

# Week 4 Learning Grid

## K-2

For those students who are remaining remote, the below learning grid is some suggested activities. Have a great week!

Keep a reading journal of all of the books/pages you read this week. What has been enjoyable about these reads?	Login to prodigy and continue to complete the set maths challenges	Continue to de-construct different boxes and packages around your house. What shapes make up their nets?	Continue to work through reading eggs
Write a story about you as a superhero!	Make a model of a new mode of transport using items from around your house	Take photos of the amazing effects of all of the recent rain and write about your pictures!	Continue to video yourself reading daily
Practice your handwriting and identify the three letters you need to work on the most	Build a pillow fort as an awesome place to read	Create a colour and shape pattern using household items and explain your pattern	Master these 5 paper airplanes <a href="https://www.youtube.com/watch?v=SpYS5WtvNvQ">https://www.youtube.com/watch?v=SpYS5WtvNvQ</a>
Practice telling the time <a href="https://www.abcya.com/games/telling_time">https://www.abcya.com/games/telling_time</a>	Write a short story that includes all the members of your family!	Write some facts about your favourite animal. You may need to research.	Draw a set of pictures of foods that you love and label them!
