About Idélo

Idélo is a Canadian digital platform for French educational content. Teachers can find videos for specific curricula, themes and levels.

Accessing Idélo

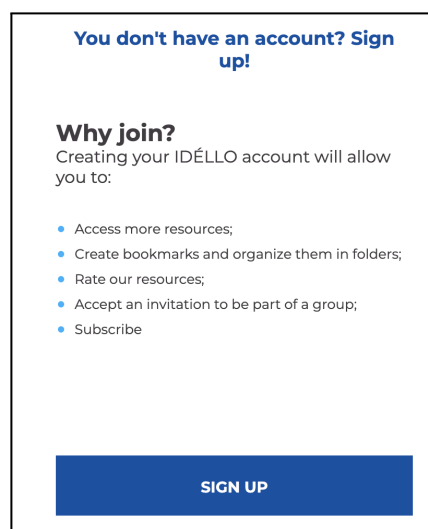

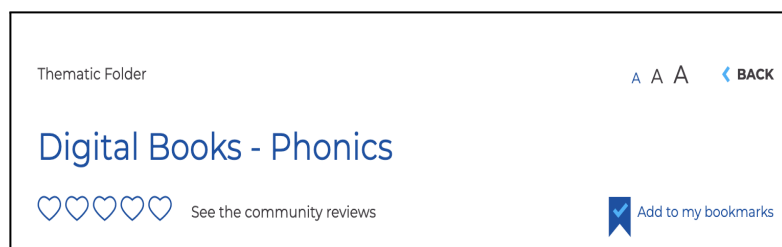

Idélo is an open platform in Ontario, accessible anywhere where there's an Internet connection.

For access to personalized functionality within Idélo, teachers/educators will need to create an account. Follow these steps to create your account:

- Look for the "Sign In/Sign Up" on the main menu, click on the appropriate button (Teacher or Educator), and answer the questions that follow.
Accounts for HDSB students are not permitted.

By creating a personal account, you now have extra functionality options, such as:

- Creating bookmarks to help you organize your favourite Idélo videos (see screenshot of "Add to my bookmarks" below)
- Creating content to share with students
- Register for professional webinars with Idélo

Navigating Idélo

Keyword Search:

Type your keywords (French or English) into the "Search by Keywords" box on the top right corner, then click on the magnifying glass icon or hit enter on your keyboard. Your results list can be sorted by popularity, by date, or relevancy.

You can also filter your results by clicking on the filter options on the left side menu. Click on the down arrows to reveal more options.
