Dedication and Opening Prayer

In the name of the Father, and the Son, and the Holy Spirit we fervently implore You oh Lord to grant us the necessary graces to effect the mission of St. John Catholic Academy, to prepare and educate students for academic success and to form disciples of Christ for life. Father of all that is good and true and beautiful, we desire that Your kingdom would come and Your will would be done here on earth as it is in Heaven.

“I therefore, the prisoner in the Lord, beg you to *lead a life worthy of the calling to which you have been called*, with all humility and gentleness, with patience, bearing with one another in love, making *every effort to maintain the unity of the Spirit in the bond of peace*. There is one body and one Spirit, just as you were called to the one hope of your calling, on Lord, one faith, one baptism, one God and Father of all, who is above all and through all and in all (Eph.4:1-4).”

Our History

Since 1958, St. John the Evangelist Catholic School has provided an enriching academic and spiritual foundation for hundreds of children. The Sisters of the Order of Resurrection (“Resurrectionists”) opened the doors of the first Catholic School in Bay County in our quiet residential neighborhood, two blocks from historic St. Andrews and the beautiful St. Andrews Bay. The Sisters laid the foundation for a comprehensive educational program that formed students for academic, social, and spiritual success.

Today, St. John Catholic Academy has a growing enrollment and accepts students from 12 months through 9th grade. Our faith and mission based Academy provides a safe, personalized learning environment grounded in the wisdom of a Classical Catholic pedagogy. Renovated in 2020, the St. John campus provides an innovative campus with a science lab, art and music rooms, athletic field as well as other strategic learning and nurturing spaces. Our graduates are successful in high school honors and AP programs, earn college scholarships, and enter the world ready to serve and grounded in their faith. Thanks to the inspiration and dedication of the Sisters, teachers, and school leadership, our school has carried the tradition of excellence for 65 years.

Our Mission Statement

St. John Catholic Academy prepares and educates students for academic success and forms disciples of Christ for life.

Our Philosophy

As a ministry of St. John the Evangelist Catholic Church, St. John Catholic Academy is rooted in the Gospel, educational excellence, and the teachings of the Roman Catholic Church. The Classical Core Curriculum and Philosophy we embrace will allow students to engage in the joyful pursuit of faith, wisdom, and virtue. Christ is the heart and inspiration for every aspect of the

student's education. Catholic Liberal Education (from Latin *libra*, which means free) is ordered to studying what is true, good and beautiful which inspires wonder and awe in the hearts and minds of our students. We believe that good habits of mind and heart, cultivated and nurtured in the very young, serve their wellbeing for a lifetime. We seek to partner with our families to nurture the sacramental and moral imagination in childhood.

Together with our teachers, families, and the community, we integrate the Catholic faith into all aspects of learning. We approach education as an opportunity to encounter Jesus Christ as the central truth of all areas of faith, science, and reason. We believe God has created us to seek Him in a lifelong pursuit of truth and love with the certain hope of eternal life. Regardless of our students' faith background, St. John Catholic Academy desires to encourage them on their journey of faith and provide an authentic experience of Catholic Christianity.

We equip our students to reach their academic potential and prepare them for success in both present and future studies. Our faculty and staff accomplish this by empowering them with skills and factual knowledge that stimulate creative thinking, articulation, and discussion. Through service on and off campus, we nurture a commitment to serving others that reaffirms one's own dignity, endowed with natural and spiritual gifts, and actively respecting the dignity of our neighbor through corporal and spiritual works of mercy.

Accreditation

Accreditation plays a vital role in validating the excellence of our Catholic school. St. John Catholic Academy is accredited through the Florida Catholic Conference, which uses the National Standards and Benchmarks for Effective Catholic Schools as its guiding principles.

Ministerial Clause

St. John Catholic Academy is a ministry of St. John the Evangelist Parish and is part of the Diocese of Pensacola-Tallahassee's system of schools, which is under the direct supervision of the Bishop and his delegates. Catholic schools serve the Diocese by playing an integral role in the religious mission of the Diocese.

Protection of Children and Vulnerable Adults

The Diocese of Pensacola-Tallahassee is committed to healing the hurting hearts of sexual abuse victims and has established Victims Assistance Coordinators who are experienced and trained counselors available to help persons who have been sexually abused. Support can also be found by calling the Florida Department of Children and Families Abuse Hotline at 1-800-96-ABUSE.

School Advisory Council

The purpose of the School Advisory Council (SAC) is to advise the Head of School and the Principal of St. John Catholic Academy in the organization and operation of the School. The SAC

does not exercise any actual authority with respect to the administration of the School but rather acts solely in an advisory capacity. This is to ensure that the interests and concerns of the school families are effectively considered in support of the delivery of a strong Catholic education to St. John Catholic Academy students.

Finance Council

The Finance Council is responsible for the preparation and monitoring of the annual school budget and drafting a long-term financial plan for the school. The members provide expert counsel to support a vibrant and fiscally responsible plan for the Academy. Members are appointed by the Pastor and the Principal.

Admissions

Non-Discrimination Notice

St. John Catholic Academy, a member of the Diocese of Pensacola-Tallahassee, does not discriminate on the basis of race, color, sex, national or ethnic origin in the administration of educational policies, admissions policies, scholarship and loan programs, athletics, or other school-administered programs.

Enrollment Process:

New Students:

1. Application - *This includes prior report cards, IEP documentation if applicable, and any health related documentation that administration should be aware of.*
2. Campus Tour - *Must be scheduled with office staff. Application must be submitted prior to a campus tour.*
3. Student Assessment - *\$50 application fee must be paid prior to scheduling*

Current Students:

Current students and their siblings are *required to complete* their Bio Update/Intent to Return in PowerSchool *at that time. Current students and their siblings who have not satisfied priority registration requirements by the designated deadline, are subject to placement on a waiting list based on classroom enrollment limits.* Students with outstanding balances on their school accounts will be permitted to re-enroll *when their accounts have been reconciled.* Incomplete paperwork will delay the enrollment process.

Students with Special Educational Needs: Teaching as Jesus did, and imitating Him in reaching out to those with special needs, the schools in the Diocese of Pensacola-Tallahassee attempt to respond to the needs of students with learning accommodations while responsibly and transparently recognizing our limitations as a small Catholic school. Students will be

assessed and evaluated to determine if specific learning needs can be effectively addressed.

It is the parents' responsibility to disclose all relevant academic and behavioral needs during the student's application, registration and enrollment process. St. John Catholic Academy cannot offer all of the same services as those financed and provided through the public school system. Therefore, acceptance of students with individualized learning needs is limited to those that can be appropriately met in a regular classroom with reasonable accommodations as agreed upon by student, parent, and teacher with input from school principal, resource teachers, and the school counselor. Support services, at the parent's expense, outside of school may be recommended and/or required to optimize student success.

Required Releases: To fulfill diocesan and parish legal requirements, it is vital that the school have certain release forms signed by the parent(s) of each child. Failure to sign any release can result in privileges or programs not being available for students. The school's required forms include:

- *Registration Card (completed in PowerSchool):* includes Emergency/Health Information and Consent, Statement of Cooperation, Scholarship and Financial Information, Grandparent Information, Finance Information, Photo image release, emergency contacts, persons authorized to pick up a student from school, administration of emergency medical treatment and permission to call 9-1-1 and list of allergies.

- *Handbook Acknowledgment:* This form must be signed and returned to the school office
- *Technology Use Agreement:* This document must be completed and signed by both student and parent before use of school computers or iPads are allowed, or access to the Internet is granted.

The following releases are required by the diocese:

- *Image Release*
- *Exposure to Offensive Content*
- *COVID Waiver*

Probationary Period: All new students enter into an initial probationary period of 90 days during which time the student teachers, administration and parents will collaborate regarding successful integration into our learning community. During the probationary period, if there is evidence of behavioral issues or academic struggles, parents will be asked to attend a parent conference to discuss possible support for effective integration. During the probationary period, if the school determines that the student is unable to perform adequately and is not thriving in the current environment, the parent may be asked to find another educational setting for their child as the school reserves the right to recognize those students whose needs are not being met within our existing educational program and to require the withdraw those students.

Transfer or Withdrawal from the School: When a student withdraws or transfers to another school, it is the responsibility of the parent to complete a St. John Catholic Academy withdrawal/transfer form. All books and materials that belong to the school must be returned and all outstanding balances and school accounts must be paid in full. Schools in the Diocese of Pensacola-Tallahassee do not release official student records to parents, unless the parent has

registered with the public school district to homeschool the student and provides such documentation to the school office. However, upon request from another school, records will be transferred directly. Transcripts will be released when all school accounts are paid in full.

As per Diocesan Office for Catholic Schools policy #305, the pastor and superintendent are to be consulted in cases of doubt or unusual circumstances about registering a student. The pastor and superintendent are to be consulted or informed when a student is dismissed. Administration of a school being asked to enroll a transfer student from another Catholic school within the diocese will consult the principal of the other school prior to accepting the student on mid-year transfers. The decision of acceptance at the receiving school is up to administration, subject to review by the superintendent.

Cooperation as a Condition of Enrollment: The education of a student is a partnership between the parents or guardians and the school administration, teachers, and support staff. Just as the parent has a right to withdraw a child if desired, the school principal reserves the right to require the withdrawal of a student if administration determines that the partnership is irretrievably broken. Parents are expected to support the philosophy and policies of the school and a Catholic education. The administration remains committed to healthy conflict resolution through Christian dialogue. Perceived threatening or hostile behavior of parents is never appropriate and will not be tolerated. If all good faith efforts to establish a mutually respectful partnership have been exhausted and unsuccessful, the school reserves the right to require the withdrawal of the student.

Age Requirements: Enrollment in certain primary grades is dependent on the student meeting certain statewide age requirements:

- Voluntary Pre-Kindergarten (VPK) students must be four years old by September 1
- Kindergarten must be five years old by September 1
- 1st Grade must be six years old by September 1, have successfully completed Kindergarten, and meet the reading readiness requirements of the school

Class Promotion Period: Eligible students are moved up to the next class/grade each August. St. John Catholic Academy grades Kindergarten through 9th grade operates on a ten-month educational cycle with a two-month summer program. St. John Catholic Academy Preschool operates on a 12 month program. Both school aged and preschool students must register annually by the stated deadlines and pay all applicable fees in order to reserve space in the appropriate class the following school cycle.

TUITION POLICY

Registration Fee: The registration fee is \$150 per child, due at the time of registration, and is non-refundable. A student's registration packet is not considered complete and enrollment is not guaranteed until the registration fee has been submitted to the school. Failure to submit fees by the required deadlines will result in students being placed on a waiting list.

Book Fee: The book fee is \$300 per child, due in May before the start of the next school year and is non-refundable. All student books and workbooks are purchased during the summer before the start of the school year begins. Therefore, the Book Fee must be paid in May to

support the purchase of the books and workbooks.

Diocesan Guidance on Tuition Rates: As per Diocesan Office for Catholic School Policy #103, tuition rates in diocesan schools are recommended to the pastor/bishop by the local School Advisory Councils. In recommending the tuition rates, the Academy administration is guided by Christian principles of charity and justice.

Tuition rates and fees are based upon the actual cost of operating the schools. At any time during the school year, if a family is delinquent in tuition payments by more than one month, the student may not attend school until payments are made current, this includes taking semester exams unless a remediation plan has been agreed upon with administration. All tuition payments must be satisfied in order for a student to sit for their final exams. The family is responsible for all tuition and fees incurred by the student up to the date of withdrawal. Tuition is incurred by the quarter if a student attends any one day in the quarter.

Tuition: Tuition rates encompass a significant portion of the cost of educating the child. However, tuition alone cannot cover all expenses. Therefore, parents should expect to reasonably contribute to fundraising efforts and volunteering. Tuition for the 2024-2025 school year is as follows:

2024-2025 Tuition and Fees Rate Sheet:

Tuition Assistance

House Bill 1/Financial Aid: As of July 2023, **every** student in the State of Florida is eligible for a Step Up for Students Scholarship regardless of family income. Therefore all families are **required to apply** for these educational funds *before* applying for financial aid. We are grateful and fortunate to live in a State where school choice is a reality for every family. Scholarship amounts vary slightly from year to year and parents will be responsible for the gap between tuition and fees and scholarship amount. Since all students have access to a SUFS Scholarship, all special pricing has been eliminated (i.e., Sibling or Tuition Assistance Grants). Any requests for grants or assistance may only be submitted after completing the application of Step Up for Students Scholarships and the State funds are awarded. To ensure equal consideration is given to all requests, the Diocese is requiring each family, requesting assistance, to complete the FACTS Grant and Aide application. FACTS will complete an independent analysis to determine the amount of assistance recommended for each family.

Scan the barcode for more information regarding Step up for Students Scholarships:

Quick facts regarding the Step Up for Students Scholarship:

1) Available to Florida residents, regardless of household income, who are eligible to attend a K-12 public school.*

*Priority will be given to families whose household income is 400% of poverty or below as outlined in the income priority guidelines.

Pursuant to section 1002.421(1)(p)6 of the Florida Statutes, if a transfer of private school ownership occurs, our school will notify parents of each state scholarship recipient of the transfer via email at least 30 days in advance.

Catholic Parish Participation Grant

To contribute financial assistance in the operation of schools, local Catholic parishes provide a grant of \$800 per child to those parishioners who are registered and participating in that parish. This is a need based Grant. Participation in the parish includes living up to your Catholic responsibilities, your stewardship (giving of your time, talent and treasure), and the support of your parish through reportable income.

Review your commitment to, and participation in, your parish. If you feel as though your family will qualify, complete and submit the Catholic Parish Participation Grant Application to your parish office. Again, to ensure equal consideration is given to all requests, the Diocese is requiring each family, requesting a Parish Participant Grant, to complete the FACTS Grant and Aide application. FACTS will complete an independent analysis to determine the amount of assistance recommended for each family. If assistance is recommended, your grant will be signed by the pastor and your FACTS account will be adjusted accordingly. If your grant is not awarded, you are responsible for the full tuition rate.

Raise Right - Participating families may apply 60% of funds raised to any remaining tuition after Step Up Scholarship has been applied.

Payment Options (and FACTS): To assist families, a variety of payment arrangements can be made to pay tuition.

St. John Catholic Academy currently uses FACTS Tuition Management System for the collection of tuition payments. As a parent, you may choose a variety of payment methods and payment dates. The first and most important step is that you must create an account with FACTS by going online to: <https://online.factsmgt.com/signin/3T1Z8>. Once you have signed up, you will receive a confirmation from FACTS of the plan you have selected. Please be mindful that FACTS also manages all deposit accounts and extra fees. If you intend on utilizing our Extended Day Program, you will be invoiced through your registered FACTS account. Creating a FACTS account is not optional, it is a requirement for your child to be considered fully enrolled at St. John Catholic Academy. All active FACTS accounts (and payment plans/payment options) will roll over to the new school year upon registration.

Financial Commitment: Each family has a financial agreement to ensure payment in full during the listed school year for their children enrolled at St. John Catholic Academy. With enrollment of their child, parents further agree to abide by the rules and policies set forth by the Parent-Student Handbook and do waive the right to the receipt of final exams, report card(s) and/or the forwarding of transcripts in the event of a tuition or fee delinquency. If a school aged student attends any one day in a particular quarter, tuition is due for that entire quarter. If a student is attending on scholarship and the scholarship does not pay the full amount of tuition owed for the quarter attended (some scholarships are paid based upon attendance), the family is responsible for paying the balance of tuition owed. If a student enrolls at any time during a quarter or withdraws from school once classes have begun, tuition up to and including the entire quarter in which the student enrolls/withdraws is non-refundable. If the quarter has not yet been paid for, that full quarterly amount is due in full. All payments for the 2024-2025 school year must be completed in order for a student's final exam grades to be counted. Parents/guardians are responsible for all tuition and fees incurred by their child up to the date of withdrawal.

Refund Policy: As per Diocesan Policy #104, the school does not refund any fees (application,

registration, book, supply, and graduation fees, etc.). A child's attendance may be terminated if tuition is two months behind in payment, unless a payment plan has been approved by administration. If a student withdraws from St. John Catholic Academy once school has begun, tuition up to and including the quarter in which the student withdraws is non-refundable. In summary, families are responsible to pay the tuition through the end of the current quarter for registered students (current month for preschool students) plus any unpaid fees.

Delinquent Payments/Monies Owed: Report cards and interim reports will be held for any outstanding debts to the school. All debts must be cleared in order for students to participate in graduation, both Pre-Kindergarten and 8th grade. At any time during the school year, if a family is delinquent in tuition payments by more than one month, the student may not attend school until payments are current. Non-payment can result in being referred to debt collection.

Fundraisers

As a community we join together in fundraising efforts in order to meet the operational needs of the Academy. All faculty, staff and enrolled families are expected to joyfully contribute their time, talent and treasure, as they are reasonably able, throughout the year. Families should plan ahead to support fundraising efforts such as Raise Right, Fall Walkathon, Spring Sip n Support, which are our three yearly opportunities for FundRaising. If we all contribute either our time (volunteering), talent and/or treasure, we are confident that we will continue to grow in fiscal stability through God's grace.

Faith Formation

Ministry

Prayer and Liturgy: A Catholic school is an environment which models and teaches *prayer as a way of life* as we continue to develop a personal relationship with God. We want each student to encounter God in a meaningful way that results in forming the foundation of a lifelong relationship with Jesus. At St. John Catholic Academy, students begin each day with Morning Prayer and a reflection on the Virtue of the Week. They attend Mass weekly and on Holy Days of Obligation. Parents are welcome and highly encouraged to attend. Students participate in XLT (worship, message, and adoration) on the first Friday of every month. Other services include Retreats (Advent, Ash Wednesday and Holy Thursday), Stations of the Cross during Lent, and May Crowning. The liturgical year is recognized and followed as a pathway into deeper communion with one another and the Lord.

Reconciliation: Students have the opportunity to receive the sacrament of Reconciliation at least twice a year; during the seasons of Advent and Lent. Non-Catholic students, though not participating fully in the sacrament of reconciliation, are welcome to use these Penance Services as times to speak with the priests provided to renew their commitment to God.

Sacramental Preparation: The responsibility of formal sacramental preparation is in the purview of the family's home parish. Please refer questions regarding sacrament preparation to your home parish religious education coordinator.

Attendance in Religious Activities: As per diocesan Office for Catholic Schools policy #304, all students attending catholic schools in the Diocese of Pensacola-Tallahassee are required to attend religion classes and religious activities scheduled by the school (including school mass). We welcome and respect our families from other Christian faith traditions while honoring our identity as a Catholic school. We believe what unites us in Christ is far greater than any difference in theology. Any concerns regarding religious activities should be discussed at the initial enrollment meeting with administration prior to students' first day of attendance.

Parental Involvement: The Church teaches that parents are the primary educators and evangelists of their children. They bear witness to this responsibility first by creating a home where prayerfulness, mercy, respect, fidelity, and service are the rule. They should initiate their children at an early age into the mysteries of the Faith. This happens when family members help one another grow in faith by the example and witness of a Christian life.

Participation in Weekend Liturgies: A student's religious formation begins at home and follows the example set by his/her parents. Families are encouraged to participate fully in the liturgy each weekend in order to follow the commandment to keep holy the Lord's day. All St. John Catholic Academy families are welcome to attend St. John the Evangelist Catholic Church as a treasured friend.

Academic Policies

St. John Catholic Academy is a member of the following:

- Institute for Catholic Liberal Education
- Classical Latin Association
- National Catholic Education Association
- Florida Catholic Conference - fully accredited by and
- National Council for Private School Accreditation:meets the policies, principles, and standards
-

Curriculum:

The Academy utilizes the **Memoria Press Classical Core Curriculum** in all grades from K-9. Parents are invited to review the full curriculum by grade at <https://www.memoriapress.com/about/classical-education>. Latin is included as a core course in grades 2 - 9.

Disciple of Christ | Education in Virtue curriculum looks to Jesus as the perfectly virtuous man. Our resources complete formation by orienting students to Him as the model and source of their holiness and wholeness. The virtues are what it "looks like" and "sounds like" to be a disciple of Christ.

All K-8 science classes utilize **FOSS® Next Generation™ for Florida - Full Option Science System**. Students experience phenomena firsthand through active scientific investigation.

In Grades 6 - 9 both FOSS and **POGIL** curricula are combined to provide a robust science program that prepares students for success in high school science and lab courses. POGIL is an

acronym for Process Oriented Guided Inquiry Learning. It is a student-centered, group-learning instructional strategy and philosophy developed through research on how students learn best. Parents may learn more at pogil.org.

Academic Integrity: All students are expected to demonstrate honesty in their academic pursuits and submit work that is entirely their own. Practices considered dishonest and, therefore, not permitted, include, but are not limited to, cheating or plagiarism. Plagiarism is when one presents work without correctly citing the source. Any student failing to properly credit ideas or materials taken from another has plagiarized. When it is determined that a student has violated these academic standards, the student will lose some or all credit for the assignment. Additional disciplinary consequences up to and including suspension or even expulsion may also occur at the discretion of the administration.

Academic Support: St. John Catholic Academy classroom teachers are the main source of support for students experiencing difficulty mastering the identified benchmarks of the Diocese of Pensacola-Tallahassee curriculum. Support may also be provided to eligible students through Title I services. The eligibility requirements for these services are determined by Bay District Schools first based on a student's home address and followed with a review of standardized testing scores, grades and classroom performance. As a private school, St. John constructs Student Learning Plans in accordance with Diocesan policy rather than a 504 in the public school setting. Public School Individual Educational Plans (IEP) will be reviewed by our guidance counselor and/or resource teacher, the parent, classroom teacher, and administrator to identify and construct an appropriate Student Learning Plan (SLP) that provides available, necessary and reasonable accommodations. The multi-tiered system of support process (MTSS) may be initiated through Bay District Schools for students demonstrating additional needs. Occasionally teachers may offer outside tutoring services upon request. Please contact the school office for information.

Grading Scale:

Kindergarten Grading Scale

Kindergarten grades will be recorded into PowerSchool and must be assigned a number grade in order to get a letter classification. Parents should not focus on the number, but only the letter equivalent. Not Yet (NY) does not necessarily indicate a failing grade, it just may be that the teacher has not yet covered that material. The first report card will come with complete explanations.

The Kindergarten scale is as follows:

Mastery (M) 89.5 to 100

4 Unsatisfactory

Grades and Grading: Report cards are issued following the close of each quarter of the academic year. Students failing to complete course assignments, including class work, homework, projects, quizzes, and exams may receive grades of zero for that coursework. Final grades will likewise reflect their performance.

Midterms and Finals (Middle School Only): Midterm and Final exams will be within the last 7 school days of each semester. They are expected to be taken when they are scheduled. These exams will be given in their core classes. They account for 10% of their semester grade.

Homework: A student's education does not end with the school day. Homework assignments and studying are an integral and inseparable part of students' daily lessons. In all grades, students should expect an appropriate amount of homework each night suitable to the school's academic standards. Students need to complete all assignments before the school day begins.

Make-up Work: Following an approved absence or tardy, students are responsible for missed lessons and for completing assignments connected to those lessons within a period of time equal to the time missed. Under unusual circumstances, extensions may be granted at the teacher's discretion.

Middle school students are responsible for asking for makeup work from their teachers. Parents of elementary students can request makeup work by emailing the teacher. Makeup work will not be gathered the same day.

Following an unapproved absence or tardy, a teacher may not accept missed assignments and may award a grade of zero for missed assignments.

Report Cards: Report cards will be sent home each quarter. Parents are expected to review grades on a regular basis and contact the teacher with any questions or concerns as they arise. Email office@sjseagles.org if you need to have your PowerSchool log-in reset. The partnership between our families and the classroom teachers is dependent upon a mutual commitment to reviewing academic progress regularly and developing supportive, early interventions when challenges arise.

Achievement Testing: Catholic schools in the State of Florida currently administer the Terra Nova Standardized Test. Terra Nova provides diagnostic information which can help identify students' learning needs so that educators can better facilitate students' learning. The tests are administered to students in 1st through 8th grades in the spring. The ARK test for Religion is given in 2nd through 8th grades. STAR Assessment is administered quarterly to monitor progress. STAR Early is given in Kindergarten through 2nd grade. Beacon assessment is given to 3rd through 8th graders. In addition, Beacon testing, or other testing, may be administered to assess, identify, and address any academic deficiencies.

Honors/High School Preparatory Classes: In middle school, students may qualify in regular high school preparatory classes or advanced classes. This placement is based upon a review of student Terra Nova Scores, Beacon Reading and Math scores, and Diocesan Matrix Score as well as past performance in core academic areas. Administration reviews each student file. The honors courses are taught as advanced classes, and the assignments and assessments will reflect this.

Honor Roll: Students in 4th through 9th grades can be named to one of two honor rolls according to their achievement during each grading period. The Honor Roll recognizes students earning all A's and the A and B Honor Roll recognizes students earning A's and B's in all subjects. Academic performance and conduct in all subjects are considered; a student with 2 or more N's or any U conduct grades will be disqualified from Honor Roll consideration. Disciplinary action, like suspension, detentions and office referrals, may keep a student off the Honor Roll as well.

Credit during Suspensions: Students who receive an in-school suspension will be required to complete all work assigned during school hours on the day assigned. Teachers may also assign additional class work, homework, or behavior modification assignments to suspended students. Out of school suspensions result in a grade of zero for all missed work. This includes tests, quizzes and assignments due on the date of the suspension. Administration will consider these unfortunate circumstances on a case by case basis and reserves the right to modify this policy in order to be just and fair.

Course Failure:

In order to pass a class, a passing final grade of 60% or better must be achieved. As per Diocesan Office for Catholic Schools Policy #302, courses in middle school will be given two separate semester grades that will be averaged into a final grade. The semester grade for each subject will be based on two quarter averages and the semester exam. The weighting of each semester grade will be that each quarter will account for 40% of the grade and the semester exams will account for 20% of the grade. The averages will be calculated numerically and will reflect the actual percentage of the grade.

Academic Probation/Contracts: Students with two or more final grades below 70% at the end of the school year may be put on an academic contract or be retained based upon input from the teachers and administrators. Academic contracts will involve a parent meeting. School staff will make a minimum of three attempts to contact parents prior to the academic contract being implemented. If communication is not reciprocated by the parent, administration reserves the right to make final decisions within the contract, serving the best interest of the student. Academic contracts will be reviewed on a quarterly basis. Failure to meet the terms of the

academic contract may result in withdrawal from St. John Catholic Academy.

Field Trips:

Field trips are privileges and opportunities for students to supplement their knowledge and are an extension of their classroom studies. All field trips must be approved by the school principal. For students to participate, parents or guardians must complete and sign their student's Permission Form before the date of the field trip. *Verbal permission alone is not acceptable.*

Many field trips have a fee associated, based on the location and type of field trip. If finances prohibit your child from participating on a field trip, please contact your child's teacher so opportunities for scholarship funding can be discussed.

Faculty and school staff are never permitted to drive students in their personal vehicles, as per Diocesan policy. A parent is always welcome to transport their own child on field trips, but is not authorized to transport other children unless all Diocesan volunteer and transportation requirements have been met. Please find details on the Academy website.

For trips other than interschool athletics, for which there is generally a 1:10 ratio, supervision of one adult per ten middle school students is required. This ratio changes to one adult for every eight intermediate students and one adult for every six primary students, but no fewer than two chaperones on every field trip. Chaperones and/or parent attendees on field trips must first go through the approved volunteer process. Once an approved volunteer, the approval status is in place for five years. See the school [website](#) for more information.

Retention Policy:

Early intervention and partnership with families is the most effective method of avoiding retention. Should a student demonstrate the possible need for retention, a conference will be arranged between the parent or guardian and the faculty members who work with the student to share those concerns and develop an academic contract with the intention of remediating those concerns.

Students in primary and intermediate grades must satisfactorily pass Reading, English, and Math courses. Students in middle school grades must satisfactorily pass all six academic subjects: English, Literature, Mathematics, Science, History, and Religion. Opting out of theology is not an option.

The administration reserves the right to evaluate the effectiveness of any academic contract/remediation and will make the final decision regarding retention. It is our sincere hope that a strong parent partnership will ensure consensus regarding that decision.

Student Activities

Participation: Students who wish to participate in athletics, clubs, school organizations, social functions, or other extra-curricular activities should remember that their involvement is a privilege, not a right. If a student checks out sick, he/she is not allowed to participate in activities after school.

Intramural Sports : St. John Catholic Academy offers a variety of intramural sports for students

in various grades. Information is sent out via email regarding our intramural sports programs. Intramural Sports require volunteer parent coaches/referees in order to occur. Information will be sent out during the school year and sign ups for intramurals will be limited to the teams/grades who have cleared volunteer coaches. Release of Liability waiver must be signed in order for your student to participate prior to attending any practice.

National Junior Honor Society: Honor Society is one of the highest honors that can be awarded to a middle school student. To be eligible for membership consideration, students must be in 6th, 7th, 8th, or 9th grade and have a minimum grade average as determined by the Society's Faculty Council. However, no student is inducted simply because of a high academic average. Additionally, potential members must meet high standards of leadership, service, citizenship, and character. Students are then selected by a school faculty council. Students may be removed from NJHS for failure to meet appropriate standards in grades and conduct.

Yearbook: St. John Catholic Academy produces a yearbook annually to showcase the spiritual and social events, school culture, and student achievements of the year. Students in 6th through 9th grade interested in contributing to the school yearbook will work with the teacher/yearbook coordinator to create a meaningful annual. Student contributors will be expected to demonstrate respectful and virtuous behavior.

Communication

FERPA/Privacy & Confidentiality: All faculty and staff members will keep confidential information entrusted to them as long as no one's life, health, or safety is at stake. Parents will be promptly notified of any such concerns. As per Diocesan Office for Catholic Schools policy #307, it is the policy of the Diocese of Pensacola-Tallahassee not to disclose information about any of our students consistent with the Family Educational Rights and Privacy Act (FERPA). This is done not only to protect privacy but to provide a safe and secure environment in which the students may learn and grow.

Social Media: The school uses Facebook and Instagram as a method to engage the community as well as post announcements about the school. No social media usage in the school name may be used without written permission from the school principal. Parents are encouraged to like and follow our school Facebook page. Only the school is permitted to create a Facebook Page which uses the school name or logo. Anyone posting negative or defamatory comments or depictions regarding the parish, school, faculty, students or parents of St. John Catholic Academy on any social media site would be in breach of our mutual commitment to gospel based dialogue and partnership.

Parent Communication: School staff are prohibited to have school social media communication (such as Facebook, Twitter, Instagram and Snapchat, etc.) with currently enrolled students. School staff will share school-related information with students and families via Google Suitemail. Grades are available on PowerSchool.

Parents are encouraged to communicate directly with their student's teacher via email. Teachers will respond to parent inquiries in 24-48 business hours (most often within 24). Out of respect for our teacher's work/life balance, they will respond to emails during contracted hours only (7:30 am - 3:30 pm). Teachers are engaged with students while in the classroom therefore any emergent need for contact should be communicated through the school office and they will relay a message.

Updated Information: The easiest way to ensure clear communication to and from the school is to have up-to-date contact information on file in the school Front Office. If a student's information changes, it is the parents' responsibility to notify the school immediately so that records reflect the new information. A copy of the same should also be provided to the homeroom teacher and Extended Day program, if applicable.

Parent/Teacher Conferences: All parents will be invited for their first conference before the end of the first quarter. Parents who wish to discuss their children's progress at any time should arrange for an appointment with the teacher outside of class time. Teachers can also be reached via email if there is a concern.

Personal Data: Names and addresses of pupils and their parents will not be released to any unauthorized person or agency, or published in any way, without notification of the parents and the approval of the school principal.

Grievance Procedures

As a faith based school we follow Jesus' directive in the Gospel of Matthew 18:15 as well as the chain of command. If a parent has a concern/grievance, they will communicate first with the classroom teacher. If full resolution is not achieved, the administrative team may be contacted. In the unlikely event that this conference is not found sufficient, the Head of School (Pastor) will be the next included partner. Finally, the Office of Catholic Schools and Superintendent of the Diocese of Pensacola-Tallahassee may be contacted as a final step in pursuing resolution.

Telephone/Email: School telephones are intended only for business use. Students will be permitted to make a call to anyone listed as a contact on their registration card in an emergency situation or in the case of illness through the school office. Parents should plan the school day in advance with students regarding pickup, athletics, etc. to avoid the need for phone calls or emails. Parents should not plan on contacting their student via text or email during the school day, as they are not permitted to have their phones on them while on campus.

Announcements and Messages

School staff will share announcements and any additional school-related information with students and families via email, text messaging, and Good Suite.

Emergency Closures

Notification regarding school closures or delayed start time will be made via text/email/social media when possible. Please make sure your email and phone number are accurate in PowerSchool and your child's registration card(s).

Code of Conduct - Standards of Behavior

Disciple of Christ ~Education in Virtue[®]

St. John Catholic Academy integrates the *life of virtue* as our foundation for human and spiritual formation. As students learn the language of the virtues (patience, generosity, kindness, etc.), they are able to live them out in their daily lives. In living and learning the virtues, students develop the characteristics and coping mechanisms of a healthy and integrated life. Students are empowered to act virtuously in daily situations both at home and at school. The virtuous life is a happy life because it is free from the disorder of conflicting emotions and desires. Virtue is defined as the 'habit of doing good'. The disciple is able to live in friendship with Christ who is the model and fulfillment of our hope. With practice and prayer, the disciple grows into the *habitus* of virtue. A *habitus* is a dynamic and operative, meaning that the virtue has become second nature, so firmly rooted in us, we can act easily in the good.

The Catholic Church teaches that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society.

With Christ as the focus, it is important that students understand that acceptable standards of behavior will be expected at all times. This school-wide plan is to equip all students with academic, behavioral, and social skills. In addition, each classroom teacher has established Classroom Expectations. It is with a goal of growth from external to internal discipline that the following expectations are given for student behavior:

- Students are expected to exhibit virtuous behavior, speech, demonstrate courtesy, and respect for teachers, staff, parents, assistants and fellow students
- Students will demonstrate respect and care for all school property
- Students will follow lunchtime policies and procedures, demonstrating courtesy and table manners.
- It is the responsibility of the students to leave any area neat and clean in consideration of those who follow
- St. John Catholic Academy students respect the personal space of all human beings
- Students are expected to follow specific classroom guidelines as noted by the classroom teacher
- Academic honesty is demonstrated at all times.
- All students/parents cooperate with arrival and dismissal periods
- Students understand that they represent St. John Catholic Academy while on field trips or attending assemblies
- Students at St. John Catholic Academy demonstrate hospitality and loving welcome by standing and greeting guests when they walk their classroom.

Behavioral Expectations: In addition to the list above, students demonstrate respect to adults (teachers, staff, parents, guests, etc.) by addressing them appropriately in manner and tone, (i.e. yes ma'am/sir, no ma'am/sir, Mrs./Miss, Mr.). Manners are expected to be utilized at all times while on school property and while in school uniform. The use of please and thank you are expected to be used regularly.

All students have a right to a learning environment that encourages academic excellence and is free from disruption. Therefore, every student is expected to have good attendance and be punctual for every class.

Discipline: As per Diocesan Office for Catholic Schools Policy #301, since discipline is the regulation of one's conduct in accord with Christian principles, it is a primary concern that teachers and students work together to maintain a suitable climate for learning. Mutual respect and consideration of the needs of each individual person foster this climate. As a general rule, teachers manage their own disciplinary issues. The Dean of Students and School Principal will be made aware of any significant disciplinary action and involved in cases other than routine classroom management.

Administration is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at his or her discretion. The school reserves the right to discipline students for conduct, whether inside or outside of school, that is detrimental to the reputation of the school.

Dress Code Infractions:

1st Offense - Verbal reinforcement of the dress code expectation

2nd Offense - Written notice sent home

3rd Offense - Parent will be contacted to return to campus to correct dress code issue

4th Offense - Parent conference

**Dress code violations will reset every thirty days.*

Minor Infractions Progression:

1st Offense - Classroom behavior policy

2nd Offense - Classroom behavior policy

3rd Offense - Classroom behavior policy. A student will be provided a "Think Sheet" to process a resolution through the virtues. Parents will review the Think Sheet and sign for return to the teacher. NOTE: Think Sheets are also utilized for ordinary social emotional learning on our campus. *Parents will be contacted via phone call or email.*

4th Offense: If the behavior persists after a Think Sheet, a parent conference will be scheduled.

Major Infractions Progression:

- Lunch Detention (Multi-Day)
- Parent Conference
- Potential withdrawal from school (the superintendent and pastor will be consulted prior to an expulsion)

**Most major infractions will include a probationary period that will support full reconciliation and reintegration into the classroom.*

Corporal Punishment: Corporal punishment is never permitted in schools in the Diocese of Pensacola-Tallahassee as per policy #301.

Assemblies & Other Programs: From time to time, the school may invite speakers to present programs. Students are reminded to treat all visitors with respect and to show appreciation for their time.

Lunch Time Behavior

Staff members and/or teachers are responsible for the supervision of the students during lunch and recess. Students are to show them the same respect that they have for their classroom teachers and each other. The attitude and actions of the students while in the classroom and on the playground should reflect the quality Christian education that they receive both at school and at home. Courtesy and concern for others is to be the rule, not the exception.

It is vital that the students have a safe lunch/recess period, so the following rules have been established to ensure the safety of the students:

- Reasonable talking is permitted.
- Proper table manners are required and must be maintained.
- Food is not to be shared for hygiene purposes and to prevent allergic reactions.
- All students are responsible to clean up after themselves.
- Absolutely no abusive behavior (fighting, kicking, pushing, etc.) will be tolerated.

There are many options open to students in settling arguments, but fighting is not one of them. Students may be suspended for fighting in class or on the playground. No distinction is made as to "real" or "play" fighting.

- Physical or verbal bullying will not be tolerated.
- Students may not leave the playground without permission or supervision. ● Students who are injured while playing should report to one of the staff members. Students will be taken to

the office for treatment if necessary. As usual, parents will be notified of any injury that may need further attention.

- In general, it is expected that the behavior and language of each child reflects the Catholic teachings and values that parents and teachers try to instill in all of the St. John Catholic Academy children.

Candy, Gum, Drinks, and Food: Students may not bring or consume gum, sodas, or coffee drinks to school. Healthy choices are encouraged for snacks.

Class Cutting/Truancy: Failure to attend a scheduled class or program could result in disciplinary action and or suspension.

Conduct Outside of School: St. John Catholic Academy students must behave in a manner consistent with the beliefs, values, and code of conduct of the school both on and off school property. Behavior includes but is not limited to electronic communication. Any conduct deemed by the principal and/or pastor to be inappropriate or disrespectful to the integrity of St. John Catholic Academy or any of its students, may be subject to school disciplinary action.

Damage/Destruction of School Property: Students who vandalize, destroy, or otherwise damage school property (textbooks, desks, technology, etc.) will be required to pay full restitution and will be issued disciplinary action or suspension. No permanent markers are allowed to be used by students. Students are asked to use water based markers and highlighters for projects in class.

Forging/Altering Documents: Any student who forges, alters, or otherwise defrauds a document intended for parental or teacher signature may be issued a detention or suspension. A parent conference will also be arranged.

Inappropriate Language: Profanity, obscene language, or indecent gestures whether directed at students, teachers, or staff are never permitted. Abusive language or behavior will also not be tolerated. Violation of this rule will result in disciplinary action or suspensions.

Items Prohibited to Possess: Students are prohibited from possessing or carrying the following items at any time on campus during St. John Academy events. If found, the following item(s) are subject to immediate confiscation and the student will face disciplinary action that may include suspension or expulsion:

- Vaping devices, lighters or matches
- Weapons of any kind
- Pornography or other sexually explicit materials, (including viewing such material on school computers or other equipment.)
- Alcohol, tobacco, or other illegal substances

Items Prohibited to Use: The use of the following items is prohibited during classes, lunch, or during school hours without teacher permission for a specific purpose. These items are subject to confiscation if seen being used or displayed:

- Cell phones
- Electronic equipment (music, games, toys)
- Smart watches and trackers that can text or email
- Any other items which are distracting or disturbing in a class.
- Parents are discouraged from sending anything of value that could be lost, broken, etc.

Cell phones and other non-school issued electronic devices (at school) must be turned off and kept out of sight in the back pack. No calls or texting allowed. No student electronic devices may be used to take pictures. No harassment or threatening of individuals via device is permitted. Parents should plan the school day in advance with students regarding pickup, athletics, etc. Parents may not text or email students directly during the school day; parents should communicate with the school office if needed.

Those who violate any of the rules listed above will face serious consequences including device confiscation, suspension, and/or expulsion.

St. John Catholic Academy is not responsible for any lost or damaged personal belongings brought to school by a student.

Displays of Affection: Romantic hugging, kissing, cuddling, holding hands, or inappropriate touching is never permitted. Students who engage in such behavior may be issued a disciplinary action or suspension.

Searches: The school reserves the right to conduct searches of lockers, backpacks or any other personal belongings, etc.

Tobacco: St. John Catholic Academy is a nicotine free campus. Nicotine products (including tobacco products and electronic cigarettes) are not permitted within 1000 feet of the campus.

Substance Abuse: The use or possession of illegal drugs, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or non-prescription drugs by any student on school property or while attending or participating in any school-sponsored activity is forbidden. This will result in disciplinary action which may include expulsion.

The Diocese of Pensacola-Tallahassee is committed to a drug and alcohol-free environment. To accomplish this goal, schools have the right to implement a number of measures including searches of lockers and possessions. Failure to comply with these procedures may result in expulsion.

It is the policy of the Diocese and part of the pastoral mission of St. John Catholic Academy to assist students suffering from substance abuse. To accomplish this, the school may take a number of measures, including conferences with parents, drug testing, assessment by a certified drug counselor, enrollment of a student in a treatment program, and random testing throughout the year. Students will be held accountable for actions resulting from substance abuse.

Supervision/Off-Limit Areas: Students are not permitted in any campus area without adult supervision. Teacher workrooms and lounges are also off-limits to students. Students are also not permitted behind the counter in the Front Office or Library without permission.

Theft: In keeping with The Seventh Commandment, the taking of another's possessions without permission is not permitted. Such theft will require full and complete restitution and the student may be issued disciplinary action or suspension.

Threats: All threats of violence will be taken seriously. Threats intended in a joking manner may not be perceived as such and should be avoided. Credible threats may result in disciplinary action, suspension, or expulsion.

Weapons: Weapons of any kind are prohibited on school property at school functions, or on any school-sponsored transportation. All firearms are prohibited and will result in suspension or expulsion. Possession of other weapons such as knives or any other item which may be used as weapons is grounds for disciplinary action, including suspension or expulsion. If necessary, the school will contact the proper authorities to deal with any possible criminal behavior involved.

Violence: Any student who strikes, slaps, punches, pinches, bites, kicks, pulls the hair of, or otherwise inflicts bodily harm on another student, faculty, or staff member may be issued disciplinary action or suspension. Severe situations may also be cause for expulsion. If necessary, the school will contact the proper authorities to deal with any possible criminal behavior involved.

Serious Misconduct: The authority to suspend or expel a student from school resides with administration and does not require a certain number of prior consequences. If a school administrator deems misconduct to be serious enough for suspension or expulsion, he or she reserves the right to take such action.

Suspension: Any work missed as a result of an out-of-school suspension may not be made up and will result in zeros being given for that work, including tests that are missed.

Expulsion: When the school's means of behavior improvement have proven ineffective or when a student's conduct is determined to be a definite hindrance to the welfare and progress of the school community, a student may be expelled and be required to withdraw from the school. In the case of suspension or expulsion, a student will be informed of the charges. If the student denies them, an explanation of the evidence will be given, and the student will be given an opportunity to refute the charges before the administration. Additionally, the administration will notify parents promptly by telephone and will follow-up.

Dress Code

- All other dress code rules apply

School Approved Spirit Dress Days: Any St. John Catholic Academy spirit shirt may be worn with school approved uniform bottoms (NO LEGGINGS, NO JEANS).

- Each Friday of the school year (unless it is a mass day), students have the option of a spirit shirt with any approved uniform bottoms. (Khaki or navy uniform bottoms.)

Health and Safety

Emergency Information: For the safety of every child, emergency information must be on file in the School Office and be kept up to date, including changes of address, phone numbers, medical information, doctors, email, etc. A change of contact information should be reported to the School Office immediately.

Volunteer Screening: The safety and security of our students is always our first priority. It is Diocesan policy that all volunteers must complete training, fingerprinting and a background check at their own cost before volunteering on campus. Criminal history background information must be updated every five years. Detailed information can be found on our [website](#).

Immunization Records: Students will not be admitted to class if immunization records are missing or expired. It is the parents' responsibility to ensure that children have received all required vaccines. Per Diocesan Policy #310, all students shall comply with State of Florida required Immunization and Health laws prior to admission. If the child's immunization status

proves to be inadequate, said student shall be excluded until such time that the appropriate requirements have been completed. Parents have 30 days to bring immunizations up to date from the date they move to the state of Florida. Parents must keep the office informed of all updated immunizations. There are no exceptions to this policy.

Child Abuse and DCF: The school will reasonably cooperate with regard to any investigation by the Department of Children and Families ("DCF") pertaining to allegations of child abuse or neglect. The school will cooperate in allowing DCF to have access to students if DCF obtains, according to law, an appropriate court order or other legal authority, such as the presence of a police officer or deputy sheriff or if there is an open investigation. Since the school is on private property, DCF may be precluded from reasonable access to school aged students at school if the parent or guardian notifies administration in writing in advance. Per Florida Statute (§ 39.202, F.S. and 415.107, F.S.) school staff and faculty are mandated reporters and are legally obligated to submit a confidential report to the State of Florida if they suspect the abuse or neglect of a child.

Medication: Students are not to bring any medication - including over-the counter medication to school for any reason. Parents must bring all medications to the school for their child.

Prescription medications will not be dispensed without a physician's order and written authorization from parents or guardians. The parents' written authorization should include the necessity for the administration of medication during the school day. The medication must be provided to the school in its original container and must contain instructions regarding proper dosage. The instructions on the medical administration form must match the instructions on the prescription bottle in order for school personnel to dispense medication to the student. Medical administration forms are only valid for one school year at a time, or less if noted on the form. The medication will be kept in a secure location in the Clinic and will only be administered by a staff member trained to dispense medication.

With proper written authorization from both the physician and the parent, provided to school principal, students may carry and/or self-administer certain medications necessary to thwart life threatening attacks (such as epi-pens, asthma inhalers and insulin shots) and will be assumed to be capable of doing so with the proper authorization, unless physician's order indicates that staff assistance is required.

Written authorization by the parent must be given for over the counter medication. Verbal permission will not be accepted. A physician's note is not required for non-prescription medication. The only non-prescription medication that will be dispensed is acetaminophen (Tylenol), ibuprofen (Motrin), Benadryl, Neosporin, diaper rash cream, and sunscreen with written parental permission. The dosage for non-prescription medicine shall not exceed the label instructions, unless prescribed by a physician, for the particular age of the child and the parent must provide the medication to the school office, labeled with their child's name.

School personnel shall not administer medication by injection except when a student is susceptible to a predetermined, life endangering situation and personnel have received the special training required to perform the procedure.

Excess medication will only be released to the parent/guardian and any medications left at the school past the last day of the school year will be properly disposed of by school personnel. If medications are expired, school personnel are required to dispose of the medication if the parent does not pick it up within ten days of the expiration date.

Sick Policy: Attendance is a priority at St. John Catholic Academy. However the health of our students, teachers and staff takes precedence. If a student is ill with any contagious disease or illness (including but not limited to hand-foot-mouth disease, strep throat, etc) or has exhibited a fever of 100.4° or more, rash, vomiting or diarrhea within the last 24 hours, the student may not be sent to school. The school reserves the right to send a student home if we feel the child is not well enough to attend. Students must be fever/symptom free for 24 hours.

Pandemic Policy: St. John Catholic Academy will follow CDC Guidelines and guidance from the Florida Department of Health and Florida Department of Education as well as the Diocesan Office for Catholic Schools regarding any pandemic issues.

Student Accident Insurance: The school carries student accident insurance for incidents that occur during school hours, at school-sponsored events, or when traveling to such events in school-arranged transportation. Incidents and accidents, and the desire to pursue insurance filing must be reported immediately in writing to the school principal.

Clinic: A volunteer school nurse reviews student health records and screenings twice per year. If a student is too ill to return to class, his or her parent or guardian will be contacted to pick up the student. Incident reports will be written if we determine there is a need. Parents are required to sign incident reports and are provided with a copy.

School Safety

Fire & Tornado Drills: Fire, tornado, and other evacuation drills are held regularly throughout the school year. At the beginning of the year, teachers familiarize their students with evacuation plans and procedures. Maps of emergency exit routes are also posted in every classroom on campus. During an evacuation, students are expected to remain calm and walk to the prescribed meeting area in silence. Upon signal to return to classrooms, students should also walk back to their rooms in a calm and quiet manner.

Inclement Weather: In the case of inclement weather, the Catholic schools of the diocese reserve the right to make a different decision than the local public schools. Inclement weather decisions for the Catholic schools will be disseminated to the schools from the Office for Catholic Schools by county with input from the local Catholic schools. Schools will make up any days that cause them to fall below the required days or instructional hours required by the state and the Florida Catholic Conference. Notification regarding school closures or delayed start time will be made via text/email/social media when possible. Please make sure your email and phone number are accurate in PowerSchool and your child's registration card(s).

Asbestos Management Plan: With the renovation following Hurricane Michael, we removed all known asbestos on the St. John Catholic Academy and church property. A copy of the asbestos management plan is available for review in the front office.

Crisis Plans: The school maintains specific action plans in the unlikely event of a crisis or other emergency on campus. In the event of an emergency, students and parents are urged to remain calm and follow the instructions of the school principal.

Harassment: The Diocese of Pensacola-Tallahassee is committed to providing an environment

that is free from harassment, intimidation, hostility, bullying and other offensive conditions. Harassment on the basis of one's protected status (i.e. gender, sexual orientation, age, race, color, religion, national origin, disability, marital, or veteran status) is a form of discrimination and is unlawful and strictly prohibited. Retaliation against an individual for having initiated a complaint of harassment or discrimination is also considered unlawful harassment.

Harassment encompasses a broad range of physical or verbal behavior that can include, but is not limited to, the following:

- physical or mental abuse
- insults or derogatory slurs based on one's protected status
- unwelcome sexual advances
- unwelcome touching
- inappropriate comments, jokes, innuendo, gestures, or noises

Any student, parent, teacher, or other school employee who believes that he/she has experienced any type of unlawful harassment should report his or her concerns in writing to the school principal.

Every complaint of harassment will be investigated and appropriate action taken. The Diocese is committed to resolving complaints of harassment in a prompt, private manner, and to ensure protection against retaliation or reprisal against the complainant.

Bullying: Bullying is characterized as unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is targeted, repeated, or has the potential to be repeated, over time after being asked to stop.

In order to be considered bullying, the behavior must include the above characteristics and be marked by :

- **An Imbalance of Power:** Kids who bully use their power—such as physical strength, size, and access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **Repetition after being counseled to stop:** Bullying behaviors happen more than once or have the potential to happen more than once. Bullying includes the above characteristics and actions such as making threats, spreading rumors, attacking someone physically or verbally, and intentionally isolating their target.

Sexual Misconduct: The Diocese of Pensacola-Tallahassee is committed to safeguarding the well-being of those who are served by the Church. It has been the official policy of the Diocese since 1995 to train all personnel with respect to dealing with issues or professional boundaries and sexual misconduct, to provide expert pastoral care to all persons involved in such cases, to report and respond to information concerning allegations of misconduct, to investigate such reports thoroughly and to take proper administrative and legal action.

Attendance Policies/Absences

School Hours: School Hours are 7:50 am - 2:50 pm Monday through Friday. The school office opens each school day at 7:30 am and closes at 3:30 pm.

Typically, School Mass begins at 8:15am on Wednesdays. Tardy students may *not be dropped*

*off with their class in the church once the class has left their classroom to walk to the church. If you arrive after the car line closes but before mass starts at 8:15, we encourage you to attend mass with your child, but the student may not join their class in the church. Tardy students must be checked in by the parent at the front office at the end of mass. Attendance is taken in the classroom prior to leaving for mass, not in the church. *For the safety and clear transfer of responsibility, students MUST be checked in at the office after mass NOT in the Church.**

Arrival: Students may begin to arrive on campus when the car line opens at 7:40am but not prior to that time, unless participating in the Extended Morning Program which opens at 7:30am with drop off on the preschool side. The Elementary School age car line closes promptly at 7:50am. Parents are expected to follow established car line procedures and drop off students in the appropriate car line. A staff member will open the car door, **do not release your child from the car until a staff member opens the door** for the student. All families must display a car tag in their dashboard *where it can be safely read by school personnel. The car tag must remain displayed for the duration of the school year.* In the event that another tag is needed, please send a request to office@sjseagles.org. Refrain from parking and walking your student to the front office. All students must go directly to their classroom. Middle school students will visit lockers per the locker schedule.

Tardiness: Tardiness is a serious issue as it not only affects the child who is late, but it disrupts the flow of the classroom and interrupts learning. Morning work on arrival activates prior knowledge and allows the student a peaceful transition into the school day. It is the parents' responsibility to promote punctuality and ensure that students arrive at school by 7:50 am each morning. Students arriving after the tardy bell at 7:50 am will be considered tardy. **Parents must accompany tardy students inside the front office and sign in.** Safety is our first priority and therefore tardy students MAY NOT be dropped off without a parental escort into the office. Three unexcused tardies in one quarter will translate to one absence and after the second absence due to unexcused tardies a mandatory conference with administration to address the underlying issues. As a community we demonstrate respect for one another by arriving/departing in a timely and orderly manner. A tardy is missing any part of the day, whether it be late arrival or early departure from any given school instructional activity.

Dismissal: At the beginning of each school year, parents should inform the school of their child's normal dismissal arrangement. This can include: Extended Afternoon Program, Parent Pick-up, etc.

Parents should not make arrangements that would result in the child remaining unsupervised on or off campus after school. Once a student leaves campus, he/she may not return unless accompanied by his/her parent or guardian. If a student's pick-up plans change from the routine, parents are required to notify the office no later than 2:00 pm each day (11:15am on early dismissal days).

Students will remain in the classroom until dismissed by teachers. Staff will be present at the car line and will dismiss students in the order in which cars are lined up. After care students will remain in the classroom until the car line is complete and then move to their assigned after care location. There is no need to utilize both car lines. Older students will exit school grounds with younger (preschool) students through the preschool car line, if applicable.

When utilizing the car line, stay in formation and do not pass other cars. In addition, be respectful of those behind you and load/unload quickly and safely. Car lines are not an appropriate time to talk to teachers, ask questions, or have conversations. You are welcome to email teachers or call

the front office when necessary.

Early Dismissal: On early dismissal days, school is dismissed at noon and parents are expected to pick up students no later than 12:15 pm unless there are alternate dismissal arrangements made.

Authorized Release of Students: A student may be released from school only to the persons listed on the student's registration card in PowerSchool. For the safety of our students we will not accept additional names either over the phone or via email. There is absolutely no exception to this safety policy. Parents MUST update their child(s) emergency contact card in PowerSchool a minimum of 72 hours in advance of anticipated alternate pickup. Please support this safety and accountability policy on behalf of your child(ren) and plan ahead appropriately. Unless specified by legal documentation, a student will be released to either parent listed on the birth certificate.

THERE WILL BE NO EARLY CHECK OUTS ALLOWED DURING THE LAST 30 MINUTES (2:20PM) OF THE SCHOOL DAY, SO AS NOT TO INTERFERE WITH END OF THE DAY PROCEDURES UNLESS PRIOR NOTIFICATION TO ADMINISTRATION AND APPROVAL HAS BEEN GIVEN AT LEAST 24 HOURS IN ADVANCE.

Extended Day Program: Extended Morning Care- Parents who need to bring their school aged children to school prior to the 10th Street carline opening up, may drive their child through the preschool car line for the Extended Morning Program beginning at 7:30am, ending at 7:40am. Students must be signed in to extended care. The cost for the Extended Morning Program is \$5 per day per student each day the student is signed in to morning care, no matter the time.

Extended Aftercare- Parents unable to arrange the pick-up of their children at the close of the school day may be granted the privilege of enrolling in the Extended Day Program, based on ratios and staffing availability. Students not picked up at 3:00pm will be placed in the Extended Afternoon Program and will be charged accordingly. The fees are \$6.75 per hour or any part of an hour per student. Extended Afternoon hours are from 3:00 pm until 5:30pm. A late fee of \$50 will apply for late pick up beginning at 5:31pm.

Extended Care is a privilege, not a right. Students with delinquent FACTS accounts will not be granted the use of extended care. Charges will be applied to the student's FACTS account and will be invoiced/charged on a monthly basis. There is a separate registration form for extended care that must be submitted in advance, to ensure there is space availability in the extended care program. Extended care is only available to St. John Catholic Academy students, not students attending outside schools.

Notifying the School of Absence: If a child is absent from school, it is the responsibility of the parent or guardian to call or email the school office at office@siseagles.org by 9:00am. Written explanation of the absence must follow upon a student's return to school. A doctor's note is required after 3 days of an absence.

Excused/Unexcused Absences: We must report students with attendance concerns to the Florida Department of Education, parents will communicate with us in writing regarding absences, tardies, and check outs so we know students are safe and well (especially during COVID

restrictions).

A student who expects to miss school because of an anticipated approved absence must arrange with his or her teachers to make up the work in advance of the absence or on the day of the student's return to school. Parents should submit a written request at least three days in advance and receive approval prior to the absence or a doctor note after the absence.

If a student is present on the day tests are announced/assignments are given, the student will be required to take the test or turn in the assignment on the day of their return.

Extended Illness: If a student is absent for more than three days because of illness, a doctor's note will be required before the student is admitted back to class.

Excessive Absences: According to diocesan guidelines, students with more than 20 absences in a school year (based on a normal school calendar of 180 school days) may not be promoted to the next grade level unless arrangements are made with administration. More than 15 absences will require a conference with administration. Three tardies will convert to an absence.

Recording of Attendance: If a student misses more than 70 minutes of class instruction, excused or unexcused, the student's attendance will reflect a half day of attendance. If a student misses more than 180 minutes of class instruction, excused or unexcused, the student is marked absent for the day. This is a policy of the Diocese of Pensacola-Tallahassee.

Appointments: In order not to infringe on class time, parents are strongly encouraged to schedule students' medical, dental, and other appointments either after school or outside of school hours. When appointments during the school day are unavoidable, the parent or guardian must send a written note or an email to both the teacher and the front office (office@sjseagles.org) stating the time the student will be picked up with as much advance notice as possible. Upon arrival at the school, the parent should report to the office to sign the student out. The student will then be called to the office to meet his/her parents.

Transportation

Car line: There are two separate car lines (see map on next page).

The preschool car line (north side of campus) will enter Flower Avenue from 11th Street. Pull up toward the parish hall. Preschool staff will be outside to collect children from the vehicle. Do not pull around stopped vehicles. Wait your turn to exit the parking lot. Turn north on Fortune Avenue, toward 11th Street. Southbound Fortune Avenue will be closed to traffic during carline time. Students enrolled in Extended Care will use the preschool car line. Preschool car line is open 7:30am-8:30 am and 3:00pm-5:30pm. Preschool car line is to be used for preschool students, school aged siblings of enrolled preschool students and school aged students enrolled in extended care. Parents with children in both school and preschool may opt to use both car lines or parents may drop off K-9th students in the preschool line (however preschool students cannot be dropped off in the K-9th line.) Please note: If a K-9th grade student exits their car prior to 7:40am in the preschool car line, you will be charged \$6 for morning care. In addition, the car line cannot be held up while parents of school aged students wait for 7:40am. If you do not want to pay for morning care, do not enter the preschool car line with your school aged child prior to 7:40am. School aged students will not be admitted to the school via preschool car line after 7:50am and must check in at the main School Office.

The K-8th grade car line (south side of campus) will be along 10th Street. Enter the car line from

either direction of Friendship Avenue. There will be staff members available to receive children. Please wait for a staff member to open the car door for your student(s). Do not pull out and drive around stopped vehicles. Please wait your turn to move forward as 10th street is a narrow two way street. In order to facilitate a timely drop off/pick up, please not use car line time to chat with teachers. Those dropping off or picking up students in a car line are expected to be patient and respectful of other drivers, students, teachers, and safety patrol members.

School aged students with younger siblings in our preschool, will be dropped off/picked up in the preschool car line, unless specifically instructed otherwise in advance by a parent. Elementary and/or Middle School students will have a pink tag and be dismissed to the preschool side for dismissal.

Parking: Parents and visitors are welcome to park in the lot near the PE field or on the east side of the school, on Fortune Avenue near the front office. Please keep in mind, Fortune Avenue will be closed to thru traffic at 10th Street at car line time. Parking on the south and west side of the school is prohibited. Please reserve parking on the north side of the campus (in the parking lot near the church) for preschool and extended care parents.

General Guidelines

Visiting the School: In order to provide a safe and disruption free campus for all students, all visitors and volunteers must report to the front office to sign-in. You will be asked to show your State or Federal ID to check in.

Fundraising: All fundraising done in the name of St. John Catholic Academy by parents, students or staff must be approved in advance by Administration. A Fundraising Form/Request must be submitted and approved in advance.

Parties: Students are allowed to distribute invitations to parties and other gatherings to classmates if all classmates are invited, or all the girls (for a girl's party) or all boys (for a boy's party). Please get permission from the teacher.

Birthday recognition in the classroom may be allowed at the discretion of the teacher. Parents may send special (preferably healthy) treats to share at lunch or break, with teacher permission. Please be sensitive to potential allergies and check with your child's teacher.

Lockers: Middle school students will be assigned lockers. Students are responsible for providing a lock. If a student loses or damages the lock, he/she will be required to purchase a replacement. Students are expected to lock their lockers, use only their assigned lockers, and may not change lockers without the approval of the administration.

Cubbies & Desks: Students in primary and intermediate grades will be assigned desks and cubbies to store their belongings. They are expected to keep these areas clean and organized.

Expectations for Parents/Legal Guardians (regarding complaints & concerns): Catholic schools are partners with parents in raising their children in the faith and providing a Gospel based, Catholic education for their children.

The expectations for parents in this partnership is that there will be respect for the professional educators of their children, and adherence to the problem-solving process the school has in place, following a chain of command. Parents or students with concerns should first consult the appropriate staff/faculty member. If the issue remains unresolved after consulting the employee most connected to the issue, only then should one consult further levels of authority, namely, the appropriate school administrator, then the Pastor, then the Diocesan Superintendent, and, finally, the Bishop.

It is expected that parents will support and uphold school rules and policies and treat staff, students, and visitors with kindness and respect as partners in your child's education. Failure or unwillingness to do so as demonstrated by the behavior of parents can result in the partnership being irretrievably broken, and may result in the student being withdrawn from the school.

Pets on School Property: As per Diocesan Office of Catholic Schools Policy #113, with the exception of certified service animals, pets are not permitted on school property.

Lunch: Parents may order hot lunches for their students from myhotlunchbox.com. Lunch must be ordered and paid for 24 hours in advance in order for the vendor to deliver the meal. If you need to contact them, please email info@myhotlunchbox.com. Please note that we cannot microwave lunches brought from home nor can we supply condiments, utensils, etc. Students may always bring their own lunch from home. Students are required to have a refillable, labeled water bottle with them each day. Water fountains with bottle fillers are available on campus.

Lost and Found: All articles should be labeled. If found on campus, they are to be turned into the Front Office and will be stored in the Lost and Found area in the Office. Items that remain unclaimed after two weeks will be donated. Parents can promote the safe return of personal belongings by ensuring that the student's name is written in ink on all items.

Technology: As a fully Classical Academy, our educational emphasis is on habits of mind and the spoken, read and written word. Therefore our use of technology is minimized and always intentional for either testing or research purposes. All students and parents are to read the Technology Agreement and sign the Acceptable Use Policy that outlines conditions of use of computers and electronic information services, including the Internet. Failure to sign the Technology Agreement will prohibit a student's use of such equipment. Students not following the agreement will be subject to disciplinary measures, including suspension or expulsion. The use of technology is a privilege.

iPads: While not central to our learning modalities, the use of technology can facilitate global collaboration, innovation and engineering - vital skills for our 21st century learners. Students in grades K-5 may utilize and grades 6-9 will utilize Apple iPad on a wireless network. Apple iPads and the wireless network on the school's campus are strictly for educational use consistent with the school's educational goals. Along with the opportunity this provides, comes responsibility. The Acceptable Use Policy is designed to give the student and the student's family, as well as others on the school's campus clear and concise guidelines regarding the appropriate use of any technology on our campus. We expect our students to exercise good judgment and to utilize technology with integrity. As with any other school property, parents will be charged for any damages or loss caused by their child.

Textbooks: Parents are responsible for ordering replacement curriculum directly from Memoria Press should their students lose or damage their materials. (<https://www.memoriapress.com/>)
