Dear Parents and Carers,

Thank you so much to the many parents and carers that were able to attend the Relationships and Sex Education (RSE) meetings this week. It was great to see so many faces and we hope that you found the meetings both useful and informative.

Just to remind you that our RSE policy can be found on our school website under the 'About' tab ☐ select 'Policies'.

Our curriculum overviews and parts of the PowerPoint that were shared will be made available for you to view on our school website later today, as well as recommended books to support RSE at home (search under the 'Teaching and Learning' tab ☐ select 'Curriculum' ☐ select 'PSHE'). Due to copyright reasons, we are unable to share the resources online, however if you have any further questions or queries regarding this Curriculum, please get in touch with your child's class teacher to discuss these further. This can be done via Class Dojo or by leaving a message with the school office – whichever is easier for you.

As we mentioned at the meetings, we would always recommend that you have a chat with your child before these lessons are carried out in school, so that you can prepare them and help them to be ready for these lessons when they are delivered in school in the coming weeks. We appreciate and recognise that school forms only a small part of a child's understanding of the world around them, and that there are many other factors that 'make up' each of our families within our school community. Each one of us has a part to play in helping our children grow and flourish, living life to the full, and we want to thank you for all that you are doing to support us in school as we move forward with this.

Kind regards,

Mrs H Gibbs and Mrs Johnson
