**"Touching People Everywhere With the Good News of Jesus Christ
By Developing and Multiplying World Impacting Disciples!"**

Hi JRM Partners,

It is such a JOY to share with you what God is doing in and through our ministry. God has given us the opportunity to share His love and truth with people everywhere; to people in India, Uganda and Jamaica each week. He has also given us the opportunity to reach, teach and train people in our families, communities, schools, places where we work and places where we go regularly. As we share God's love and truth, He is growing us in our walk with Him. Our bond with Jesus, the Christ is growing deeper, as well as our bond with those that we are investing in each week. The conversations we have with God and those that God has led us to speak into during the week multiplies God's plan of impacting the world with His disciples. I love that God has called me to this work for a lifetime. He has also called you to this work, if you have surrendered your life to Him. I encourage you to live these verses out in your life today and throughout your life:

"And Jesus came and spoke to them, saying, 'All authority has been given to Me in heaven and on earth. Go therefore (as you go), MAKE DISCIPLES of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.'" (Matt. 28:18-20)

Praises and Prayer Requests:

- **Kerrado & Tamekar McKenzie** - God is showing Himself in such a beautiful way in this married couple's life. Kerrado and Tamekar have grown so deep in their walk with Christ, and with each other. Rod Harrell is weekly discipling Kerrado every Monday night through the Book of James. Denise Sloan is also spending time weekly in God's Word with Tamekar. These discipleship relationships have been ***constant, challenging and encouraging*** for each person involved. On certain occasions, I join in with Kerrado and Rod. It is awesome to see how each of us have grown so close to each other and how our love for God's Word has deepened. This is leading Kerrado and Tamekar to have a greater desire to invest in others on a daily basis with God's Word. Continue praying for Kerrado and Tamekar, as they grow in their walk with Christ and as they make disciples in Jamaica.
- **Young Adults of The True Worship Centre in Jinja, Uganda** - I have thoroughly enjoyed meeting with these young adults every Saturday afternoon. Lately, we have been studying through the Book of James. God is moving in many of these young men and women's lives, as I invest in them through God's Word. ***David & Prisca Okadi*** are growing ***deeper*** in their walk with God and with each other. I can see God moving in and through them. They have a great desire to learn from God's Word and put it to practice daily in their lives. They also have a great desire to share what they have learned with others around them. ***George Mukisa*** is growing deeper in His walk with Jesus, as well. He lives this life out daily, and has started to disciple a couple of his friends; Rodney and Richard. I have seen them and others join in our bible study on Saturday. It is growing every time we meet. This is exciting to see. ***The vision and heart behind these bible studies are always to touch them with the Good News of Jesus Christ by developing them through God's Word and seeing God multiply them into world impacting disciples.*** Continue to pray for each Ugandan man and woman that we reach through this bible study. May they reach more through the Good News of Jesus Christ.

- **Prisca Okadi** - God is making a huge impact on Joanne and Prisca, as they meet weekly studying through God's Word together. I asked Joanne to share with me how God had impacted her life through this discipleship relationship with Prisca. She said, *"Watching a young person be such a student of God's Word encourages me. She (Prisca) shared how she had been fasting and praying. She challenges me every time we meet!"* Prisca shared these words about her discipleship relationship with Joanne, *"My relationship with the Bible and people has greatly been impacted as I get to share each week with Joanne. Her personal experience with Christ, as she shares with me, lets me know that God is with me no matter what I am going through in my life. Most importantly, the thirst to share these words with someone else out there, to make disciples, and to spread Jesus' love among all people inspires me greatly."* As you can see, a disciple focused relationship is one that sees the discipler encouraged and challenged as much as the disciple. Please continue to pray for Joanne, as she disciples Prisca. Also, pray for Prisca, as she learns and puts to practice God's Word in her life daily and as she sp disciples some of her friends that live nearby; such as Olivia, Esther, Patricia and Prosper.
- **Pastors from India** - It is always a blessing to speak into Pastor Santhosh Chellappan and into his pastor friends each Wednesday morning. Lately, we have been studying through The Book of James. As I have taught through this book, it has been a JOY to hear the heart of each pastor, as they *ask* questions and *share* what they are doing to live God's Word out in their lives. The words they share with me *encourages* me in the greatest of ways, and also *challenges* me to live out God's Word each and every day, wherever I go. Please continue to pray for each of these pastors in India, as they share God's Word in places where there is much persecution.
