

Weekly Reflection for Passion Project

*This reflection is completed **individually** and not with a partner or group - each student should have their own reflection and steps completed*

Thesis: What is your WONDER project about? What do you wonder?

--

What does your finished project look like?

--

What do you want to answer to create a finished project?

--

If you have partners, what does it look like in your group? Who is doing what?

--
