

[See this page in the course material.](#)

Learning Objectives

- Identify strategies for avoiding plagiarism

Directions

1. Indiana University has a clever list of different types of plagiarism. Their names for different types of plagiarism can help you learn how to avoid situations of academic dishonesty. Visit this link to [read about various examples of plagiarism](#). Jot down a few notes on examples that are new to you.
2. Start by finding information about plagiarism in one of your courses. You may find information on the course syllabus and/or the course Web site. You may want to bookmark this information or make a note to yourself. Knowing your rights as a student may help if there is a misunderstanding.
