CASTING CALL

Be Part of Delano's Sesquicentennial

Celebration

BRING DELANO'S 150 YEAR HISTORY TO LIFE!

DDC is looking for actors to portray historical characters from Delano's past as part of the Sesquicentennial Jamboree on October 3rd, 10:00am-4:00pm

We will hold one practice prior to the jamboree: Friday, September 25th - time and location tbd.

Actors will be assigned specific historical characters and given background information and key talking points about that person and their time period.

This is an interactive performance, so actors will:

- Stay in character

- Talk with guests
- Share historical information
- improvise conversations and situations

No script memorization is required!

Seeking approximately 11 men and 7 women. Teenagers and adults welcome (with some additional parts for "school children").

Please complete the Sesquicentennial Historical Actor interest form and return to Breeze Johnson with any questions.
