Once you fill out the form that brought you here, you will receive an email with addresses for drop-off and times. Please respect those addresses and do not share them. All survey

entries will be verified. Once you have given the clothing to one of the volunteers, you will give your name and email to the volunteer.

All clothing left at the end of the Fierce Fat Flea will be collected by Angelina (@fiercefatfemme) and saved for the next Fierce Fat Flea!

## Accessibility/Information About the Venue

The Fierce Fat Flea Market is being hosted at Humanist Hall in Oakland, CA. There is an ADA entrance with a ramp located at the venue's entrance off of 28th street.

There is street parking in front of the venue. As we all know, the Bay Area is known for car break-ins so please leave anything you don't need at home. The venue, the market, and the host are not responsible for any damages that might happen. Signs will be posted to help you find the venue.

There is a front entrance with 13 steps and another side entrance with a ramp.

There are two bathrooms located inside the venue. There will be a changing area available with one private booth and open changing room style.

The space has a ramp to get inside the building that can be used for guests with accessibility needs and for vendors who need to wheel things into the building. This entrance can be accessed via 28th street. Cars can be pulled up to drop off folks with necessary use of the ramp.

**Please do not wear scents while at the event to make sure that we don't agitate sensitivities. Masks are REQUIRED. We keep us safe.**

## Pricing of the Event

There is a suggested \$5 donation at the door. All donations can be sent on Venmo to @fiercefatfemme or given in cash. No one will be turned away based on the suggested donation. The donations collected will help to cover venue costs, pay for labor, and any additional funds will be collected to host the next Fierce Fat Flea!

Price Transparency: it's important to see fees associated with the Fierce Fat Flea so that we can raise the funds to help cover costs.
