

The shepherds on the hillside

**Caring for their
flocks**

**They saw the
Heavens grow
bright**

**Light all around
Angels filled the
sky**

In a glorious sound

Alleluia, Alleluia, Alleluia

Angels did sing The wise men on the hillside

**Looking for Christ's
sign**

**They saw heavens
grow bright**

A new star bound

Angels filled the sky

In a glorious sound

**Alleluia, Alleluia,
Alleluia**

Angels did sing
