

Picture a President Project

Dear Parents,

In celebration of President's Day we will be learning about the presidents of the United States.

We would like for them to go a little research and find the following information:

1. Year born
2. Time in office
3. Interesting fact
4. Tell us about their family (how many children, pets, etc)
5. Create a portrait of their president, on the paper provided. You can use any type of media (pencil, chalk, crayon....). A scrap sheet of paper and a final drawing sheet will be provided. This idea was pulled from a contest the Scholastic website had.

We selected presidents in class, your child has selected
