#### **Tradition 11 Presentation:**

##### **Long Form:**

Our relations with the general public should be characterized by personal anonymity. We think A.A. ought to avoid sensational advertising. Our names and pictures as A.A. members ought not be broadcast, filmed, or publicly printed. Our public relations should be guided by the principle of attraction rather than promotion. There is never need to praise ourselves. We feel it better to let our friends recommend us.

#### **Concept XI:**

While the Trustees hold final responsibility for A.A.'s world service administration, they should always have the assistance of the best possible standing committees, corporate service directors, executives, staffs, and consultants. Therefore the composition of these underlying committees and service boards, the personal qualifications of their

members, the manner of their induction into service, the systems of their rotation, the way in which they are related to each other, the special rights and duties of our executives, staffs, and consultants, together with a proper basis for the financial compensation of these special workers, will always be matters for serious care and concern.

## **District Secretary – Brian W.**

Greetings District 5!

I'm pleased to serve you as your secretary. I will do my best to serve you and the District's needs in this role. I only have a couple announcements:

First, for the in person meeting, please sign in on the attendance sheet going around the room right now and make sure your contact information is current. New GSRs, please provide your contact info on the attendance sheet. This is so I can keep the roster and email lists current and make sure you're all getting the right communications. I update the roster and group email list with each meeting, but I too am not perfect. Please help keep me honest. If you're not getting emails, let me know and I'll make sure you're in the email list.

Next, please submit your GSR and committee reports on the Friday night before our monthly business meetings. Late submissions will make the report, but you need to submit on time to speak at the meeting. If you expect to be late, that's okay! I'd rather you let me know so I can expect your report late than just disregard your report entirely.

I did receive two notices about the October report:

1. I added the D5 budget to ensure everyone in the district knew where the budget numbers were to bring back to homegroups (thank you Gavin for the reminder)
2. I received a report of the links at the bottom of the report that were broken or missing. I confirmed the link for "GSR Report Ideas" is definitely broken. This will be fixed in future reports, either by removal or locating a corrected link. (Thank you Kymberli for pointing that out)

Your report is an important part of how your group's voice is known in the District. You may feel or think that "there's nothing to report" but I encourage you, as your group's GSR, to listen to your homegroup's voice. Those reports are how your district knows what's happening in your meeting. If there's an issue with the process, the timing, the content, or you just feel you have nothing to report, or something else I haven't mentioned at all, feel free to talk with me, Nick, or your service sponsor, and any of us can help. Your district wants to hear from you.

As usual, please let me or Nick know if you have any questions.

A motion was made to accept [202510 October D5 Business Meeting Minutes.docx](#) by Pete and was seconded by Gavin - **Motion Passed.**

## **Treasurer Report - Gavin**

# 2025 October Treasurer's Report

## Executive Summary

District 5's financial position remains stable. Although we are close to our low threshold, contributions continue to support our ongoing programs and responsibilities. While this does not currently present an immediate risk to fulfilling our service commitments, it will be important to monitor and take into consideration when discussing future plans and incurring expenses.

## Financial Data

Our cash position ended at **\$5,980.41** which is 9% of our threshold guidance (3% reduction from last month). (*High Threshold: 6-month rolling average of \$10,968.45, Low Threshold: 3-month rolling average of \$5,484.23*).

We recorded **\$980.04** in contributions and incurred **\$1154.14** in expenses.

## Key Takeaways for GSRs

Regarding contributions: At present, we are within our financial thresholds. However, if contributions remain at their current level and we fully utilize our budgeted funds for carrying the message this year, we are likely to fall below our low threshold. We encourage you to consider this information carefully and let your group conscience guide any decisions.

#### **DCM Report – Nick M.**

As we get closer to the end of the Panel, I want to say how grateful I am to be given this opportunity to serve in this capacity. I made myself available for Area service committee roles and was appointed corrections alt. Chair. The reason I bring this up is the area service transition meeting is at the same. I reached out to Nick and asked that it be moved because I was elected and am funded to participate as a DCM. I mentioned to him that asking us to skip out on our responsibilities is setting a bad example. How are we expect anyone to take their roles seriously? I will be fulfilling the role as DCM this assembly and will reach out to past chairs and alt chairs for guidance later on. It is disappointing this example is being set. I hope all of you continue in service and help create change where necessary. Also, I hope all have had a chance to prepare to discuss our motion to have in sync rotation some more at the area.

This up coming assembly focuses on service committees. The area service committees will set up information tables we will be able to go to and learn more about the committee. It's called the round tables and we will have time to go to 3 different committees during this time. Our District Committee Chairs have a stipend to go to this assembly and attend these round tables.

We Still have not received any Service Resumes for Committee Chair positions. We still need PI/CPC, Treatment, and Corrections Committee Chairs. These are vital roles and we will not be able to continue these Services as a District without them. I sincerely hope you guys consider making yourselves available or talking with your Groups to see if there is any interest.

We are gearing up for the last workshop for the Panel. It's sad to see this rotation coming to an end, let's go out strong!! We will be talking about it later on in the meeting.

Our Committee Chairs need the groups to get involved. They have a lot of work organized and lined up, but the lack of participation from the Groups is a problem. We don't have enough facilitators to go into the Treatment centers and Facilities that want us to come. We don't have enough presenters for Cooperation with the Professional Committee, and after the Health Fair there is a lot to do. Access has been reaching out to Retirement Facilities and there has been much interest in both panels and possible meetings. Literature would love some participation from the groups Literature Chairs. I can't stress enough the importance of the Committee work in our local community. It's how people find us. It's the District's job to organize it, but it's the Group's job to do the work. If we all pitched in and did our small part...well that would be awesome!! Please consider taking this information back to your groups and get involved. **WE NEED YOU!!**

**Oregon Area 58:** The November Assembly is approaching!! I hope all are registered

and have a room. Committee Chairs are funded \$300 to go to the Assembly and attend the Area Service Roundtables. Looking forward to seeing you all there!! The printed version of the final Conference report should be available at this next Assembly.

**GSB/AAWS:**

I would also like to extend a special welcome to any of the new GSR's rotating in. We are Panel 74. It is my job as DCM to serve you and your groups for the remainder of the year. This means if your group would like a group inventory, monthly Tradition presentations, service presentations, or help with your Business Meetings, I want to encourage you to reach out to me and Carmack. We are looking forward to and are EXCITED to help with these things!! To add to that, this is a Service Commitment I signed up for, just like you GSR's and Committee Chairs. This is ***not*** volunteer work, I signed up to contribute my time. I want you guys to help me be accountable, so reach out and put me to work!!

**Access Committee:**

Hi District 5 I'm Joey I'm an alcoholic. I am your District 5 Access Committee Chair. Our committee focuses on carrying the message to alcoholics who may face barriers or daily challenges that may make it difficult to access AA. Our committee has been focusing on assisted living facilities and the elderly community here in central oregon. Our committee has recently created a job description for a home group accessibility representative in hopes of getting more participation on the committee. I also have some copies of the Accessibility checklist for anyone that would like one to take to your group. These mention several common accessibility issues alcoholics may face that we may not think about on a daily basis and could be a good conversation for your group to have. I will be attending the Accessibility round tables at the November assembly next weekend I look forward to seeing you all there. Our next committee meeting will be this Wednesday at 6pm in the district 5 zoom room we would love to have you. Thank you in service Joey.

## A58 D5 LITERATURE COMMITTEE

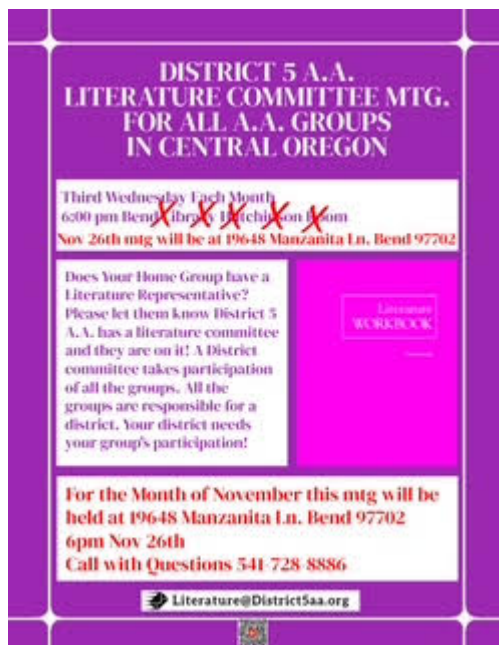

### DISTRICT 5 REPORT

November 2025

Good afternoon district 5 my name is Davy and I am a recovered alcoholic.

I'm grateful for the opportunity to be of service in this capacity. We will be making literature available at local district events and will have literature for sale at the district business meetings. We have newcomer packets available for sale. These are \$10 for 20 or \$5 for 10. We also have A.A. Comes of Age, Pass it On and Dr Bob and The Good old timers as well as pamphlets for sale and of course Big Books. Let me know if your group would like to buy some. If there is anyone interested in being on the D5 literature committee you can reach me at 541-728-8886 or [literature@district5aa.org](mailto:literature@district5aa.org)

Our next committee meeting is November 26th at 6:00 PM. It is usually downtown in the Hutchinson room at the Bend Library but this month is will be in a different location for this month only. This month it will be at 19648 Manzanita LN In Bend 97702 we'd love to have anyone attend.

I would like to extend a thank you to Liza and Lisa from the Sisters in Sobriety group for attending last months literature committee meeting. They were ready to get to work and took a display to a recent potluck and got the materials to make newcomer packets. The more people we have involved the more we can do together as a committee. The literature committee has decided to try and have more availability of the district Trifold. We've found this to be very helpful and people really seem to like how simple and full of information they are. The literature committee had fun brainstorming as a committee last month to come up with some Traditions questions to send in to the DCM in preparation for the upcoming workshop. We will be at the workshop with literature and newcomer packets for sale.

I have a roster that I will pass around if anyone here would like to add there literature reps contact information or join the literature committee.

This month we are Spotighting A.A. Comes of Age. We offer this for sale. This is a fantastic read and contains the early history of Alcoholics Anonymous and how we got out of our Flying Blind period and forged the 12 Traditions out of some really painful experiences of failure in adolescence. Here's a quote from page 1. "During the first three days of July 1955, Alcoholics Anonymous held a convention in St. Louis, commemorating the twentieth anniversary of its founding. There our fellowship declared itself come to the age of full responsibility and there it received from its founders and old-timers permanent keeping of its three great legacies of Recovery, Unity and Service.

I will always remember those three days as among the greatest experiences of my life. "

If A.A. has given you some great experiences and you haven't read this one yet give it a try; you may find that it might enhance your entire A.A. existence. It did for me and everyone I know who has read it and gone through it with a sponser.

Here is an excerpt straight from the Literature Committees AA guidelines that fired me up. If it fires you up, maybe you'd like to join the D5 Literature Committee.

"Today, as in the early days of Alcoholics Anonymous, the A.A. message of recovery from alcoholism is carried by one alcoholic talking to another. However, since the publication of the first edition of the Big Book in 1939, literature has played an important role in spreading the A.A. message and imparting information about the A.A. Twelve Step program of recovery. A.A. co-founder Bill W., who often called the influence of A.A. literature "incalculable," wrote in the May 1964 issue of the Grapevine, "Suppose, for instance, that during the last twenty-five years A.A. had never published any standard literature...no books, no pamphlets. We need little imagination to see that by now our message would be hopelessly garbled. Our relations with medicine and religion would have become a shambles. To alcoholics generally we would today be a joke and the public would have thought us a riddle. Without its literature, A.A. would certainly have bogged down in a welter of controversy and disunity." (The Language of the Heart, p. 348) Bill's words ring just as it is today"" (AA Literature Committee Guidelines p1)

### **Public Information / Professional Community (PI/CPC): Jena C.**

Hello, I'm Jena, I'm a Recovered Alcoholic serving as your PI/CPC chair. Our committee is busy working to get information to the Professional and to the Public.

We are now going to focus on schools primarily COCC and the University. We will be providing high schools with our literature and pamphlets for counselors.

I have professional packets for healthcare if anyone needs some for their provider or to pass out at homegroup. This is how we build relationships with the professionals.

The PSA announcement is still on 105.7 104.1 and 95.7.

We will continue placing Grapevines in little libraries around town, in waiting rooms and other lobbies.

It is crucial that we fill this position to carry the message to the professionals and the public! The alcoholic out there, stumbling in the dark, needs to know how to find us! We are not a secret society! I am willing to help whoever steps into this position and continue to participate on this committee.

Our next committee meeting is November 19 at 6pm at the downtown Bend Library upstairs in the Hutchinson room. This is a way you can help the still suffering alcoholic who has not yet found us! PLEASE Join us, we can always use more boots on the ground!

### **Treatment Facilities:**

Hello District 5! I am Pete B and this is the D5 Treatment Committee Report

As a reminder, we are currently serving eight treatment facilities throughout District 5 with thirteen panels either monthly or bimonthly.

We have a great roster of eleven facilitators, with five of them taking a monthly commitment to facilitate a specific panel. Without them and their willingness to carry the message, the treatment community would not be exposed to Alcoholics Anonymous. Shout out to the eleven treatment facilitators.

If you or someone you know is interested in treatment, please invite them to our next committee meeting. Our next meeting is November 19 at 5:00 pm in the District ZOOM room. You do not have to be the elected Treatment Representative to attend this meeting, it is open to all recovered AA members interested in carrying the message to treatment facilities. At our meetings we share our experiences at the panels the previous month and calendar the next month's panels to see who is available to facilitate.

Since we talk specifically about the Big Book at these panels, we have had many requests for books after our talks. I recently purchased three cases of Big Books that I will distribute to the facilitators to meet this need.

If you love carrying the message to treatment facilities, please consider volunteering for the Treatment Committee Chair in 2026 - 2027.

Thank you for your consideration

### **24&Alive**

My name is Kymberli and I am an Alcoholic. My home group is 24&Alive! and our group meets 7 days a week at 5:30pm inside the Redmond Alano Club on W. Antler Ave.

Our business meeting is held at 6:45pm on the 1<sup>st</sup> Thursday of every month, at the Redmond Alano Club. Our group also has a monthly Food & Fellowship gathering every 3<sup>rd</sup> Thursday, after the regular 24&Alive! meeting.

Our group is discussing a script change, to help our meeting maintain focus on our primary purpose, and to include an AA safety statement. For those who may find themselves at our meeting, that might need help with problems other than alcohol, a printout of Other Local Fellowships has been made to give them. We continue to work towards a group inventory, and since doing an inventory at the last Area Assembly, I really look forward to going over inventory

questions with my Homegroup!

24&Alive! just had a new rotation for the positions of meeting secretary, greeter, and coin person. A big shout out to all who signed up to show up for the next 3 months! We also recently elected a new Treasurer, Alternate Treasure, and Alternate GSR! I am so grateful for our members who stood for these open positions, and thank you for being of service.

### **Powell Butte Meeting**

Hello District 5,

My name is Rachelle, alchoholic and I am the GSR for my home group; The Powell Butte Meeting. We meet on Sundays at 6pm at the Powell Butte Christian Church Fellowship Hall. We are an open meeting and all are welcome to attend.

At our business meeting this month we voted that our Home Group will purchase a paper copy grapevine subscription that will begin in January. We also voted on the 2026 District budget.

I addressed the concerns about the overall lack of participation at District level in hopes of attracting more support not only for chair positions, but to participate on a committee they may be interested in.

We voted in Greg as our Home Group Treatment Representative. He is currently helping with AA panels at Best Care.

After having a very open and honest conversation about what it means to be a Home Group member and the importance of being fully self supporting last month we had nearly a 100% increase in contributions. Amazing what an impact a simple responsible conversation can have.

I am registered and excited to attend Area Assembly in Welches next weekend.

Thank you for allowing me to continually grow my knowledge in AA service.

Rachelle E.

### **Firing Line Group**

My name is Jena and I am a recovered alcoholic. I am the GSR for the Firing Line Group of Alcoholics Anonymous. We meet every Monday at 7 p.m. at 389 Scalehouse court. Ours is a Big Book study meeting with the exception of the last Monday of the month. That meeting is a speaker meeting at which the speaker shares briefly on their experience with a portion of Conference approved literature, followed by 15 minutes of open questions and 15 minutes of sharing about what was read. The speaker discussion meeting this month will be on Monday November 24. We will have elections the next business meeting and a new GSR will rotate in January. Our home group has a treatment chair, PI/CPC chair, an access chair and a hotline chair. We try to be of

maximum service to our community, so we can reach the still suffering alcoholic. Our access chair reached out to an assisted living facility that wanted a meeting to come in once a month. I will be attending the next area assembly on Friday and looking forward to participating.

We invite everyone to come to our meeting and to join us in fellowship afterwards at El Rodeo.

In love and service,

Jena C GSR (FLG)

### **Three Legacies Group**

## **THE THREE LEGACIES GROUP OF ALCOHOLICS ANONYMOUS**

### **GSR DISTRICT 5 REPORT**

**October 2025**

Good afternoon district 5 my name is Davy and I am a recovered alcoholic. I am GSR for my home group The Three Legacies.

Our group meets three days a week. Monday, Tuesday, and Wednesday in this room at noon. For more information about our group, our meeting formats, service position descriptions or bylaws visit our website [threelegaciesgroup.org](http://threelegaciesgroup.org)

Monday is our beginner's meeting.

Tuesday is our speaker meeting. The first Tuesday of the month is a Tradition presentation and once a quarter will be a concept presentation. The 11th Tradition presentation was this last week. I am grateful for the district CPCPI Committee and their effort in making the Trifold that is full of helpful information about Alcoholics Anonymous and our district. It was really helpful during the Tradition 11 presentation because it easily demonstrates how we can be helpful to those who might want Alcoholics Anonymous without involving our own personality. I was under the impression that AA was a secret organization when I discovered it and it's been eye opening to connect the dots that we're not a secret society and we do advertise but it's not about me advertising my story or what I think of AA publicly. If Bill W. could sacrifice having even just the back of his head put on the cover of Time magazine in the name of placing our principles over himself and embracing our public relations policy I think I can make the sacrifice of not breaking my anonymity with the low level of the public that I have the opportunity to engage with. When I think about like that it really doesn't seem like not engaging with outside issues and Alcoholics Anonymous on public social media would be asking me to sacrifice much at all other than my own ego.

Wednesday is our Big Book study. We just started A Vision For You. We'd love to have anyone interested join us in studying this chapter. The first Wednesday of the month we study the Tradition corresponding to the numerical value of the month we are currently in. We read the Short Form and The actual Tradition out of the Big Book and there is discussion, questions, crosstalk and reading from any AA literature relevant to the Tradition we are studying.

## **Redmond Early Risers**

Hello District 5

My name is Bobbi. I am an alcoholic and GSR for Redmond Early Risers. We meet Monday through Friday from 7-8 am at the Zion Lutheran church on the corner of 12th and BlackButte in beautiful Redmond Oregon. Monday is a big book study, Tuesday is a step discussion meeting., Wednesday is as Bill Sees it, Thursday is Daily Reflections and Friday is The 12-12 meeting with the last Friday a discussion of the monthly Tradition. We continue working on our group inventory. We are preparing for a rotation of service commitments in January and getting members excited and involved in service. We split our contributions 30 percent District 5, 30 percent Area 58, 30 percent GSO and 10 percent to Intergroup. I will be attending the assembly next week and am looking forward to it. Thank you for the opportunity to be of service.

## **Tumalo Group**

Hi Brian,

The Tumalo Group report follows. I will not be present as I'm travelling, but our Alt GSR (Nancy) may make it.

The Tumalo Group holds two meetings each week. Monday at 6pm meets at the Unity Church at Hwy 20 and Cooley Road in Bend. It is an open book study. The Friday at 7pm meets at the Pleasant Ridge Community Hall on the Old Bend Redmond Hwy. It is an open speaker meeting. The Monday meeting attracts about 15 people each week to read and discuss the Big Book and the 12 and 12. About 25 people attend each week currently. The meeting is now even more convenient to Redmond, Eagle Crest, Terrebonne, and Prineville. We hope some of you from the north will take advantage of the new location.

Service positions are opening up at the end of December. We have 12 or more positions to fill every 6 months, so if you are interested in service there is almost always a position that is available. The positions will be filled at our next business meeting on December 12 at 8pm at the Pleasant Ridge Hall.

The Tumalo Group is a warm and inviting group. We stick to the steps and traditions to be of service to our fellow alcoholics. We would love to have you join us for a meeting and stay to make it your Home Group.

Yours in Service,

Eric S.

GSR, the Tumalo Group
