- Smoky Slate: 3-3/4" x 3-1/4"
- Basic White: 2-1/8" x 2-3/4"
- Lemon Lolly and Adhesive Sheet: 3" x 5"
- Designer Series Paper or "DSP": 2" x 4-1/4"
- Textured Metallic: 2" x 2"
- Ribbon: 4-1/4" strand and enough to tie a bow separately

Instructions:

1. Attach Pretty in Pink DSP across center of Basic Black with Stampin' Seal
2. With Adhesive Sheet adhered to back of Lemon Lolly, die cut 6 retro starbursts, peel off backing and adhere 3 above the DSP band and 3 below. Start with center ones then do sides.
3. With Stampin' Seal, attach ribbon strand from edge to edge of DSP. Tie bow with more ribbon, trim ends, and set aside.
4. Stamp television onto Smoky Slate with Tuxedo Black Memento Ink.
5. Stamp Basic White with the diamonds stamp in Lemon Lolly ink. Stamp sentiment on top of diamonds with Tuxedo Black making sure it's close to being centered.
6. Die cut television and screen area. Compare Basic White size to television and trim, if necessary, so Basic White is hidden behind television. Then use glue on back of television to add sentiment piece.
7. Die cut television dials and antennae with the gray Textured Metallic paper. With tiny dots of glue and your Take Your Pick Tool, attach pieces to front of television.
8. Attach television onto card front, at an angle, with Stampin' Dimensionals.
9. Add bow with one Mini Glue Dot.
10. Lift 8 Pretty in Pink dots with Take Your Pick Tool and add to card front.
