

Graphic design position at UGA Health Center

Each year we hire a student with exceptional graphic design capabilities to develop designs for our health literacy campaigns, events and social media. The job opening starts Fall of 2016. While we would love to have a student for more than 1 year... 1-year is the minimum term.

If anyone is interested please send an email with interest to Kristine Groft at kgroft@uhs.uga.edu to arrange an interview. A portfolio and references are required.
