- NED updates/ fun things we learned?
 - Thank you to everyone that helped make lanyards!!
- Congrats on your new class brothers!
- Happy women's history month! Hopefully we can get more women in music Wednesdays to celebrate. If you are in Sarah's committee, see what you can do to help out with this!
- Another thing about committees, make sure you are an active member! For example, if you are in the service committee, learn about the FOF campaign and send Scott some ideas to complete the stripes!
- The sisters are trying to go to support Yenevi at her show Intimate Apparel on Thursday from 7:30-9:30 PM! Anyone else can go!
- Everything Alice said but
 - The leadership classes registration closes Tuesday Morning so do it ASAP!
- Have a good and restful Spring Break everyone! And GOOD LUCK WITH MIDTERMS if you have them
 - pls reach out to me if you need to talk or release some stress
 - Some things you can do to study:
 - Write out your study guides and notecards→ you have better retention if you physically write your notes rather than type
 - Schedule out time in your calendar to actively study→ if you have it scheduled, you will be less likely to need to cram the night before
 - on the same wavelength as cramming→ if it is like 1 AM the night before, it may help you more to get a good night's rest then force yourself to keep studying.
 - Take some time for you to decompress and destress→ hang out with friends, watch a movie, color (try to avoid using your phone during this time)

- Bryce mentioned that FSL has partnered with Cook library to offer study halls every Friday from 5-8, more info to come in an email

TBΣ Vice President of Special Projects – Jeremy Balda

1. I've been working on planning a workshop on learning about Clifton strengths, teamwork, and more for the sisters, and I wanted to open it up to the brothers as well. Someone from the student activities office would come and facilitate this for everyone who wants to do it, and you'd have to take a 30ish-minute assessment beforehand. Based on the sisters' availability, a Friday afternoon seems to work best for doing the workshop. Are the brothers interested, and does this time work in theory?
2. TBS was reached to about helping with Towson Track and Field meets that are coming up (I don't really know why), but the dates are March 28th-29th and April 4th. Interested individuals are invited to review the available volunteer opportunities, dates, and times by accessing the following [link](#). Please note that

each meet is located on a separate tab at the bottom of the spreadsheet. To secure your volunteer position, please email lpugh@towson.edu with the specific date(s) and time(s) you are interested. I'll give out service points for another service if any of you decide to help.
