

: ONE FOR THE LADIES From Oz

It was a female
doctor notifying her that her husband had just been in a
terrible car accident and was in the ICU in a critical condition.

The woman told the doctor to inform her husband where she was and that
she'd be there as soon as possible. As she hung up she realized she was
leaving what was shaping up to be her best day ever in the boutiques. She
decided to get in a couple of more shops before heading to the hospital.

She ended up shopping the rest of the morning, finishing her trip
with a cup of coffee and a beautiful chocolate cake slice, compliments of the
last shop. She was jubilant.

Then she remembered her husband. Feeling guilty, she
dashed to the hospital.

She saw the doctor in the corridor and asked
about her husband's condition. The lady doctor glared
at her and shouted,

'You went ahead and
finished your shopping trip didn't you! I hope
you're proud of yourself!

While you were out for the past four hours enjoying
yourself in town, your
husband has been languishing in the Intensive Care Unit!
It's just as well you
went ahead and finished, because it will more than likely
be the last shopping
trip you ever take! For the rest of his life he will
require
round-the-clock care. And YOU will now be his
carer!

The woman was feeling so guilty she broke down and sobbed.

The
lady doctor then chuckled and said, 'I'm
just pulling your leg.

He's dead.

Show me what you
bought.'

An Australian father goes into his daughter's bedroom and sees a letter addressed to "Mum and Dad" on the bed . With a heavy heart he opens it and reads:

Dear Mum & Dad

It is with great regret and sorrow that I'm telling you that I've eloped with my new boyfriend . I've found real love and he is so nice . Especially with all his piercings, scars, tattoos and his big motorcycle .

But it's not only that, I'm pregnant, and Ahmed said that we will be very happy in his caravan in the bush . He wants to have many more children with me and that's one of my dreams too .

I've learned that marijuana does not hurt anyone and we'll be growing it for us and Ahmed's friends .. They're the ones providing us with all the cocaine and ecstasy we could ever want ..

In the meantime we'll pray for science to find a cure for AIDS, so Ahmed can get better .. He deserves it .

Don't worry about money . Ahmed has arranged for me to be in films that his friends

Leroy and Jamal make in their basement .
Apparently I can earn \$200 per scene . I get a
\$200 bonus if there are more than three men in
the scene and an extra \$100 for the kangaroo .

Don't worry Mum . Now I'm 15 I know how
to take care of myself . Someday we'll visit you
and Dad so that you can meet your
grandchildren

.

Your loving daughter,

Sarah

P.S. Dad, it's not true . I'm watching TV at the
neighbours. I just wanted to show you that
there really are worse things in life than
England retaining the Ashes .
