

Hamagrael After-School Enrichment Allergy Information

Dear Parents and Guardians,

As we prepare for our upcoming after-school enrichment program, we want to ensure a safe and inclusive environment for all students. If your child has any allergies—food, environmental, or otherwise—please notify us as soon as possible. This information helps us take appropriate precautions and avoid any potential exposure during class activities, snacks, or special events.

Please email hamagraelasep@gmail.com with:

- Your child's name
- Enrichment Class
- Specific allergy details
- Any emergency procedures or medications we should be aware of

If your child carries an EpiPen or other medication, kindly ensure it is labeled and available during class hours.

Thank you for helping us keep every child safe and supported. We appreciate your prompt attention to this matter.
