry too.

Wrecking Ball goes into the Meeting Room.

 Is this the place I do meetings at?

 Your office is through that door in the corner.

 Why didn't we elect the new leader in this room?

 This room is for the leader's meetings only.

 When will I even be meeting people?

 You'll usually get people coming in from town or other places across Skylands.

 Alrighty then.

 Just one more thing, Wrecking Ball.

 What's that?

 April Fools!

 Really?

 You don't start business until monday.

 You guys are such trolls.

 Yeah, but we all had fun.

 I guess.

 See you here on monday, Wrecking Ball.

 Bye.

In the Training Room.

 I sometimes forget that this room exists.

 We're working out because we're triggered at you doing leader stuff.

 Gill Grunt April fooled me and said I start on monday.

 Okay, I'm actually gonna spend some time with you.

 It's not like I will be doing leader stuff all the time.

 You just won't be able to play with us all the time.

 Exactly.

 You'll pay, Grub Worm!

 Sorry about your leg, buddy.

 I can't gain muscles with this cybernetic leg.

 I knew they wouldn't be able to reattach.

 Kaos, can we just call a truce? I know you haven't exactly been the best guy since becoming a Skylander. I'll just ignore all of the things you've done since joining us if you call a truce with me.

 I just wanted my rightful place as leader.

 It wasn't your place. Look, I know how to fix your leg. You just gotta ask Spy Rise.

 Great.

Part 2

In Spy Rise's room.

 This place reminds me of things I used to work on.

 What do you want?

 I want you to replace this cybernetic leg with a real one.

 It looks like the wound has been cauterised.

 Wrecking Ball's stupid Lightsaber did that.

Surprised he managed to get one.

You actually believe me?

I've seen Lightsabers before.

And where do they come from?

Kyber Crystals are very rare to find in Skylands.

Can I find one?

They're far too difficult to find. That makes me wonder how Wrecking Ball got his.

What's that machine over there?

I've been working on a virtual reality device.

That sounds very interesting.

I've also been working on cloning.

You can clone whole beings.

I can't go that far yet. I've only cloned small body parts of animals.

So you're going to clone my leg?

Precisely.

Well, let's get to it.

Several hours later.

You awake, Kaos?

Is it done?

Yes, the leg has been attached successfully.

Thank you, Spy Rise.

Why don't you go thank Wrecking Ball for sending you here?

He cut off my leg in the first place.

He only wants what is best for all of us. He didn't want the votes tampered with.

You're right. I shouldn't force my leadership on them. I'm a changed Midget.

Kaos knocks on Wrecking Ball's door.

Come in.

I'm sorry about all the things I've done. I've realised how good it truly is be around nice people.

I'm glad you have realised that, Kaos. I didn't cut off your head because I knew Spy Rise could clone legs.

 Settle down there, Skyloser. Haha.

 See you later, Kaos.

From Wrecking Ball's headset on Discord.

 Did Kaos do an April Fools joke?

 Nope.

Story 113: New Leadership

Part 1

 Wake up, Wrecking Ball!

 Huh?

 It's 4A.M., buddy.

 Why would I wake up at four?

 Me and Trigger Happy think it would be best if our new leader of Skylands began waking up at 4A.M. everyday from now on.

 What could possibly happen within one hour?

 Many problems could occur in this one hour.

 Why don't you guys take charge when I sleep?

 We need our sleep too, Wrecking Ball.

 Fine, I'll get to business.

 Can we rest now, Wrecking Ball.

 Sure thing.

 Thanks!

Trigger Happy and Gill Grunt leave Wrecking Ball's room.

 I wish I didn't have to send other people on adventures.

In Wrecking Ball's Office.

 There's nothing even going on most of the time. All of the cameras just show the city peeps doing their everyday lame things.

There's a knock on the door.

 Come in.

 When are you going to come adventuring with us again?

 I can't really send myself out on the small missions.

-  Just get other people to look at these monitors.
-  My job as leader is just find the problems and send Skylanders on quests to fix the problems. If I wasn't looking at these monitors, what would I do?
-  Spyro didn't look at these monitors all of the time.
-  Maybe that's why we had so many attacks on our HQ.
-  Your leadership role shouldn't be about just looking at monitors.
-  You're completely right. I should organise assemblies for the Skylanders to attend. It's not like that's a complete waste of time when I can just use this microphone.
-  Look, I know this leadership role is incredibly hard, but you need to hire people to do things like this while you do other things. Leaders don't do everything on their own.
-  Gill Grunt and Trigger Happy already cover the night shift.
-  Then you need to hire some other Skylanders to watch these monitors in the daytime while you cover other important things. Look, I'll get myself, Hot Dog and Shroomboom to begin working on posters to put around the HQ. Sound good?
-  Yes, Pop Thorn. Thank you.
-  No problem, buddy.

Part 2

In Hot Dog's room.

-  Golden Bae, do you want to play Left 4 Dead 2 with me, Shroomboom and Pop Thorn?
-  I don't believe I am very good at Left 4 Dead 2.
-  Don't worry. We'll carry you.
-  All right, Hot Dog.
- Pop Thorn knocks on the door.
-  Yes, mate?
-  Get Golden Queen, and come to my room.
-  For what?
-  We're making posters?
-  Anti-feminist posters?
-  Uh, we can do that next time. We're making posters to get Wrecking Ball back.
-  When are you gonna make posters to get me back?
-  You're not busy enough for that.
-  Okay, I'll be at your room in a few minutes.

In Pop Thorn's room.

 So, Shroomboom, what have you made so far?

 I used my crayons to make a nice, colourful poster.

 I can hardly read the writing.

 Crayons aren't known for having good writing, Pop Thorn.

Hot Dog comes into the room with Golden Queen.

 I got my box of pencils and pens.

 What's wrong with crayons?

 I'll melt them with my paws.

 Now, I'm gonna play some Left 4 Dead 2.

 What the heck? You have to make some darn posters too.

 I don't have fingers or toes.

 Fine, Golden Queen, let's make the best posters ever!

 We shall do that, Hot Dog.

In Wrecking Ball's office.

 I want to apologise for everything I've done.

 I haven't seen you do anything to make me believe that.

 I know what I've done, but I don't know why I did it.

 Because you're not truly one of us.

 No, when I joined the Skylanders, I vowed to do everything for the good of Skylands.

Ever since then, it's as if I have been under some sort of control.

 Seems like Kaos did that.

 You know that for sure?

 No. It just seems like you've always been working for him. Kaos seems to truly be one of us now. I hope.

 Thank you for believing me.

Part 3

In Pop Thorn's room.

 Why do I have to play with these special people? They're not even helping me.

 I'm coming, Pop Thorn.

 Hot Dog, Golden Queen, are you guys done with those posters?

 Yes, mate.

 Show me.
Hot Dog and Golden Queen show the posters they made.

 Wow, they're pretty good, guys. Good job.

 Thank you, Pop Thorn.

 Back off, Pop Thorn.

 Huh?

 Nothing, Pop Thorn.

 Time to rage quit, Shroomboom.

 Yeah, these nerds are real bad at this.

 Let's go put those posters around the place.

In Wrecking Ball's office.

 Hey, Wrecking Ball. Are you enjoying being a leader?

 I can't say it's the best experience.

 This ain't the Wrecking Ball I know. The Wrecking Ball I know wouldn't sit around looking at monitors all day.

 I've had to make a change.

 No, you didn't need to make a change. You were made leader because of you, not this. You need to be who you were for the Skylanders.

 Perhaps you're right.

 I know I'm edgy, but I'm not truly evil. I hope you know that.

 I do, Ghost Roaster.

In the Skylanders meal room.

 Get putting those posters up, guys.

 Why aren't you helping?

 I don't have any hands.

 Neither do I.

 Good point.

Hours later.

In Wrecking Ball's office.

 This is clearly a job for me.

 Ro-Bow?

 I'm also take a shift.

 Thanks, guys. You two decide what times you want to take and...

 I'll join in as well.

 As will I.

 Thank you all.

Story 114: Back to Normal?

Part 1

 Gimme pills!

 *Takes pills* I just used them.

 Wow, you didn't even need them, man!

 I was almost at 39HP!

 It's okay, guys. I have adrenaline.

 I guess that will do.

 Here you go...

 CHARGER!

 NOOOOOOOOOOOOOOOOO!

HQ Speakers: Wrecking Ball, we need you in your office right now!

 Looks like I have to go.

 But, the Charger missed you.

 Sorry, this is what I signed up for. *Wrecking Ball leaves the game*

 This is flippin' lame!

 We don't even get to finish gaming sessions with Wrecking Ball anymore.

 I wish Wrecking Ball wasn't leader anymore.

 Wrecking Ball is too good to step down from leadership.

 I wish someone else could be leader.

 Everyone either sucks or is too much of a nerd to lead us.

 I guess we will finish the campaign without him.

In Wrecking Ball's Office

 What do you want me to do now?

 Have you not been looking online at this stuff?

 What stuff?

 Hex is posting some really terrible stuff about Light elements.

 What are we gonna do about it?

 Nothing.

 NOTHING? WE HAVE TO SOMETHING!

 It's clearly just a joke.

 This is no joking when it comes to stuff like this.

 I just don't care.

 I gotta tell everyone on social media about this.

 Hey, don't make me out to look like a bad guy.

 Everyone needs to know what you think about this.

 Why don't you ever post things on social media?

 I don't use social media.

 WHAT? YOU DON'T USE SOCIAL MEDIA?

 No, I play games with my friends.

 I'll create you some accounts.

 I don't want any gosh darn accounts!

 What do you want your username and password to be?

 You're both so lame! *Wrecking Ball leaves and goes to bed*

Part 2

(Wrecking Ball wakes up at 4A.M.)

 I guess it's morning.

 Wrecking Ball, get out here!

In the Meal Room.

 I'm gonna do it!

 Don't do it, Aurora!

 I'm going to step off this table and end it all!

 What is going on?

 I can't take the abuse anymore!

 What are you talking about?

 Hex said more horrible things about me!

 In person?

 No, it was online.

 Just stop looking at social media.

 It doesn't work like that, Wrecking Ball.

 Goodbye, everyone. *Aurora steps off the table and falls on the floor*

 Uh...

 NOOOOOO!

 We couldn't save her!

 Ha, she was so weak.

 You're going to be executed for murder.

 What? I didn't do this!

 Hex didn't do anything.

 She caused Aurora to end her life.

 Aurora is still alive. She only waked off of a table.

 You're going to let this murder go free?

 Even if Aurora was dead, Hex didn't cause it. There must be some problem with Aurora is she can't go offline or take Hex's jokes.

 Jokes? They were not jokes!

 Yes, they were.

 There's no way to know that online.

 Just get Aurora the help she obviously needs.

(Trigger Happy and Gill Grunt help up Aurora and take her to her room.)

 People just can't take a joke anymore.

 I understand that you are joking around but not everyone does.

 What are you saying?

 You should think about what you write online. People get easily offended these days.

On Discord.

 We need to cause some trouble online.

 Why would we do that?

 We need to cause enough trouble to get social media banned in this HQ.

 That won't work.

Do you want Wrecking Ball to be able to play with us or not?

I DO!

I guess we know what we have to do.

Part 3

The Next Day.

Wrecking Ball, open up!

OPEN UP RIGHT NOW, PRIVILEGED MALE!

Wrecking Ball opens his door.

What do you guys want?

YOU HAVE TO LET US IN HOT DOG'S ROOM!

I don't have to do anything.

YOU BARBARIC MALE!

Please, stop shouting at me.

You think you can tell what to do just because you are a man? SEXIST!

What did Hot Dog do?

He's hiding from his punishment by hanging out with Shroomboom and Pop Thorn in his room.

Punishment for what?

He posted some sexist things online.

More jokes online?

JOKES? YOU THINK THEY ARE JOKING?

I was just asking if they were jokes.

THEY ARE NOT JOKES!

I'll go talk to them.

At Hot Dog's Door.

Chop his pen...

That's enough, Chopscotch.

KNOCK DOWN THAT DOOR!

Hot Dog, what the heck are you doing, man?

Just making some funny jokes online. People get triggered way too easy.

So, they are just jokes?

 NO! I TOLD YOU THAT THEY ARE NOT JOKES!

 What did you say online?

 Just some stuff about women in kitchens.

 And stuff about wondering how they got a car in the kitchen.

 And stuff about them being objects.

 Shroomboom, we said that was too far!

 Oops.

Part 4

 Sounds like some good quality jokes to me.

 WHAT? YOU CANNOT SAY THAT! WE NEED A FEMALE LEADER!

 We don't.

 I can understand being upset by their comments, but they were only joking around. Who can tell us what we can and cannot joke about?

 THERE ARE SOME THINGS THAT YOU CANNOT JOKE ABOUT!

 If only that were true.

 All right, I realise that anyone can joke about anything and people will always be offended. There's only one real solution to fix this.

 You stepping down as leader?

 No, I will ban all social media websites in this HQ.

 WHAT? YOU CANNOT DO THAT!

 What about YouTube and Discord?

 Of course they get to stay.

 THAT'S IT! I'M GOING TO GATHER A GROUP TO TAKE YOU DOWN!

 Do it.

 COME ON, LADIES!

Barbella, Ember and Chopscotch leave.

 I can't say I completely agree with either side here.

 I'm sure we can all live without most of the social media sites.
Hot Dog unlocks his door.

 We can just hang out with our friends on Discord! Who is going to get upset if we are not sharing servers together?

 We are going to share one server.

What?

The Skylanders HQ server.

But, people will argue.

Only me, Gill Grunt and Trigger Happy will be allowed to post. We'll just make important announcements.

Sorry about the object joke, y'all... Woah!

That's all right, Shroomboom.

You're pretty.

Thanks, Shroomboom.

Hot Dog, why did you even do this in the first place?

I don't want you to be leader anymore.

That's not gonna happen.

At least I got rid of most of the social media.

Part 5

In the Meal Room.

PUT AN END TO WRECKING BALL'S LEADERSHIP! HE IS A SEXIST, CIS MALE!

Take these leaflets, everyone.

Stop spreading lies, Barbella.

LIES? ARE YOU CALLING FEMALES LIARS?

Some females are.

IS EVERYONE HEARING THIS?

Wrecking Ball isssssss right.

OF COURSE A MALE WOULD SAY THAT!

He isssss helping us all out. Removing mossssst ssssssocial media sssssitessss is a possssssitive thing for all of ussssss.

HE SUPPORTS PEOPLE MAKING SEXIST COMMENTS!

Funny jokes?

NO!

Sounds like funny jokes.

Hella funny jokes.

DO NOT FORCE ME TO END YOU ALL!

 The only thing that needs to end is your shouting.

 Bad Juju does not take kindly to these comments.

 Barbella needs to go back to the kitchen.

 THAT'S IT!

Barbella hits Blaster-Tron with her boulder barbells.

 It's time to teach Barbella a lesson.

 You've got that right, Hood Sickle.

Hood Sickle and Chain Reaction begin attacking Barbella.

 STOP!

Everyone stops fighting.

 No more jokes. No more shouting. No more social media. Everyone needs to go back to there rooms.

 I WILL NOT LISTEN TO YOU!

Wrecking Ball tongue whaps Barbella.

 OH! OH! HE HIT ME WITH HIS TONGUE! MEN CANNOT HIT WOMEN! THIS IS A PROBLEM! I NEED TO TELL SOCIAL MEDIA BEFORE IT'S TOO LATE!

Barbella, Ember and Chopscotch leave.

 Back to your rooms, y'all.

Hot Dog, Shroomboom and Pop Thorn come to the Meal Room.

 Are you still the leader?

 For now.

 We gonna play games?

 After I have a chat with Spyro.

Story 115: Getting Rid of the Garbage

Part 1

On Discord.

 When the heck is Wrecking Ball gonna tell us about his plans?

 When he wants to.

 I want to know when that is.

 Let's just keep playing games!

 We can't play games yet.

 Why not?

 I don't have a Nintendo Switch yet.

 Only a few of us have that so far.

 That's exactly why we all need to get one.

Wrecking Ball joins the server.

 Let's get playing some L4D2!

 Tell us about your plans.

 No way, Hot Dog.

 Why not, dude?

 I'll announce it later.

 Some Skylanders are still mad about the lack of social media sites.

 Then they can move out.

 You can't really expect people to move out.

 It would be a better place without some of those nerds.

 Buy a Nintendo Switch for each of us.

 I can't just spend all of our money.

 There's so much of it!

 It's for Skylanders business only.

 That's hella lame.

 You guys gotta save up your own money.

 We hardly get paid anything.

 There's a lot of money to spread around all of the Skylanders.

 Maybe you should start paying some people less.

 Like the women?

 Exactly.

 I can't do that.

 Who even goes on missions but us?

 It's just been pretty chill for a while.

 I guess that's what happens when most of the villains convert religions.

 Hurry up and play, y'all!

 I'm gonna go hang out with Golden Queen.

 Pals before gals, Hot Dog!

 Bros before...

You can't say that!

Why not?

They will hear you and kill you.

Part 2

In Golden Queen's Room.

Wrecking Ball sucks so bad now.

Maybe he always did.

Nah, he just does now.

What do you want to do about it?

Take away his leadership.

There are lots of ways to do that.

Really? How?

Golden Queen secretly tells Hot Dog her plans.

I guess I should get to making that announcement.

Wrecking Ball, I don't see how you can fix all of the problems around here.

I have ways to do things.

A lot of people have changed since Spyro lost his leadership.

They are all too PC.

Maybe it's something more than that.

What are you implying?

Maybe it's something to do with you.

Hey, you all voted me to be leader around here! I'm doing the best I can!

Look, I'm not saying Spyro is a better leader than you or anything but...

Stop. I see how it is around here.

Wrecking Ball leaves the Discord server.

I didn't know what to do.

In the Skylanders Assembly Room.

Thank you all for coming here today.

Give us back our social media!

Hey, stop telling me what to do.

 WE WOULDN'T HAVE TO IF YOU WERE A STRONG WOMAN!

 I'm going to fix everything right now.

 If y'all are sick of Wrecking Ball being our leader, join us in making a better future!

 Hot Dog, what the heck, dude?

 Hot Dog never truly wrote those sexist comments online. IT WAS WRECKING BALL!

 That's not true!

 Everyone who is a decent person needs to join Golden Queen!

 LET'S TAKE WRECKING BALL DOWN!

 Skylanders, don't believe what they are saying!

 CHARGE!

 Skylanders that agree with me, fight back against these lies!

Skylanders on both sides begin fighting.

 We cannot win this way. Skylanders that want to end Wrecking Ball's reign, come with us.

Many Skylanders leave the HQ along with a captured Shroomboom.

 HELP!

 Shroomboom!

 Was this your big announcement?

Story 116: PC

Part 1

Over a month later.

 Get inside!

 Time to party!

 Quiet, Pain-Yatta.

 We're almost to be prison cells.

 Help! Anyone out there?

 It's Shroomboom!

The Skylanders run to his prison cell.

 You're gonna party your way out of here.

 You have to get the key from Head Rush.

 Head Rush? That might be a challenge.

 I'll send my falcon to get the keys.

The Blue Zephyr Falcon finds Head Rush and attempts to grab the keys.

 What? What is this? Get away from me!

 Spam arrows!

Buckshot begins firing arrows at Head Rush.

 And candy!

Pain-Yatta spits out sweets all over Head Rush.

 Now, Birdie!

Birdie grabs the keys and brings them to Air Strike.

 Excellent job!

 Thank you! I thought y'all might have forgotten about me!

 Wrecking Ball has been sending many different Skylanders to save you. Wait, where are they?

 I'm sorry.

 What are you sorry about?

Air Strike opens the cell and sees Golden Queen behind Shroomboom.

 She made me trick you.

 Looks like another group have fallen into our trap.

More PC Skylanders surround Air Strike, Pain-Yatta and Buckshot.

 Now it's a party!

 You won't get away with this.

 We have already captured three other groups of Skylanders. I'm sure we will get away with this.

At the Skylanders HQ.

 Have they returned with Shroomboom?

 They have not returned yet.

 Are they coming back?

 We haven't heard from them since went out.

 How do we know if they have even been to their base?

 Since none of the groups have returned, I assume they made it to the PC Skylanders' base and were captured.

 I think you need to find of some new strategies.

 What do you want me to do? I'm not going to send out an army of Skylanders if I don't know where their base is.

 Look, we're going to need to find their base. We may have the advantage in numbers but they know exactly where we are. They can strike at any moment.

 If you think you could do better, why did you quit being leader?
Wrecking Ball leaves the room.

Part 2

In Hot Dog's and Golden Queen's Office.

 We've captured more of the Skylanders, Hot Dog. Eventually, they'll see that Wrecking Ball can no longer lead them.

 And then we get to all go home and live like before?

 That's the plan.

Barbella walks in.

 AM I HEARING THIS CORRECTLY? YOU JUST WANT WRECKING BALL TO NO LONGER BE LEADER?

 Are you saying you're not?

 I WANT ALL OF THE MEN GONE!

 That's not the plan, Barbella. I don't actually care about any jokes made on twitter.

 I SEE HOW THINGS ARE AROUND HERE.

 Good.

Barbella leaves.

 Haha, women.

 You got that right, Golden Bae.

In another room in the base.

 Listen up ladies, we're getting rid of Hot Dog and Golden Queen!

 All right!

 I'm not a lady.

 I CAN'T BELIEVE YOU AND MYSTICAT WE'RE ALLOWED TO JOIN OUR GROUP!

 What's the problem with us being here? We support your cause.

 NO MEN ALLOWED! LADIES, PUT THEM IN THE PRISON CELLS!

 This isn't right!

 We only want a better HQ environment!

 We can't get rid of them just because they are men.

 DO YOU NOT KNOW OUR GOAL? WE DON'T JUST WANT WRECKING BALL OUT OF LEADERSHIP! WE WANT ALL OF THE MEN GONE!

 You're insane.

 LOOKS LIKE WE HAVE SOME CLEANING TO DO!
Barbella orders her PC Skylanders to lock up Roller Brawl, Punk Shock, Splat and Spotlight.

 ANYONE ELSE FEEL THE SAME WAY?
No one answers.

 THAT'S WHAT I THOUGHT!
The PC Skylanders go into Hot Dog's Office.

 What do you all want?

 YOU ARE NO LONGER IN CHARGE OF THIS OPERATION!

 Hey, I started this to get my friend back!

 AND WE'RE GOING TO END IT WITH THE ANNIHILATION OF THE MALE SKYLANDERS!

 Like heck you are!

 GET HIM!
The PC Skylanders go after Hot Dog.

 GOLDEN QUEEN, THIS IS YOUR CHANCE TO JOIN US!

 I...

 Golden Bae, help!

 I'm sorry, Hot Dog!

 NOOOOOOOO!
Hot Dog gets beaten down and locked away.

Part 3

At the Assembly Room.

 Everyone, listen up. We're going to send out a team of Skylanders to find the base.

 May I interrupt, Wrecking Ball?

 You may.

 You see, I've dealt with Skylanders before, and I know exactly how to find their base and defeat them.

 Tell us how.

 I used to send my minions with special equipment to find your base.

 And where can we get this equipment?

 In my old bases at the Outlands.
 Great.
 This will help us find them.
 I guess I'll send a group to your base.
 I should lead them there.
 I... All right. I trust you.
 Thank you, Wrecking Ball.
 Let me come with you, Kaos.
 Gladly, Spy Rise.
 Kaos, find that base, and we'll end this.

Outside the HQ.

Flynn: Hey, no one else is using my ship.

 Who are you again?

Flynn: Hey, it's not my fault that you Skylanders don't see me anymore.

 We just haven't had a big adventure in a while.

 I'll gladly fly this ship.

Flynn: That's not happening, Skylander.

 It's about time I got to do something.

Flynn: Crash Bandicoot! I'm glad to see someone who speaks some sense around here.

 Yeah, a lot of these Skylanders are pretty derpy.

Kaos and his crew board Flynn's ship and start flying off.

Flynn: Hey, get back here!

 I was meant to be on this mission.

Flynn: Want to hang out, friend?

 Of course, buddy.

On Flynn's Ship.

 It shouldn't take us too long to reach the Outlands.

 Once we get there, I'll get the equipment to look for that base.

 I've been wondering what type of equipment you could have that I don't have.

 Well, you see...

Kaos continues talking.

 I don't know if we can trust Kaos, man!

 He seems like a changed guy.

 He's tricked us a lot of times before, dude!

I assume it'll be fine.

We're here.

I'll get the equipment.

Spy Rise, Lob-Star, you guys go with him.

Will do.

Kaos, Lob-Star and Spy Rise go into the old Villain's Lair.

What if you something goes down, man?

I sent those two with him for a reason.

Part 4

At the Skylanders HQ.

They shouldn't take long now.

What if they have been attacked?

I guess it's a possibility. Call them to find out where they are.

Hello?

Yes?

Are you all good?

Yes, we're just waiting for Spy Rise, Lob-Star and Kaos to get the equipment.

That's good. Tell us when...

A loud explosion is heard.

Everyone, the PC Skylanders are attacking!

Gill Grunt, what's going on? Are you all right? Hello?

What's happening?

The PC Skylanders have attacked the HQ.

We have to go help them, man!

No, we need to find the base and break everyone out.

What if the PC Skylanders are too powerful for them?

I'd assume the Skylanders can defeat the PC Skylanders. We outnumber them by a lot.

Back at the HQ.

WE'RE PUTTING AN END TO THE MALE SKYLANDERS!

That won't happen, Barbella. You must be silly if you think you can defeat us.

YOU THINK I DIDN'T COME HERE WITH A PLAN? TELL YOUR SKYLANDERS TO BACK DOWN!

That won't happen.

ARE YOU SURE?

Barbella show Wrecking Ball a video of Shroomboom and Hot Dog being tortured.

Let them go!

I'LL LET THEM LIVE IF ALL OF YOU GIVE UP YOUR WEAPONS AND GO IN YOUR ROOMS!

You won't be able to give the orders if I take you down!

I'VE TOLD FLASHWING AND HEAD RUSH TO KILL THEM IF I DON'T RESPOND EVERY TEN MINUTES.

I...

Wrecking Ball, you have to do what she says.

I can't let her win!

She won't. Just do as she says.

Skylanders, back down.

All of the Skylanders stop fighting.

ALL OF YOU GET TO YOUR ROOMS! WRECKING BALL AND FEMALE SKYLANDERS, STAY HERE.

I'll just be going to my room then.

MAKE SURE THEY ARE ALL ESCORTED TO THEIR ROOMS, AND THEY DON'T GO ANYWHERE ELSE.

Yes, Barbella.

Part 5

We have the equipment!

Show me.

This is the equipment!

What is it?

A telescope.

Are you joking? We have lots of them.

Yes, I'm joking. These are my advanced binoculars.

What's advanced about them?

They can see incredibly far.

And?

 They are specially designed to make out buildings.

 That sounds so great.

 All of that hype for this?

 Use them.

Kaos gives the binoculars to Thrillpede.

 Woah, I can see everything. Buildings, people and the environment are easily defined.

 Do you see now?

 Yes.

 These binoculars are quite magnificent.

 Why haven't you made them, Spy Rise?

 I've been busy with other things.

 Like his virtual reality device.

 Exactly.

 Stop wasting time! The PC Skylanders have attacked the HQ. We need to rescue the Skylanders they kept as prisoners.

 I'll find the base with Kaos' binoculars.
I've located the base.

 It's of the other side of the Outlands.

 how do you know it's the right place.

 It's not one of my previous bases.

 Let's get going.

Thrillpede flies Flynn's ship to the base.

At the Skylanders HQ.

 FEMALE SKYLANDERS, YOU HAVE ONE LAST CHANCE TO JOIN US.

 That won't happen.

 I'll die before I become a PC sheep.

 I'm with them.

 You just want to get rid of all of the male Skylanders. It's not right!

 THEY'RE ALL EVIL! NINJINI, I EXPECT YOU TO JOIN US.

 I'm a changed woman now. I made my mistakes in the past, and I won't make another.

 KNIGHT MARE, TIDEPOL, CYNDER, BLOOM BOOM, JOIN US... YOU WON'T?
FINE! CHOPSCOTCH, BAD JUJU!

 Yes, Barbella?

GET SOME OF OUR SKYLANDERS AND TAKE THE FEMALES TO OUR BASE

We shall, Barbella.

Part 6

At the PC Skylanders' Base.

We have to break this door down.

I'll take care of this.

Kaos uses his Giant Floating Head's lasers to break the door down.

We're putting an end to this.

Flashwing, execute them! What are you doing?

The Skylanders take down Head Rush.

I give up!

Hot Dog, what the heck are you doing in here.

Those rats betrayed me.

You started all of this!

Just to get Wrecking Ball out of leadership. Barbella has taken this too far.

I'm finally free!

Can you forgive me, Shroomboom?

Of course I can, buddy!

We have an issue.

What issue?

Some of the PC Skylanders are coming back.

I'll take care of this.

Kaos goes out and frees the Skylanders from the PC Skylanders.

At the Skylanders HQ.

I WANT YOU TO SIGN THIS CONTRACT AND GIVE ME LEADERSHIP OF THE SKYLANDERS.

I won't!

THIS IS A LEGAL DOCUMENT BY SKYLANDERS LAW AND YOU WILL SIGN IT TO SAVE YOUR FRIENDS!

Al Iright. I'll sign it.

At the PC Skylanders base.

I'll call Wrecking Ball.

Thrillpede calls Wrecking Ball.

We've saved them from the PC Skylanders. We've also saved the Skylanders they were bringing here.

WHAT? NO!

Looks like I won't be signing anything.
Barbella hits Wrecking Ball his her barbell.

EVEN IF I CANNOT BE LEADER, I WILL MAKE SURE ALL OF YOU MALE SKYLANDERS DIE.

I won't let you hurt them!
Wrecking Ball uses his tongue to pull his lightsaber out of a bag.

THAT WON'T STOP ME!

Barbella swings her barbell and Wrecking Ball cuts it in half.

NO! SKYLANDERS, HELP ME!

We won't do that.
Barbella picks up the parts and knocks the lightsaber out of Wrecking Ball's tongue. Then she destroys the lightsaber.

DISCO BALL WRECKING BALL!
Wrecking Ball uses his Disco Ball and defeats Barbella.

It's over...

Later that day.

I'm sorry, Wrecking Ball.

It's all right. You weren't the evil one here.

I'm so sorry, Hot Dog. I make a mistake, but I didn't help her against Wrecking Ball.

Golden Queen, I'm not ready to lose it.

Lose what?

My V.
Hot Dog walks away.

Are we still spending Valentine's day together? Hot Dog?

It's time for my leadership to end.
Crash Bandicoot and Flynn return.

Aw, we missed all of the action?

Story 117: Hot Stuff

Part 1

In Spyro's room.

How is it going, Spyro?

I'm sorry I haven't been doing much with you today.

It's alright. I understand the situation.

Wrecking Ball has stepped down as leader.

I heard him say that.

All of internet rules have been revoked. How do we know something bad won't happen again? How will we stop this without a leader?

Don't think about that stuff, Spyro. Just spend time with me.

You're right, Cynder.

In Hex's room.

It's so good being able to use all of my favourite social media sites again.

It's fun making fun of people, right?

It's even better when we do it together.

Everyone is talking about Barbella.

Let's talk about how she always yells.

I hate that she does that.

In the Meal Room.

This garlic bread looks good.

So, you're not our leader anymore?

Right.

So, we're being led by?

No one.

Who is going to make all of the decisions?

I was thinking of a Jedi Council kind of thing.

Because that turned out so well?

They were all right.

Where did Barbella go?

Spy Rise is doing stuff with her?

Doing stuff with her?

 Fixing her.

In Spy Rise's room.

 My personality changing device should work.

 How sure are you?

 I've erased her recent memories. Now, I'm testing my device that will surely work.

 Interesting.

Part 2

In Stealth Elf's room.

 I got you some flowers.

 They are on fire.

 They're flame flowers.

 I don't know where to put them.

 We can shoot them off into the sky!

 Let's go do that.

In Scratch's room.

 I don't now why she rejected me, but she won't this time!

Scratch opens the door.

 Hi, Sunburn. What do you want?

 I wanted to know if you would go to Burger King with me.

 Uh, we can if you want.

 YES!

 Don't take this the wrong way, Sunburn?

 The wrong way? No, there is only the right way!

 I already told you about me.

 No, I understand. I get that you only like cats.

 I just don't find any other species attractive.

 I get it. I just want to go to Burger King.

 All right. Good.

In Hot Dog's room.

 Is everything okay, Hot Dog?

No.

What is wrong?

I don't if I can trust you.

Hot Dog, you know you can trust me!

Sometimes I think I can. Just not always.

What is your V?

I don't want to go all the way with you.

I've always wondered how that would work.

I like you a whole lot. I'm just not ready to go too far with all of this. I'm not sure if I want to do any of this anymore.

We have to stay together.

I'll see you around.

All right, Hot Dog. I see how you feel.

Story 118: Just the Tip

Part 1

Come on, Shroomboom!

Where's the vehicle?

Shroomboom, it's right next to you!

I can't find it!

SMOKER!

The Smoker grabs Shroomboom.

I'm coming!

Wrecking Ball gets him by a common infected.

NOOOOOOOOOO!

What happened to you, Wrecking Ball?

I went to help him while you guys stayed in vehicle and let us die.

Sorry?

It's fine. Shroomboom was just being a spaz.

How did you not know where the rescue vehicle was?

I've hardly played Crash Course.

 How?
 You guys hungry?
 I'm always hungry.
 Why don't we go into the city and get some food?
 Why can't we just get a takeaway?
 Gonna try new places.
 I'd rather stick to the stuff we know we like.
 Let's go!

In the city.

 I hate going outside.
 It's boring staying inside all day.
 Sounds like Golden Queen has rubbed off a lot on you.
 No, I've always loved to go outside and adventure.
 Are you two still having fun?
 We never did anything like that.
 Really?
 Yep.
 There is a wrapper on my foot!
 These gosh darn litterbugs need to pay!
 There's nothing we can do about it.
 Are you sure about that? We can make a change around here.
 We are Skylanders, not lawmakers.
 Skylanders can make a difference.

Part 2

 We are here!
 A restaurant?
 Yep.
 Restaurants always have disgusting food.
 No, you just have try new things.
 I don't want to have new things!

 They have garlic bread.

 Yay!

 Here's our table.

They all sit down the table.

Mabu Waiter: May I take your order?

 Yes.

Mabu Waiter: What is your order?

 We'll have garlic bread, milk and water, please.

Mabu Waiter: Anything else?

 No, thank you.

 When are we going home?

 We haven't even had our food yet, Wrecking Ball.

 We are going as soon as I finish the last slice of garlic bread.

Mabu Waiter Your food, gentlemen.

 Thanks.

Hot Dog gives him £10.

 Ten pounds? It was only five pounds, Hot Dog!

 I gave him extra.

 What for?

 A tip?

 They are underpaid, Wrecking Ball.

 That's not our fault.

 We're just helping them out.

 All they do is take orders and carry food to people.

 It's very hard work to do this all day.

 I guess, but we shouldn't be the ones giving them money that isn't for the food.

 You sound like a real mean kid right now.

 After I eat my food and drink my water, I'm gonna have a word with the owner of this place.

After eating.

 I thought you wanted to go home after eating food.

 I've changed my mind.

 I wanna go home and play L4D2.

 You guys go without me.

 You really want to left in the city by yourself?

 That's all up to you.

 Let's go to SmythsToys.

 Yay!

Part 3

 Hey, can I speak to the owner?

Mabu Waiter: He doesn't like to speak to customers.

 I'm a Skylander, fam.

Mabu Waiter: I don't think that will change his mind.

 Fine, I won't help you.

Mabu Waiter: Help me?

 I was gonna see if I could get you more dosh for your excellent work.

Mabu Waiter: I'll let you through, but please do not tell him I let you past.

 I won't, sir.

Wrecking Ball gets into the Boss' room.

Restaurant Boss: Who let you in here?

 I let myself in here.

Restaurant Boss: My staff are meant to prevent people from coming in here!

 They are all very busy working. I think they do a really good job and deserve more.

Restaurant Boss: Deserve more?

 Well, I was thinking that we deserved a higher pay.

Restaurant Boss: NO! They do not deserve a higher pay for their work.

 You're underpaying them, sir.

Restaurant Boss: Who are you to decide I am underpaying them?

 I'm a Skylander, sir.

Restaurant Boss: I know that. You are the dirty Grub Worm.

 Hey, I once led the Skylanders!

Restaurant Boss: They must all be foolish to let someone like you lead.

 You don't deserve to own this restaurant!

Restaurant Boss: There is nothing you can do about it. I have money, and money gives me power.

 I hope you get what is coming to you.

Restaurant Boss: Haha, bye, Grub Worm.

Wrecking Ball leaves.

At SmythsToys.

 Are we getting Mario Tennis Aces?

 It looks fun, but are we gonna play it often?

 Pop Thorn is right. It costs quite the amount of dosh.

 Aren't we rich?

 I don't know.

Wrecking Ball walks in.

 Hey, buddy! How did it go?

 The boss was a very mean guy.

 Did you fix the staff's pay?

 His money gives him power.

 You can't beat a person with a lot of money without...

 Violence.

 You're not gonna fight over this, are you?

 Not yet.

 Don't cause unnecessary trouble.

 I'm gonna spank the lawmakers.

 You want anything from SmythsToys first?

 Get me a Dolph Ziggler figure.

 Tell us when you are done with all of that jazz.

 I will. Bye, guys.

Part 4

At the Lawmakers' place.

 Open up.

???: Who is this?

 I'm Wrecking Ball, and I am here to talk about stuff.

???: Have you arranged a meeting?

 Uh, sure.

???: For this time?

 Yeah, uh, this time.

???: What time?

 14 o'clock.

???: Come in.

 Sick.

Mabu Lawmaker One: What are you?

I'm a cute little boy.

Mabu Lawmaker One: I'll gather the council.

All of the lawmakers gather together.

Mabu Lawmaker Two: Who are you?

Wrecking Ball.

Mabu Lawmaker One: He said he had a meeting here.

Mabu Lawmaker Two: First I've heard of it.

I wanna change some laws around here.

Mabu Lawmaker Three: You can't just change laws.

Staff in restaurants need more dosh!

Mabu Lawmaker Four: Leave.

And we need to focus on stopping littering more!

Mabu Lawmaker Two: This is nothing we haven't heard before.

Why do you ignore the people?

Mabu Lawmaker Two: It's not about the people. It's about us.

No, the people come first!

Mabu Lawmaker Four: LEAVE US!

I'll take down this corrupt council.

???: No, you won't.

Huh?

Restaurant Boss: You can't change things when you are as poor as you are.

I don't need money to change anything around here.

Restaurant Boss: Is that so?

If I have learned anything from Star Wars, it's that violence works!

Wrecking Ball begins attacking the lawmakers.

Mabu Lawmaker Four: SECURITY!

Mabu with guns come into the room.

Mabu Security Officer One: Hands up, Wrecking Ball!

You know my name?

Mabu Security Officer Two: We know that you Skylanders love to cause trouble.

Back away from my friend!

Hot Dog, Shroomboom and Pop Thorn arrive to help out Wrecking Ball.

You guys came to help!

We're gonna change things around here.

Restaurant Boss: You Skylanders ruin everything!

We help people and put an end to rats like you.

Restaurant Boss: You four cannot put an end to us.

 Who said it was only us four?
Several Skylanders arrive through the roof.

 Everyone, get on the ground.

The Mabu get on the ground.

Restaurant Boss: Why are you arresting us?

 For underpaying workers and extremely graphic photos.

 WHAT?

 I found them in the bin.

 Yuck.

Restaurant Boss: You won't get away with this, Wrecking Ball!

 Bye, baby.

The Mabu are taken to jail.

 What happens to this place now?

 The Skylanders will be put in control of all laws and the restaurant.

 Awesome.

 We will put an end to littering and underpaying hard workers.

 Can we go home and play L4D2 now?

 We sure can, Shroomboom. We sure can.

Story 119: I Wanna Wrestle

Part 1

On Discord.

 I wanna wrestle.

 You wanna be a professional wrestler?

 I just want to have fun with my buddies.

 I want to have fun with you.

 We need a ring, a camera crew, some wrestlers and a booker.

 Do you actually want to do this?

 It sounds cool, doesn't it?

 I don't think we can pull it off.

 Why not?

 How are we going to train a bunch of wrestlers?

 We're not.

 How are we gonna hire wrestlers, then?
 We are wrestle without training.
 That's too dangerous.
 I'm doing it anyway. Hot Dog, Shroomboom, you guys in?
 Heck yeah!
 It sounds fun.

At the Meal Room.

 No!
 No? Why the heck not?
 It's too dangerous.
 What the heck are you talking about? I've done so many things that are far more dangerous.
 That was stuff that you needed to do to save people.
 Why can't I fun with my pals?
 You can fun with them in safer, less dangerous ways.
 Listen, I think I'm proven that I can do things on my own.
 You definitely have. I just don't think this is a great idea.
 What's the worst that could happen?
 People dying.
 That won't happen.
 Don't do it!
 We'll go soft.
 As soon as someone gets hurt, I'll put an end to it.
 I'll make sure that doesn't happen, Stealth Elf.

Outside of the HQ.

 Our very own wrestling ring!
 Wow!
 The ropes feel so tight.
 Let's wrestle!
 Hold up, Shroomboom. We need to practise our skills first.
 You said that we didn't need training.

 I changed my mind. We need to train to be safe in this ring.

Part 2

 You guys are interested in joining my wrestling business?

 I think I would make a great wrestler.

 I'll obviously be the best wrestler.

 As will I.

 All right, we have some nice talent.

 Ignitor, Jet-Vac, you guys can be the cameramen.

 We're actually camera operators.

 Chill out.

 I'm your ref.

 I think we're almost ready to begin.

 Guys, hurry up.

Pop Thorn brings his own set of wrestlers, cameramen, a ring and a referee.

 What the heck is this?

 I've decided to created my own wrestling business.

 You didn't think it would work.

 I think I'm good enough to make it work.

 Why don't you think I'm good enough?

 You think Dolph Ziggler should be in the main event.

 He should be!

 My booking skills will be far greater than yours.

 We'll see about that!

Pop Thorn moves over to his ring.

 So, we've got Enigma, Grave Clobber and Trap Shadow as wrestlers. I'd say that is way better talent that what Wrecking Ball has.

 What about me?

 You can be a cameraman.

 What? I was born to wrestle!

 You don't seem like a great talent.

 I'm out of here!

 I will be referee!

 Uh, sure thing, Zoo Lou.

 Cameraman?

 Yeah, you and Grim Creeper can be cameramen.

 I think I should be a wrestler!

 Blading isn't allowed.

 I ain't gonna blade, dude.

 I'm not going to put my other wrestlers at risk.

 Whatever, man. I'll just join Wrecking Ball's group.

 Fine, I'm sure he taking it dangerous people like you!

 Can I join?

 Yeah.

 And me?

 All right.

Part 3

Fryno leaves walks over to Wrecking Ball's ring.

 Can I join you guys?

 Of course! You look like you could be a sick wrestler!

 Thanks. It's awesome that someone actually recognises my talent.

 I want to join!

 Sure, come right in!

 Yo, Shroomboom, he can't join.

 What?

 Why not?

 He's going to blade, fam.

 Don't we want a little edge?

 PG is the way.

 Let's make our show edgy as heck! We can definitely destroy Pop Thorn's show if we have the edge!

 Maybe you're right.

 Of course I'm right.

Yay!

At Pop Thorn's ring.

All right! The first show will begin now! Cameramen, get ready!

Film now?

Pass me a mic first.

Grim Creeper gives him a mic.

Thanks. Start filming!

They start filming the show.

On tonight's show we will have Trap Shadow versus Fling Kong versus Ambush in a triple threat match! And in the main event, we will have Grave Clobber go one-on-one with Enigma!

Woo!

With that being said, I welcome the wrestlers to ring for our first match!

Pop Thorn leaves the ring.

I bet Wrecking Ball hasn't even started.

At Wrecking Ball's ring.

He's bleeding out!

I thought I was gonna be famous.

Blades, what the heck?

He's the one who bladed.

This seems very unsafe and unprofessional.

Haha, what is happening here?

We've just had some accidents.

I knew that Blades was no good.

Screw you, Pop Thorn.

I'll have you guys know that my business is going really well.

Zoo Lou looks like he is having fun.

What?

Pop Thorn looks over to see Zou Lou destroying the ring with his boar.

Pop Thorn flies over to his ring.

Zoo Lou doesn't know how professional wrestling works.

He's just the referee!

LIGHTNING!

Enigma summons purple lightning and destroys the ring.

Looks like we're done here.

I really wanted to climb on Trap Shadow.

The other Skylanders leave.

Part 4

Wrecking Ball, Hot Dog and Shroomboom.

So much for seeing who had better booking.

We didn't get to do anything.

Did you like my idea?

Yes.

I think Stealth Elf was right about this.

Or was she?

Huh?

Hot Dog punches Shroomboom.

What the hell, Hot Dog?

FIGHT CLUB IS ON!

Hot Dog kicks Wrecking Ball.

Fight club!

Wrecking Ball, Hot Dog and Shroomboom begin fighting.

Eh, why not?

Pop Thorn joins in on the fun.

I won!

My shoulder was up!

You have shoulders?

I don't even know.

Bedtime.

I guess it is.

Let's never do this again.

Agreed.

Not even fight club?

Maybe fight club.

Sick.

Story 120: The Brawl to End Them All

Part 1

What the heck? Where am I?

Wrecking Ball sees himself in a mysterious world.

This isn't my bedroom!

Wrecking Ball!

Hot Dog, what is going on?

I have no idea. I only remember going to sleep.

Well, we need to find a way out of here!

Comes running to them. Guys, there are loads of scary creatures around here!

What kind of scary creatures?

Kathleen Kennedy, Miley Cyrus... RIAN JOHNSON!

Noooooooooooooooooooo!

Quick, into that super safe cave!

Back in Skylands.

Where are my buddies? It's L4D2 time!

Pop Thorn walks out of his room.

I know what you are thinking.

What might that be?

You want to check up on Wrecking Ball, Hot Dog and Shroomboom.

Well, yeah, they didn't show up for our morning L4D2.

They are all the first testers of my virtual reality device!

Why don't I get to be a part of this?

Only three of the devices are ready.

Can I go take them off?

Unfortunately, no.

What do you mean?

These are the beta tests after all.

And that means?

Taking them off will kill them.

 WHAT? Why did you put the devices on them in the first place!

 They fully agreed to it with written signatures.

 This isn't right. I thought that galaxy brain of yours what actually makes things work first!

 Enough! Spy Rise, come with me.

 I'm going to see my friends.

 Don't! You know what will happen!

 We'll see about that.

 Pop Thorn, don't do anything until we have things under control, got it?

 Sure thing.

Part 2

At Stealth Elf's room.

 Hey, Stealth Elf. I want to talk about Wrecking Ball, Hot Dog and Shroomboom.

 Where are they? You always hang out with them.

 They are doing crappy virtual reality testing for Spy Rise.

 Isn't that cool?

 These ones are in beta testing and can't be taken off.

 What? Why would Spy Rise make that?

 That's what I am confused about.

 I have an idea! What if we take one of them off?

 They will die!

 What if Spy Rise is lying?

 Why would he lie to us?

 Perhaps there is more going on than we realise.

 Whose device are we taking off?

 We are not doing that!

 Let's go speak to Spy Rise.

 Spyro is talking to him right now. Let's just go look at Shroomboom.

At Shroomboom's room.

 It's locked! Shroomboom never locks his door.

 All right, something is very wrong here.

 What is going on here?

 Kaos! What have you done? You've always been a snake! You may have fooled everyone else, but you haven't fooled me!

 I am a part of this.

 KAOS!

 We should have never let you join us!

 Wait! It's not what you think. This whole operation is an idea that me and Spy Rise shared.

 And?

 This part of the operation is very important. We need to see if they can escape.

 By putting their lives at risk?

 Yes! Wrecking Ball, Hot Dog and Shroomboom were the only ones fit for the job.

 Wasn't I fit for the job?

 Those three are the best of friends.

 I'm also their best friend.

 You're clearly the fourth wheel that they got stuck with.

 Hey! That's not true, Kaos!

 Fourth wheel?

 You're not an OG member of the crew. You missed many adventures.

 That is true.

 It doesn't matter about that. I am going to speak to Spy Rise!

 I'll come with you.

 I'm just gonna play some L4D2 for a bit.

They all go their separate ways.

Part 3

In virtual reality.

 This cave smells like pee.

 I wonder how we got here.

 Maybe we're all dreaming at the same time.

 That's too radical.

 I think someone else put us here.

 I think you are right, Hot Dog.

 Why would they do that to us?

 To be buttholes?

 It must be some kind of plot by someone.

 Kaos?

 Well, it seems like anyone could have done it.

 Even Pop Thorn?

 I doubt that. It just seems like people always end up having dark secrets and evil motives.

 Yeah, that sucks.

 I wonder why Pop Thorn isn't here with us.

 Pop Thorn did this!

 I don't think he did it. I just wanna know why our best bro isn't here.

 I think we need to make a move.

 What do you hear?

 Rian Johnson is saying dumb things about The Empire Strikes Back.

 Let's go!

At the Skylanders HQ.

 Spy Rise, what is going on?

 They are testing my virtual reality device, and they agreed to do it.

 I seriously doubt they agreed to do something that puts them in so much danger!

 Is there something you are not telling us?

 Yes. **Spy Rise knocks out Flameslinger.**

 **DUDE! Stealth Elf attacks Spy Rise with her daggers, but Spy Rise uses his Cocoon Spinner to tie her up.**

 You'll pay for this!

Spy Rise knocks Stealth Elf out.

In Pop Thorn's room.

 Dude, stop using all of the first aid kits! STOP! **Pop Thorn gets mad and kills him teammate.** I hate playing with these idiots. I'm gonna go get my friends.
Pop Thorn leaves his room.

 Where do you think you're going?

 Get out of my way, Kaos.

 You can't take the devices off! STOP! **Kaos send his Doom Sharks after Pop Thorn.**

 Woah! **Pop Thorn launches his homing spikes at the sharks and Kaos.**

 OW! **Kaos falls to the ground.**

 That's what you get, Kaos!

???: Is it?

 Huh? **Pop Thorn turns around to see another Kaos.**

 What is going on?

 Isn't it obvious? Spy Rise's cloning device has improved greatly.

 This is gonna blow.

 With my help, we've managed to make an army of ME!

Part 4

Story 120: The Brawl to End Them All

Part 4

 Gotta run! **Pop Thorn runs away.**

 Follow him, my clones!

All of Kaos' clones run after Pop Thorn.

 There are so many of them! HELP! HELP!

No one replies to Pop Thorn.

 **Where are all the other Skylanders?**

In virtual reality.

Rian Johnson: Empire would've gotten roasted.

 No, it would not have! Everyone loves The Empire Strikes Back!

 You shouldn't have made that abomination!

Rian Johnson: You didn't like seeing Luke drink green milk?

 We hated it!

 You ruined Luke Skywalker's character!

 And you made Rey even worse!

Rian Johnson: You are just manbabies.

 No! YOU! **Wrecking Ball Tongue Whaps Rian Johnson.**

Rian Johnson: You are so toxic.

 Stop using that gosh darn word to describe every fanbase.

Kathleen Kennedy: We didn't have any comics or books to work from.

 You had George Lucas' glorious scripts and all of the Legends books and comics.

Miley Cyrus: I CAME IN LIKE A WRECKING BALL!

 NOOOOOOOOOOOOOOOOOOOOOOOOOOO! **He Disco Balls Miley Cyrus to death.**

 You're going down, Rian! **Hot Dog plays Revenge of the Sith on his Nokia phone.**

Rian Johnson: AN ACTUAL GOOD MOVIE! **Rian Johnson's head explodes.**

Kathleen Kennedy: DISNEY STAR WARS IS THE MOVIE!

 Not if the ACTUAL Star Wars fans have anything to say about it! **Shroomboom shows Kathleen Kennedy strong male characters.**

Kathleen Kennedy: I'm melting! Ahh! **Kathleen Kennedy dies.**

 YAY!

 We did it!

 I feel weird.

All three of them finally leave the virtual reality world.

 I'm back! What the heck is this doing on me?

They all get on Discord.

 Gamers rise!

 That was so weird.

 Maybe we should go find out what's going on.

 Oh, you're right.

They all leave their rooms.

 Why are there so many clones of Kaos?

 POP THORN!

 Guys, you're back!

 Pop Thorn, what is going on?

 Kaos is back to his old self. He has cloned himself!

 Why did we have those devices on our heads?

 I haven't even found that one out yet!

 Just let my clones do their business.

 Let it happen.

 Spy Rise, what is going on?

 My grand plan is finally coming to fruition!

 What are you talking about?

 The fall of the Skylanders is here!

 This happens way too much.

This is the end!

Spy Rise teleports them all to the meal room.

What the?

Wrecking Ball, Hot Dog, Shroomboom and Pop Thorn find themselves in a giant cage with all of the other Skylanders.

The end is here!

We should've been watching Kaos more closely.

I have been working with Kaos for one reason! The reason? TO ELIMINATE ALL SKYLANDERS!

I don't understand how Spy Rise could do this!

Spy Rise has always been cool.

Now that I have an army of myself, no one will ever stand in our way!

Guys, can't we break out of this thing?

This cage is top of the line. We can't even scratch it.

Nuts!

This cage will be slowly lowered into the lava down here!

I don't think that's gonna work out for you, lad.

You will be drowned in water.

Aw...

I don't understand this plan at all. Why would he put you three in virtual reality?

I needed to keep those three occupied for as long as I could!

Why not me?

You are not a threat.

WHAT? HOW? I DON'T GET IT!

How are those three the only threats?

You clearly don't know much about the past adventures around here.

This doesn't make any sense.

Wrecking Ball, Hot Dog and Shroomboom are the biggest threats! LOWER THE CAGE!

The cage starts lowering down.

Kaos, only you would do something this stupid!

I happen to think this is a great plan.

Putting us in a cage makes no sense!

How so?

We have minis.

All the minis escape the cage.

Spry, find the key to open this cage!

Will do, Speero!

How could I forget the minis?

Clones, get them!

Kaos' clones start capturing the minis.

Part 6

I got the key!

FLY, SPRY!

My wings aren't so good.

You can do it, Spry! We believe in you!

Kaos shoots lasers at Spry, which causes Spry to drop the key.

Nooooo!

Wrecking Ball reaches his tongue out of the cage and grabs it.

Wow, you're tongue is so long, Wrecking Ball.

Thanks.

They open the cage and start fighting Kaos' clones.

I'll just teleport all of you into the lava!

Only Kaos could be that stupid to come up with a plan like that!

This is all my plan!

Pop Thorn pops and shoots a gust of wind at Spy Rise.

Falls over. You'll regret that!

I'll hold him down!

So?

Take his frickin' goggles off!

I got it!

NOOOOOOOOOOOOOOOOOOOOOOO! **Kaos transforms into his Giant Floating Head.**

It looks like Kaos is in control.

I knew it!

I got them! **Shroomboom takes Spy Rise's goggles off.**

What is going on here?

 Looks like hanging out with Kaos was a huge mistake, buddy.

 My clones and I will kill you all!

 Kaos, I told you that clones were a bad idea.

 Huh?

 Why would you clone yourself?

 I am perfect!

 You always lose! More losers won't make a winner!

 SHUT THE HECK UP, SKYLOSER!

 It's over, Kaos.

 NOOOOOOOOO! **Kaos starts shorting his lasers everywhere.**

 If we can defeat Kaos, all of the clone will die.

 How the heck does that work?

 The original copy needs to be alive for my clones to work.

 We have to kill Kaos? I'm in!

 Kill Kaos? Is there no other way?

 I'm afraid not.

 We have done this a long time ago!

 We can't just kill him!

 All he does is cause trouble! He never changes!

 Maybe they're right, Wrecking Ball.

Part 7

 Skylanders, target Kaos!

Most of the Skylanders attack Kaos.

 Get off, Skylosers! OW! AH!

 I don't think I can watch.

 It has to be done, Wrecking Ball.

 Please stop! IT HURTS!

 You're going to die, Kaos!

 I don't wanna die! **Kaos starts crying.**

 Guys, stop!

 Help me, clones!

Keep the clones back!

Why won't he die?

Kaos has a lot of health.

I think it's almost over!

DISCO BALL! **Wrecking Ball Disco Balls through the Skylanders.**

Wrecking Ball, stop being an idiot!

This isn't right!

Do you want this to keep happening?

He never even succeeds! He never beats us!

He causes us trouble, he's an annoyance, he hurts us!

He doesn't deserve to die like this! **Wrecking Ball jumps on top of Kaos.**

Get off, Wrecking Ball!

Dude, just let it happen.

Kaos is a bad midget.

Wrecking Ball, get off him or we'll make you!

Do your worst!

I think this will be fun! This little twerp always takes all of the credit.

You guys are not gonna hurt my friend!

We don't hurt Wrecking Ball!

Look at what he is doing!

He's our best friend!

I'm just the fourth wheel...

What makes you think that?

Kaos didn't think I was a threat to him.

Kaos is wrong. You have proved that you are just as important as the rest of us! We are best friends!

Pop Thorn, we love you, bro.

You guys are right! I'm with you!

Wrecking Ball, Hot Dog, Shroomboom and Pop Thorn fight off the other Skylanders.

Part 8

I've seen enough.

Kaos removes the virtual reality device.

Do you now see?

I see that I will never defeat the Skylanders. I couldn't even do it with my most brilliant plan.

That plan wouldn't even work in the real world.

Yeah, you're too IQ and stuff. I'm gonna go to sleep.

I'll remove everyone's devices.

In Kaos' room.

Joining the Skylanders and destroying them from the inside was never going to work.

In Pop Thorn's room.

What the? I was in virtual reality that whole time?

On Discord.

Guys, what is going on?

I woke up with a virtual reality device on!

It happened twice!

Let's go beat Spy Rise's meat.

I don't think you know what that means.

They all go to Spy Rise's room.

My technology isn't quite all the way there yet.

What are you talking about?

I had to put it on every Skylander involved.

What about the clones? Were they real?

I would never actually clone a whole person.

If you could do this to all of us, what's stopping you taking us all out?

I'm a good guy.

I think he checks out.

What about Kaos?

He's in his room.

Part 9

At Kaos' room.

That was a great plan, Kaos.

I thought so too.

You testing out plans to take us out in virtual reality now?

That was my one last plan.

You don't have more ideas?

Nope.

What are you gonna do now?

I am leaving.

Leaving the Skylanders?

I'm not fit to be a Skylander.

It's fine that you're leaving but don't go back to evil.

I think it's about time I start doing other things I enjoy.

Like what?

Playing Left 4 Dead 2.

NO WAY! You like L4D2 as well?

I thought I was the only one here who played it.

We always play L4D2!

What mode do you play?

Campaign and Realism.

Us too!

Expert?

Of course. It's hard to teamkill on all of the difficulties.

Oh...

Get out, Kaos.

See you later.

Kaos leaves.

It's hard to believe that Kaos is leaving.

What if this is a part of his plans?

We'll be right here.

And we will send him packin'!

What do you guys want to do now?

Play some L4D2?

YEAH!

L4D1!

Woah! Let's do it!

The gang play Left 4 Dead 2 and live happily ever after.
