    - Finding the yearbook order on the website is not straightforward. Push people to check emails and monthly newsletter
    - Deadline is passed for dedications (we got 23)…but if someone were to ask to do a late submission, we would allow it.
    - Have sold 90+ yearbooks. Casey Admin might buy an amount. Need to buy as "admin" by April 5th so they are set aside.
    - Last year we pre-sold about 200 and bought 25 extra. Amount purchased this year will depend on presales
- There will be a limited amount available for sale during the last week of school.

Parent Involvement:
Check out HelpAtSchools for the most up-to-date requests from the school and teachers.

Principal Update:

- Broke down the numbers of new students of migrants. Casey represents 15% of those. Luckily we have “new-comer” resources. At the new-comer meeting, 25 of 26 families attended.

- HMH curriculum has books in Spanish for those students who need them. We have really good ELD teacher creating content and leading this approach
- Next year projections for 6th grade are over 100 (a bit up from last year). So FTE numbers may increase. Because we are a priority school we will likely get the majority of the support we need.
- District leadership meeting – Casey was noted for strength in comparison to other schools in the district.
