izzi.....

This is just a short note to say a BIG THANK YOU and to acknowledge that we received your generous gift towards this summer's Japan outreache. MAI will be sending you a tax-deductible receipt following the trip. I will also send you a full ministry report following the outreach. I am excited bring the Biola women's team to Japan for the 5th time. Please be praying for several things before we leave.

Pray with us that hearts will be drawn to Him and that our hearts will be fully prepared to minister. Pray too for the remaining finances. It is a huge effort to take these folks to Japan (especially with the increases in airfare). Thanks for helping to "SEND" us. Pray this year for the INREACH that happens within the team too. Thanks for your contribution & we covet your prayers.

Biola Women's team - July 27-Aug. 7 Shizuoka & Osaka area
