Dear Cheney School District Families,

We thank you and your family for being our valued partners as we work together to educate the children in our district. Cheney School District values input from our community, and we need to hear from your child or children! Students are important partners as we work to improve our communication, academic program and overall experience for everyone.

In order to learn more about student experiences at school, we will be asking for your child's feedback via an online survey they will be completing at school. The survey should not take more than 10-20 minutes to complete.

We are asking that all of our students participate in the surveys, as their feedback will provide invaluable insights into their experiences and how we can improve and adapt our district to their needs. If a student doesn't feel like they have enough information to answer a question, they will be able to skip the item altogether. The responses to these surveys will be completely confidential and we administer these surveys three times a year.

The survey content will ask students to self-reflect on a sense of belonging at school, supportive relationships, self-management, emotion regulation, and social awareness.

Please notify us if you would like your child to opt out of taking the surveys by filling in your name and your child's name below and returning it to school **or** by contacting one of the school counselors listed below, by Friday, October 3rd. We will also have paper copies of this document in the front office, if that is your preference. We thank you in advance for your thoughtful responses. If you have any questions about the survey administration, please don't hesitate to contact us at **(509) 559-4414 or (509) 559-4448**. Students will take this survey on Monday, October 13th.

Sincerely,
Miss Kidder and Ms. Faulk
