OVERWORLD GLITCHES MENTOR TOURNAMENT
2020-2021

What is this?

It's a mentor tournament, but for overworld glitches! Did you listen to the podcast episode, watch the exhibition race, or watch a streamer run the weekly race? Did you dip your toes in the biweekly seed? Were you left a little bit intrigued? Consider joining the OWG Mentor Tournament.

What is required to enter?

This tournament is open to anyone with basic proficiency in No Glitches randomizer and little or no experience playing glitched modes.

How do I get involved?

We are looking for competitors, mentors, and restream volunteers.

What if I just want to learn?

We've got you covered. The tournament will run as so:

Week 1 - No-Commitment Training and Master Classes

Mentors will host group training sessions over discord or twitch and provide runners with resources to learn how to play overworld glitches. No races will be held during week 1. Anyone can participate.

Weeks 2, 3, 4 and 6 - Mentored Swiss

16 entrants who choose to compete will be chosen by lottery to participate in the tournament. They will complete four races to determine seeding for Brackets.

Weeks 5 and 7 - Holiday and GDQ Recess

During these periods several async seeds will be provided to allow racers to practice unmentored play and randomized swords if they choose. Runners are also encouraged to participate in the OWG weekly race. Race your mentors!

Weeks 8-11 - Unmentored Brackets

All 16 runners will compete in a best of three single elimination bracket ending in a finals and bronze BO3 match. A single group throwdown race will be held for 5-8 placements.
