Re: 7th International Festival-Contest "Music of the World" 2025

Dear Eli Raikhlin,

I hope you are doing well. I am writing to express my deepest gratitude for the incredible opportunity to participate in Music of the World and for the honor of winning first place in the final. This achievement means so much to me, and I am truly grateful for the chance to share my music through this wonderful platform.

Even though I could not be there in person, the experience of recording and submitting my performances for such a prestigious competition has been unforgettable. Knowing that my voice reached and resonated with the judges and audience from afar makes this accomplishment even more special. This competition has given me a moment that will shine on my resume—and in my heart—forever.

Thank to you and everyone involved in organizing this event, as well as the judges, mentors, and fellow competitors who made this experience so meaningful. I

deeply appreciate all the hard work that goes into making Music of the World such a prestigious and inspiring platform for artists worldwide.

With heartfelt appreciation.

Sincerely,

Ametiss Émiss Farivar-Arabi

Good evening dear Eli,

Hope this email finds you well.

During the competition myself and Émiss were on vacation and just got back to Canada. Hearing that she got into first place made our vacation even more enjoyable. We would like to appreciate you for all the help during this process. We hope to see you in person one day and that next time she can participate in person.

Please pass our special regards and appreciation to all the crew involved.

Émiss prepared a thank you letter for you which is attached. Just a very small token of her appreciation. She's truly grateful for such an amazing opportunity and will never forget that.

Thank you again and wish you all the best.

Sincerely,

Katie Farivar

Thank you

Dear organizing committee,

I hope this message finds you well. I am writing to express my gratitude for organizing such a wonderful music festival this year. This was the first time my children (Sylvia and Kyle) participated in the Music of the World festival, and I cannot express enough how impressed I was with the overall organization and the thoughtfulness that went into every aspect of the event.

The festival provided an excellent platform for children to showcase their hard work and talent. It is truly inspiring to see an event dedicated to nurturing young musicians and celebrating their passion for music.

I would also like to extend my heartfelt thanks for the beautifully prepared booklet and certificates. These thoughtful touches have meant so much to the children. They see them not only as a token of recognition but also as a source of motivation to continue pursuing their love for music.

Thank you once again for your dedication and for creating such a memorable experience. Please extend my appreciation to everyone involved in making this festival a success.

Warm regards,

Winnie LoBaker

Если в жюри конкурса сидят женщины, то такая фамилия исполнителя, это уже прямая заявка на победу!!!

Ну, а, если он ещё и прилично играет, шансов у соперников вообще нет!!! 🎵 🎶

Dear Eli,

Thank you very much for taking time to reply to my email, we really appreciated it.

Eloi carefully read your email, all remarks are well noted. He is very grateful for your advice and will certainly work harder to make his music even better.

We have received the diploma and booklet from you, and hope to participate again in 'Music of the World' next year.

Best regards,

Vivian
