Updating College Admission Decisions in Naviance

As you remember from your own college search it is extremely helpful to have up to date data to help identify reach, realistic and safety schools.

Please update your college admission decisions in Naviance:

- Click on "Colleges I'm Applying To"
- On the far right side there is an "Application" column with an "Edit" option
- Click "Edit"
- You will see an option for "Result"
- Drop down menu with options including Accepted, Denied, Waitlisted, etc.
- Enter result for each of your colleges, including Incomplete or Withdrawn
