Our history

Header	
--------	--

Body	<p>Fusco's was founded by Francesco "Cheech" Fusco and his son Rosario in 1957 and has been passed down from generation to generation ever since. A bona fide family tradition, every aunt, uncle, brother and sister has been pouring their heart and soul into the water ice stand since its founding.</p> <p>Fusco's has been making water ice with the same equipment, quality ingredients, and family since it's founding, taking pride in each and ever cup.</p> <p>A Wilmington institution, ____.</p>

Copy	<p>You can find classic Fusco's water ice at our stand at [address]. It's the same stand we founded in 1957, serving the Wilmington community.</p> <p>We've also opened a new location at [address]. New place, same great taste. Come check out the brand new Fusco's!</p>

Nutrition

Header	Nutrition info
Copy	<p>With a lot of water ice chains, you're getting pure sugar with chemicals for flavoring, consistency, and stability. This means more calories, This means that most water ice is defined by the FDA "Foods of minimal nutritional value".</p> <p>There's only one exception: water ice made with natural fruits.</p>

	That's us! We use locally sourced, all natural fruits to flavor our water ice. You can enjoy the delicious taste of water ice with only a fraction of the carbs, less sugar, no gluten, no soy.
