Text: Whereas, the genocide currently being inflicted upon the Palestinians is being aided and abetted by the Biden administration, and

Whereas, when asked recently about the war Biden reaffirmed that he was a Zionist, and

Whereas, in New York State an 'Uncommitted' option is not available, and

Whereas, it is our duty as socialists not to hold up a decaying and brutal order but to bring together workers and oppressed people to build a new and more democratic one, therefore

BE IT RESOLVED, that Rochester DSA shall call on its members and comrades within the movement to submit a blank vote for the presidential primary in protest of President Biden's support for the genocide of Palestinians, and

Be it resolved, that this call shall go out on social media through the month of March, that we will work to coordinate communications across the state in the last week of the election, and

Be it resolved, that we will collaborate with other DSA chapters in analyzing the results of said primary.

Vote: Passed UNANIMOUSLY
