Proposed re-configuration of Bannockburn Oval to accommodate 400m track and redevelopment of amenities building (DA 0554/08)

I/we are writing to object to the proposed re-configuration of Bannockburn Oval to accommodate 400m track and redevelopment of amenities building planned for 49 Bannockburn Road, Pymble.

My/our concerns are about the following in particular:

- Inadequate parking and increased traffic;
- Increased periods of noise and lighting;
- Changes to topography due to proposed excavation and fencing;
- Safety issues arising out of the proposed height of the retaining wall;
- Removal of significant trees particularly along Bannockburn Road;
- The jeopardising of current use and free access to Bannockburn Oval by the local residents and community;
- Visual detracting of the proposed "KLAC" sign.
