ACADEMIC PROFILE

Cactus Shadows High School— *Junior*

3.94 unweighted and 4.65 weighted GPA

I am currently taking AP English, AP Spanish, AM/AZ History, Honors Anatomy/Physiology, Honors Algebra 2, as well as Business 101. I am ranked 17th in my class.

Extracurricular activities (other than soccer): I work as a server at an Italian restaurant called Babbo. I have a second job working as a dispatcher for First Responders, my family's business. It is a company serving medical care to the public, performers, and athletes at events in the Footprint Center here in AZ. My dad lives in Italy due to his job in the military so during summers and long breaks I enjoy traveling to visit him. When I am home I enjoy hiking, singing and playing piano, as well as hanging out with my friends!
