What's Happened since HHS: "The Good, The Bad, The Ugly"		
<u>Worked for Luby's Cafeteria entering their cooking school. Learned some great secrets to preparing leftovers. Worked for M&M Sales as Director of Operations. Ate most of the profits. For eight years worked in chemical sales with J&B Industries not the scotch J&B and moved to Corpus Christi. In 1986 began working in education at Calallen ISD as a Purchasing Agent. In 1992 I began working at the Region 2, Education Service Center and was promoted to Associate Director for Operational Services where I started a statewide purchasing cooperative with over 90 school districts participating statewide. I also oversaw the Print Shop, Quality Childcare Services, Early Childhood Program, Building Maintenance, and Building Security. I also became an instructor with the Texas Association of School Business Officials (TASBO) and in 1999 began teaching Purchasing Law throughout the state for TASBO and for the Texas Education Agency. I worked with the Audit Department of T.E.A. and with the Consumer Protection Department of the Texas Attorney General's Office. After 22 years in education Valerie and I retired on August 31, 2008 and moved to Arizona to be with our three grandsons and one granddaughter. My bride and I have been married for 35 years this past August 31st.</u> <u>After a couple months off I now work with the Texas Association of School Business Officials as a Consultant in the area of Public Educational Purchasing.</u>
