Please read and tick the following boxes (tick only one in each row):

Asha-Jyothi will use non-identifying information pertaining to candidates, such as a candidate's general profile, house picture, etc., at public events, on their website, newsletters, and other social media to communicate the organization's impact and promote charitable causes. Student mentors and members are authorized to discuss specific identifying information, such as names, photos of the candidate, college, etc., with donors at private events and public events, when mentors/members are in full control of such information. The following authorization specifically pertains to disclosing specific identifying information on website, newsletters and social media.

IMPORTANT: A house photo is critical in our public messages, and will be used on the website, newsletter and other social media. If a student does not wish us to publish his/her family members' photo, please provide a house photo without the student or family members in them. Not providing the photo will not disqualify the student's consideration for the scholarship.

1	☐ I authorize Asha-Jyothi to use specific identifying information pertaining to me on their website, newsletters and other social media. I understand that providing such authorization is not necessary to qualify for scholarship.	☐ I DO NOT authorize Asha-Jyothi to use specific identifying information pertaining to me on their website, newsletters and other social media. I understand that this denial will not automatically disqualify me from receiving a scholarship.
2	☐ I certify that the above information is correct. I understand that providing false data will automatically disqualify me from the scholarship program and I will become liable for reimbursement of the scholarship immediately.	
3	☐ I will notify Asha-Jyothi of any changes in the above information. I understand that failure to report changes may lead to disqualification from the scholarship program
