

# Tri-Smart Easter 2026

**Trii-Smart Easter 2026** is a Networking Activity to [Recover Our Community Roots](#) a related activity is [Recovering Community Collaboration](#). One of the activities is to Pray for the **Least of These** in our Community (Matthew 25:35-40). If you know of a ministry to the **Least of These** invite them to send prayer requests to [trismartpm@gmail.com](mailto:trismartpm@gmail.com) by March 25th so we can send the requests out to pray for them starting on Palm Sunday. On Easter Sunday some of us are meeting at 6:30 am to pray for these requests and watch the Sunrise from Hamburger Hill (In the Park across from the [Christian Fellowship Church](#) 445 King Street). Those who want to stay can join the Sunrise Service at the Church (Please send people the [Flyer](#) and/or Post it as a Poster).

Also, see [2026 Tri-Smart Ukrainian Easter Egg Messages](#). The Ukrainian Easter Eggs were traditionally used to share messages of the arrival of New Life in the Spring and the Resurrection of Jesus. To learn more see [Background to Ukrainian Easter Eggs and our Digital Eggs](#) and [Guide to Submitting Digital Easter Egg Messages](#).

During Spring Break (March 27-April 2nd) We plan on working with **Volunteers** and our [10 hour Contract Young People \(ages 15-30\)](#) to Further Prepare for Easter and Summer Jobs. We are currently taking applications.
