## Frequently Asked Questions (FAQs)

### **1- Do I need to re-apply to BCSVA?**

Students in good academic standing (having passed 3 out of 4 classes each semester) do not need to re-apply. Families will receive an offer of acceptance along with a contract for 2023-24 school year in May. Students who are not in good standing will be reviewed in June at the end of semester.

### **2- I'm not going to BCSVA next year. Do I still have to do this? How do I register at the school I'm going to?**

If planning to return to your base school, you will make a registration appointment in June/July by calling their front office. You will complete course registration then. However, it is still good practice to select the **Core Courses** so the new school knows what you need next. **You can leave the electives blank and put in the comments section that you are leaving BCSVA.**

### **3- The courses I need are not an option on the form.**

Indicate that in the Comments Section at the end of the form. We will fix it based on your comment.

### **4- I don't know what electives to choose and I'm not sure what I want to do after high school.**

That's a normal feeling! Attend Curriculum Night, complete a Career Interest Survey, and schedule a 4-year planning meeting with Ms. Hodges. Do this prior to April 28th to help with your Course Registration.

### **5- Oops, I already submitted but now I want to make a change.**

You can submit a fresh form. Please add in the Comments Section that you submitted previously but want to be based on this new submission.
